

Commons Act 2006 – Schedule 2 (Paragraph 7)

Application to correct mistaken registration

NOTICE OF DETERMINATION

Application Number: CA13/41

Notice is hereby given that Cumberland Council as commons registration authority (“the CRA”) has considered an application submitted by **Selwyn Sim, Pauline Sim, William Henry Harrison, Gordon Wilson and Stephen John Nixon** (“the Applicants”) to deregister the entirety of common land register units CL448 Bellwater Moss, CL449 Cowfield Moss and CL450 Common Moss, located to the north of Aspatria and shown edged red on the attached plan (“the Application Land”).

Decision

The CRA resolved to accept the application and remove the Application Land from the register of common land.

Reasons

The Assistant Director of Neighbourhoods, on behalf of the CRA, took into account a report written by the Commons Officer (“the Officer”). The Officer’s report made a recommendation to accept the application on the grounds that there is sufficient evidence that the Application Land was wrongly registered as common land, and that on balance, all elements of the statutory criteria for removal have been met.

Outcome

The CRA has given effect to the determination by removing the Application Land from the register of common land, which entailed the deregistration of common land register units CL448 Bellwater Moss, CL449 Cowfield Moss and CL450 Common Moss.
