

BRIDGE CLOSURES OVER KENDAL BYPASS.

Brigsteer and Underbarrow bridges are closed from Wednesday 12 June until further notice, as a precautionary measure due to structural concerns.

All traffic including vehicles, cyclists, pedestrians are unable to use the bridges.

The recommended **pedestrian** diversion routes are via the Public Right of Way network as shown below.

A dedicated website page covering the detail of closure of Brigsteer and Underbarrow bridges is available at westmorlandandfurness.gov.uk.

If you have any questions, please contact the Highways Hotline on 0300 373 3306 or complete the "Westmorland and Furness Highways online reporting form" which can be found by entering this term into your search engine.
