1	Introduction, Summary and Explanation	An overview of how the Council operates, what the key parts of the Constitution cover and what rights members of the public have. It explains how decisions are taken.	5

1 INTRODUCTION

- 1.1 Westmorland and Furness Council (usually referred to in this document as simply “the Council”) is the new Unitary Council which has been created to cover the former areas of Barrow, Eden and South Lakeland. It has responsibility for most of the functions which were previously carried out by those districts’ councils as well as the former county council for Cumbria.
- 1.2 The Council has 65 Councillors representing an area of 3,745 square kilometres stretching from the upper Tyne Valley to Morecambe Bay and home to a wide range of diverse communities. It is the third largest unitary council in the England and the most sparsely populated. The 2021 census indicated that 55% of its population of 225,000 live in rural areas and 45% in towns, the largest of which are Barrow-in-Furness, Kendal and Penrith. 15.6% of the population are aged 0 – 15 years (which is lower than the national average of 19.2%) whilst 26.3% are aged over 65 years (higher than the national average of 18.5%)
- 1.3 There are 114,000 jobs at workplaces in Westmorland and Furness. The public administration, education and health sector accounts for the greatest proportion (24%), followed by wholesale and retail (18%), manufacturing (15%) and accommodation & food services (14%). It is also home to Barrow Shipyard a major employer in the Barrow-in-Furness area.
- 1.4 Westmorland and Furness has national transport routes within its boundaries with the M6 and West Coast Main Line running north south and the A66 and A590 running east to west.

2 THE CONSTITUTION

- 2.1 The Council has agreed a Constitution (this document) which sets out how the Council operates, how decisions are made and the procedures which are followed to ensure that these are efficient, transparent and accountable to members of the public. Some of these processes are required by the law, while others are a matter for the Council to choose.
- 2.2 Generally speaking the Council will exercise its powers and duties in accordance with the Constitution, unless the law requires the Council to do something else or the relevant provisions are waived.
- 2.3 Hyperlinks to other documents/sites or parts of this Constitution are included where this will be helpful. All hyperlinks are coloured blue and are underlined [like this](#).
- 2.4 Defined terms are included in the [Glossary](#) in Part 6. They are shown in bold **like this**.

WHAT IS IN THE CONSTITUTION?

- 2.5 The Constitution has eight parts:

[Part 1](#) is this summary and explanation.

[Part 2](#) sets out which parts of the Council are responsible for carrying out the various functions of the Council.

[Part 3](#) contains the various Procedure Rules which set out how the Council conducts its business, including how it makes decisions and how meetings are conducted.

[Part 4](#) includes codes and protocols that govern how members of the Council (also known as “Councillors”) and officers of the Council must behave in performing their duties.

[Part 5](#) is the Councillors Allowance Scheme, which sets the level of financial allowances which Councillors receive for performing their duties.

[Part 6](#) contains a Glossary which explains some of the terminology used in this document.

[Part 7](#) sets out a list of associated documents that support this Constitution and can be accessed from it electronically.

[Part 8](#) contains diagrams of the Council's management structure

- 2.6 There are a number of other codes, protocols and policy documents which govern how the Council operates which do not form part of this Constitution. Where the Constitution refers to these documents, they will be made available on the Council's website via a hyperlink.

3 COUNCILLORS

- 3.1 The Council has 65 Councillors (also known as "Members") who are elected by and are democratically accountable to the people in their wards. The overriding duty of Councillors is to the whole community, but they have a special duty to their constituents, including those who did not vote for them. Only registered voters of the Council's area or people living or working here are eligible to stand to be elected as a Councillor.
- 3.2 The regular election of Councillors is usually held on the first Thursday in May every four years, for all Councillors at once. The term of office of Councillors starts on the fourth day after being elected and will finish on the fourth day after the date of the next regular election (except for the Chair and Deputy Chair; and the Leader and Deputy Leader whose term of office continues until the following Annual Council Meeting even if they are not re-elected). Elections will be held again in May 2027.
- 3.3 A full list of Councillors' names, contact information, terms of office, and membership of political groups is available here on the Council's website along with details of the Committees and bodies on which they serve.
- 3.4 Councillors have agreed to follow a [Code of Conduct](#) to ensure high standards in the way they undertake their duties. The Standards Committee and the Monitoring Officer advise Councillors on the Code of Conduct; promote high standards of behaviour, and monitor standards of conduct. The Council maintains a register of interests declared by Councillors which is open to inspection by members of the public and available on the Council's website.
- 3.5 Councillors are entitled to receive allowances in accordance with the [Councillor's Allowances Scheme](#) set out in Part 5 of this Constitution.
- 3.6 All Councillors have the following roles and functions:
- 3.6.1 representing their communities and bringing their views into the Council's decision-making process, i.e. becoming the advocate of and for their communities;
- 3.6.2 contributing to the good governance of the area and encouraging community participation;
- 3.6.3 dealing with individual casework and acting as an advocate for constituents in resolving particular concerns or grievances;
- 3.6.4 balancing different interests identified within the Ward and representing the Ward and the Council as a whole;
- 3.6.5 maintaining the confidentiality of confidential and exempt information and assisting to ensure transparency of information that is publicly available (otherwise there may be a breach of the Councillors' Code of Conduct);
- 3.6.6 being involved in decision-making, including approving the Council's Budget and Policy Framework;

- 3.6.7 being available to represent the Council on other bodies; and
- 3.6.8 promoting and maintaining the highest standards of conduct and ethics.
- 3.7 All Councillors meet together as the Council. Meetings of the Council are normally open to the public. Here, Councillors decide the Council's overall policies and set the budget each year. The Council appoints the leader who in turn appoints councillors to be part of the [Cabinet](#) and may delegate powers and responsibilities to them. The Council also appoints [Committees](#) to carry out certain functions. The Council is responsible for holding the [Cabinet](#) to account for its actions and does this by questioning Councillors who are members of the [Cabinet](#) and by allowing the public to do the same. It also appoints [Overview and Scrutiny Committees](#) to review the decisions of the Cabinet and to help formulate policies.

4 HOW THE COUNCIL MAKES DECISIONS

- 4.1 All [Councillors](#) meet together a number of times each year as the Council. You can find details of the calendar of Council meetings on the Council's website. Annual Council is held once a year to appoint a Chair and Deputy Chair who preside over the Council meetings, to review this Constitution and to appoint Councillors to Committees.
- 4.2 Council is responsible for setting the [Budget and Policy Framework](#). The Budget and Policy Framework sets out the Council's key policies and agreed budget for each year. All decisions must be taken in accordance with these agreed documents. Only Council can change the Budget and Policy Framework. Council also sets the Council's budget each year.
- 4.3 Council also appoints a number of committees to deal with regulatory and non- executive functions such as Planning and Licensing. See details of the [Council's Committees](#) in Part 2).
- 4.4 Meetings of the Council and other decision-making bodies are open to the public, except where personal or confidential matters are being discussed (see [Access to Information Procedure Rules](#) in Part 3).
- 4.5 The overall structure of the Council's decision making arrangements is shown at the end of this section.
- 4.6 The Council has adopted an executive form of governance. This means that the Council appoints a [Leader](#) of the Council. The Leader then appoints a minimum of 2 and no more than 9 other Councillors who, together with the Leader, form the [Cabinet](#) and are responsible for certain decisions such as policy matters (including recommending the Budget and Policy Framework to Council), housing, education, highways and transport, social care, land and property and economic regeneration.
- 4.7 Councillors that are not part of the Cabinet are largely responsible for the scrutiny of cabinet/ executive decisions and for making the types of decisions which are not permitted to be made by the Cabinet and may sit on the [Council's Committees](#).

5 DECISION MAKING AND THE CABINET

- 5.1 The Council has adopted an executive form of governance. This means that member of the Council elect a [Leader](#) of the Council. The Leader then appoints the [Cabinet](#) (also known as the "executive") which is the part of the Council which is responsible for most day to day executive decisions and for formulating and implementing the Council's [Budget and Policy Framework](#).
- 5.2 The Cabinet is made up of the [Leader](#) and up to 9 additional Members of the Council and can be formed from a single political party. The Council has decided to elect the Leader for every four years, beginning at its first Annual Meeting after the elections, or when a vacancy arises. A vacancy would arise if the Leader resigns or is disqualified from office as a

Councillor, or there is a vote of Council to remove the incumbent, which may happen before the end of the four year period.

- 5.3 Executive decisions may also be taken by the Leader, a committee set up by the Cabinet, individual Cabinet members or by officers authorised under the [Officer Scheme of Delegation](#) in Part 2.
- 5.4 Each of the Councillors on the Cabinet is responsible for a particular area of the Council's activities (called "[Portfolios](#)"). Cabinet Members are also sometimes called [Portfolio Holders](#). Details of how the Cabinet operates and the current Cabinet Portfolios can be found on the Council's website.
- 5.5 The Cabinet has to make decisions that are in accordance with the Council's overall policies and budget. If it wants to make a decision that is outside (i.e., contrary to or not in accordance with) the [Budget](#) or [Policy Framework](#) this must be referred to Council to decide.
- 5.6 Cabinet will usually discuss matters in public. Where the Cabinet intends to discuss any matter in private, a notice will usually be published 28 days before the meeting and a further notice will be published when the agenda for the meeting becomes available.
- 5.7 When "[key decisions](#)" are to be discussed or made then special notice procedures must be followed – usually 28 days' public notice is given (although there are special rules where this is not possible). These procedures are set out in the [Access to Information Procedure Rules](#) in Part 3.
- 5.8 Some decisions, as a matter of law, are not decisions which the Cabinet may make. These decisions include Planning, Licensing and staffing matters. The Council has set up a number of committees to deal with these matters.
- 5.9 It is the duty of the Cabinet to work constructively and openly with non-executive and opposition Councillors and with officers to make sure that the overview and scrutiny process is working correctly.

6 OVERVIEW AND SCRUTINY

- 6.1 [Overview and Scrutiny Committees](#) support the work of the Cabinet and Council as a whole. They allows the public to have a greater say in Council matters by holding public reviews/ inquiries into matters of local concern. Individual Councillors may ask for items related to Council functions to be placed on the agenda of the Committee. These lead to reports and recommendations which advise the Cabinet and the Council as a whole on its policies, budget and service delivery.
- 6.2 [Overview and Scrutiny Committees](#) also monitor the decisions of the Cabinet. Those Councillors who are not on the Cabinet can '[Call-in](#)' a decision that has been made by the Leader or Cabinet but not yet implemented. This enables Overview and Scrutiny to consider whether the decision is appropriate and to recommend that the Cabinet reconsider the decision.
- 6.3 Overview and Scrutiny Committees may also be consulted by the Cabinet or the Council as a whole on forthcoming decisions and the development of policy.
- 6.4 The Council also has Joint Overview and Scrutiny Committees with neighbouring Cumberland Council.

7 COMMITTEES

- 7.1 The Council has other Committees which make decisions on regulatory, staffing and similar functions (e.g. planning and licensing). These are described in more detail in [Part 2](#).

8 LOCALITY BOARDS

8.1 In addition, the Council has the following arrangements which will enable it to work closely with the public and other partnership bodies. In order to give members of the public, service users and residents a greater say in Council affairs, three [Locality Boards](#) have been created. These cover:

8.1.1 Eden

8.1.2 South Lakeland

8.1.3 Furness

8.2 The three Locality Boards are based on the geographical boundaries of the former District Councils and comprise the Councillors who have been elected in each particular area, as detailed on the Council's website. Meetings are normally held in public and the Locality Boards have some decision making powers and the ability to influence and engage with matters which affect their locality.

9 THE HEALTH AND WELLBEING BOARD

9.1 The [Health and Wellbeing Board](#) ("the Board") brings together key NHS, public health and social care leaders in the Council's area to work in partnership to assess the broad health and wellbeing needs of the local population and to lead the statutory joint needs assessment. The Board will develop a joint high-level health and wellbeing strategy and may also commission work on policy research, service improvement and local needs.

10 THE WESTMORLAND AND FURNESS COMMUNITY SAFETY PARTNERSHIP

10.1 The Council is required under the Crime and Disorder Act 1998 to have a Community Safety Partnership. The Council has agreed to discharge its duty in this regard by establishing the Westmorland and Furness Community Safety Partnership (CSP). The Westmorland and Furness CSP also fulfils the roles required of Drug Action Teams under legislation and government arrangements and oversees the requirements of the Prevent Duty.

10.2 The Westmorland and Furness CSP aims to promote and exercise a collective responsibility within the partnership and to evidence a strategic approach towards identified priorities with a clear focus on the reduction of crime, anti-social behaviour and the fear of crime within the geographical area of the Westmorland and Furness CSP.

11 JOINT ARRANGEMENTS

11.1 Some functions will be delivered in conjunction with Cumberland Council, either by this Council providing a service which also affects residents of that Council's area, or by Cumberland Council providing a service to residents in the area of Westmorland and Furness. Some of these arrangements are time limited and some are intended to be permanent. The Constitution describes the arrangements for joint decision making, management and scrutiny of these services.

12 THE COUNCIL'S STAFF

12.1 Councillors are supported by the Council's staff/employees (who are called "[officers](#)"). Officers provide advice to Councillors and Committees, take steps which are needed to implement decisions and manage the day to day delivery of the Council's services.

12.2 The most senior officer is the [Chief Executive](#). Other senior managers lead different parts of the Council's services. Some officers have specific duties to ensure that the Council operates within the law and uses resources wisely. These are the Council's statutory officers:

12.2.1 [Head of Paid Service](#) responsible for the Council's officers (at Westmorland and Furness Council this is the Chief Executive);

- 12.2.2 [Monitoring Officer](#), responsible for making sure that the Constitution is followed, that Councillors follow the Code of Conduct, and for reporting upon illegality and maladministration in council business;.

- 12.3 The Council's [Management Structure](#) is set out in Part 8.
- 12.4 All Council Officers must comply with the [Officer Code of Conduct](#) which is set out in Part 4. The recruitment, selection and dismissal of officers will comply with the Officer [Employment Procedure Rules](#) set out in Part 3 of this Constitution. Officers are paid in accordance with the Council's Pay Policy. The [Councillor / Officer Protocol](#) governs the relationship between officers and Councillors and is set out in Part 4 of this Constitution.

13 THE ROLE OF THE CHAIR

- 13.1 The [Chair of the Council](#) is the "first citizen" of the Council's area.
- 13.2 The Chair serves a one-year term of office and is appointed at Annual Council. Their role is non-political and includes the following responsibilities (which in their absence shall be carried out by the Deputy Chair):

 - 13.2.2 promoting the Council as a whole, acting as a focal point for the community, attending civic functions and fulfilling such civic duties as the Council and the Chair decide are appropriate;
 - 13.2.3 presiding over meetings of the Council so that Council business can be carried out efficiently and with regard to the rights of Councillors and the interests of the community, including deciding the order of business;
 - 13.2.4 ensuring that the Council meeting is a forum for the debate of matters of concern to the local community and the place at which Councillors who are not on the Cabinet are able to hold the Cabinet and committee chairs to account;
 - 13.2.5 keeping order at Council meetings and ensuring that Councillor behaviour is of the highest standard and does not bring the Council into disrepute;
 - 13.2.6 exercising a second or "casting" vote in the event of a tied vote;

14 RIGHTS OF MEMBERS OF THE PUBLIC

- 14.1 Members of the public, service users and residents have a number of rights in their dealings with the Council. Some of these are legal rights, whilst others depend on the Council's own processes.
- 14.2 Where members of the public use specific Council services, for example as a Council tenant, they have additional rights. These are not covered in the Constitution.
- 14.3 Members of the public have the right to:

Part 2 – Section 1: Introduction to Decision-Making

1 GENERAL

- 1.1 The Council makes many decisions relating to matters within its area. This Part of the Council's Constitution sets out how these decisions are made so that members of the public are clear about what decisions are made and which part of the Council or individual has responsibility for particular types of decisions.
- 1.2 The Council's functions may be lawfully exercised by:
 - 1.2.1 The Council;
 - 1.2.2 The Cabinet (the collective term for the Leader, individual Cabinet Member, the Cabinet or a committee of the Cabinet);
 - 1.2.3 Committees and sub-committees of the Council or the Cabinet, including Locality Boards;
 - 1.2.4 Joint Committees; and
 - 1.2.5 An Officer of the Council.
- 1.3 All of the Council's functions are either "executive" or "non-executive". [Executive functions](#) are the responsibility of the [Cabinet](#) or one of its committees, sub-committees, joint committees, or an officer. [Non-executive functions](#) are the responsibility of the Council or one of its committees, sub-committees, joint committees, or an officer. "Functions" includes all of the Council's powers and duties under legislation, that is, all of the activities the Council undertakes.
- 1.4 Under the Local Government Act 2000 ("the 2000 Act") functions are "[executive functions](#)", therefore the responsibility of the Cabinet, unless in law they are prevented from being exercised by the [Cabinet](#). [Non-executive functions](#) (or Council functions) are specified in Regulations issued under the 2000 Act and include functions such as those relating to officers, planning and licensing. Non-executive functions may be delegated to committees, sub-committees or officers under Section 101 of the Local Government Act 1972 ("the 1972 Act"). Unless specified as a non-executive function, a function is presumed to be an executive function.
- 1.5 The [Cabinet](#) is the part of the Council which is responsible for most day-to-day decisions, including [key decisions](#). The [Cabinet](#) is made up of the [Leader](#) and a number of [Cabinet Members](#) selected by the Leader and which make up the Cabinet. The Cabinet might also establish committees and sub-committees. All [key decisions](#) will be published in advance in the [Council and Cabinet Forward Plan](#) in so far as they can be anticipated.
- 1.6 The Cabinet will ordinarily carry out all of the Council's [executive functions](#) that are not the responsibility of any other part of the local authority, whether by law or under this Constitution, unless the [Leader](#) decides to discharge them personally or allocate them to an individual Cabinet Members or a committee of the Cabinet. Each year, the Leader will record which executive functions may be carried out by individuals or committees and this Constitution will be updated accordingly.
- 1.7 The Council will also agree and keep up to date a record of what part of the Council or individual has responsibility for non-executive decisions relating to particular areas or functions. This record is set out in this [Part 2](#) of this Constitution.
- 1.8 The Council will also have local schemes of authorisation which are not part of this Constitution but are maintained by the Council's [Designated Officers](#).

- 1.9 Where a function is delegated under this Constitution, that does not prevent the person or body that has delegated the function from removing the delegation or exercising the function concurrently, for example in the absence of a delegatee making a decision.

2 PRINCIPLES OF DECISION-MAKING

- 2.1 The following principles will apply to all decision makers. Decision makers will:

Part 2 – Section 6: Officer Scheme of Delegation

This part of the Constitution sets out the ways in which the officers of the Council can make decisions and which decisions they have power to make.

It is separated into four parts:

Part 1 – Introduction

Part 2 – General Delegations

Part 3 – Delegations to Chief Executive and Chief Officers

Part 4 – Statutory Officer and Proper Officer Appointments

Part 5 – Delegations from the Planning Committee to the Head of Development Management

1 INTRODUCTION TO DELEGATION

- 1.1 “[Officers](#)” is the term used to refer to the people employed, retained or appointed by the Council to advise and support Councillors and implement their decisions. The term “officers” in this Constitution includes all the people who operate in this capacity including contractors, consultants and agency staff.
- 1.2 The Council operates a “cascade” principle of delegation to ensure that decisions are taken at the most appropriate level closest to those who will be affected. This means that the vast majority of the Council's decisions and actions will fall into the category of operational day to day decisions taken by its officers.
- 1.3 In order to ensure the smooth functioning of the Council and the efficient delivery of services, Council and the Cabinet have delegated to officers all of the powers that they need to perform their roles.
- 1.4 Certain officers have specific legal duties to ensure that the Council acts within the law, uses its resources wisely and exercises its powers properly. These officers are known as “Statutory” or “Proper” Officers and some have specific legal titles in addition to their job titles.
- 1.5 The way the Council structures its services and its officer arrangements changes from time to time to reflect changes in service delivery and best practice. The current arrangements include a Chief Executive/Head of Paid Service (as the most senior officer of the Council) supported by a number of Chief Officers.
- 1.6 See the current organisational structure of the Council, showing more detail about the roles and responsibilities of the Chief Officers and the officers supporting them to deliver all the Council's services.

General Principles Relating to Officer Delegation

- 1.7 For the purposes of officer delegated powers, both within this part and any other part of the Constitution, the term “Chief Officer” is as defined by Part 1, section 43(2) of the Localism Act 2011 and includes the following officers:
 - 1.7.1 The Chief Executive (Head of Paid Service)
 - 1.7.2 The Chief Legal Officer (Monitoring Officer)
 - 1.7.3 The Director of Resources (Chief Finance/ s.151 Officer)
 - 1.7.4 The Assistant Chief Executive
 - 1.7.5 The Director of Thriving Places
 - 1.7.6 The Director of Thriving Communities
 - 1.7.7 The Director of Adult Social Care
 - 1.7.8 The Director Children's Services
 - 1.7.9 The Director of Enabler Services
 - 1.7.10 Director of Public Health

A Deputy Chief Officer may act where delegated to do so by their Chief Officer

- 1.8 This scheme gives the power for the Chief Officers to take decisions in relation to all the functions in their areas of responsibility except where:
- 1.8.1 a matter is prohibited by law from being delegated to an officer, or
- 1.8.2 a matter has been specifically excluded from delegation by this scheme, by a decision of the Council, a Committee or Sub-Committee.
- 1.9 Chief Officers may not take decisions unless specifically provided for within the constitution or specifically delegated by Council, Cabinet, a Committee or Sub-Committee.
- 1.10 The cascade principle under which this scheme operates means that any officer given powers under this scheme can further delegate those powers to other officers through a Local Scheme of Authorisation (which sets out all the standing delegations given to specific officers in defined areas of the Council's service areas). A full list of the Local Schemes of Authorisation are available on the Council's website and you can look at any of the schemes in detail.
- 1.11 All Local Schemes of Authorisation (and any changes to them) must be agreed by the relevant Chief Officer and the [Monitoring Officer](#).
- 1.12 Where a function has been delegated to an officer (including where sub-delegated through the cascade principle), the person or body making the delegation may at any time take back responsibility for the function and may therefore exercise the function (make the decision) despite the delegation.
- 1.13 In some circumstances the [officer](#) to whom a power has been delegated may consider a matter to be of such importance or sensitivity that their delegated authority should not be exercised. In these circumstances he or she may refer the matter back to the delegator for determination.
- 1.14 Any power delegated or cascaded under this Scheme can be exercised by the relevant Chief Officer and in all cases by the Chief Executive personally, with the exception of those statutory functions delegated exclusively to the Council's [Chief Finance](#) / [Section 151 Officer](#) or the [Monitoring Officer](#).
- 1.15 The powers of this Scheme are delegated to the officers referred to by title within this Scheme of Delegation. So the delegations apply to whoever holds that post title at any time – not to the individual person. The powers are automatically transferred to any successor officer, to whom the functions are allocated following any reorganisation of the Council's management arrangements, irrespective of a change in the title/name of the officer post. Nominated Deputies are able to exercise all functions of the person delegating the functions.
- 1.16 Delegations relate to all provisions for the time being in force under any applicable legislation and cover functions of the Council and all powers and duties incidental to that legislation.
- 1.17 Any delegation must be exercised:
- 1.17.1 In compliance with the [Budget and Policy Framework](#), all the Council's Procedure Rules, the Pay Policy Statement approved annually and the Officer Code of Conduct
- 1.17.2 In accordance with the decision-making requirements set out in the Constitution, including requirements for decision-records and access to information
- 1.17.3 Having identified and managed appropriate strategic and operational risks within the officer's area of responsibility
- 1.17.4 Within the approved [Budget and Policy Framework](#) approved by the Council (or separate approval must be sought)

- 1.17.5 Following any appropriate legislative, regulatory, consultation, equalities or procedural requirements that may be required.
- 1.18 Officer decisions must be evidenced in writing using the agreed standard form, dated and signed by the officer exercising the delegated authority.
- 1.19 An [officer](#), in exercising delegated powers may consult the relevant Committee Chair or Cabinet Member if they considers it appropriate to do so and shall consult other appropriate officers for professional advice including legal, financial and technical officers and shall have regard to any views and advice received.
- 1.20 Whenever legislation is amended or replaced by new provisions, then the relevant delegated authority in this scheme applies to those new provisions. Whenever new legislation relevant or related to the functions exercised by the Chief Officer is introduced, that officer will have the delegated authority to exercise powers or otherwise take action under that legislation until such time as the Council, the executive, a Committee or the [Chief Executive](#) decides to whom to allocate responsibility for the new legislation.
- 1.21 Chief Officers may appoint another officer as their deputy and such deputy shall have all the powers of the Chief Officer as set out in this Constitution. A deputy may be appointed in relation to all the areas of service delegated to the Chief Officer under this Constitution or in relation to a particular area of service only. A deputy may be appointed for a specific period of time (for example to cover the absence of a Chief Officer) or without time limitation. The appointment of a deputy shall not prevent the exercise by the Chief Officer of any delegation set out in this Constitution.
- 1.22 If there is any dispute or lack of clarity as to which Chief Officer has power to make decisions on specific areas of service, the [Chief Executive](#) shall have power to determine where the delegation should be exercised.

The power to require a report rests with the Overview & Scrutiny Committee but is also delegated to the [Monitoring Officer](#) who shall require such a report on behalf of the Overview & Scrutiny Committee when so requested by the Chair of the Overview & Scrutiny Committee or any 5 Councillors. - 25.2 Subject to Rule 25.3 below, the circumstances where a “need to know” may be treated as arising will include:

- 25.6 Once a determination has been made, this will be communicated to the Councillor who has made the claim.

Part 3 – Section 4 – Budget and Policy Framework Procedure Rules

1 THE FRAMEWORK FOR EXECUTIVE DECISIONS

- 1.1 The Council will be responsible for the adoption of the budget and policy framework. Once a budget or a policy framework is in place, it will be the responsibility of the Cabinet to implement it.

2 PROCESS FOR DEVELOPING THE FRAMEWORK

- 2.1 The process by which the [budget and policy framework](#) shall be developed is:
 - 2.1.1 the Cabinet will publicise through the Forward Plan and other methods a timetable for making proposals to the Council for the adoption of any plan, strategy or budget that forms part of the budget and policy framework, and its arrangements for consultation after publication of those initial proposals. The chairs of Overview and Scrutiny Committees will also be notified.
 - 2.1.2 At the end of that period, the Cabinet will then draw up firm proposals having regard to the responses to that consultation. If a relevant [Overview and Scrutiny Committee](#) wishes to respond to the Cabinet in that consultation process then it may do so. As the Overview and Scrutiny Committees have responsibility for fixing their own work programme, it is open to the Overview and Scrutiny Committee to investigate, research or report in detail with policy recommendations before the end of the consultation period.
 - 2.1.3 The Cabinet will take any response from an Overview and Scrutiny Committee into account in drawing up firm proposals for submission to the Council, and its report to Council will reflect the comments made by consultees and the executive's response.
 - 2.1.4 Once the Cabinet has approved the firm proposals, they shall be referred at the earliest opportunity to the Council for decision.
 - 2.1.5 Where the Cabinet has referred a draft plan or strategy as defined in paragraph 2 of the Local Authorities (Standing Orders) (England) Regulations 2001 ("plan or strategy") to the Council for its consideration and, if following consideration of that draft plan or strategy, the Council has no objections to it, the Council may make a decision which has immediate effect. Otherwise, if the Council has any objections to it, the Council must take the action set out in rule 3 below. In either case, the decision will be made on the basis of a simple majority of votes cast at the meeting.

3 PROCEDURE FOR CONFLICT RESOLUTION - PLANS AND STRATEGIES

- 3.1 This procedure applies in relation to those plans and strategies forming the policy framework of the Council as set out in **Part 2** of this Constitution and to any plan/strategy for the control of the Council's borrowing and capital expenditure. Rules 3.2 to 3.5 below have been incorporated into these rules as required by the Local Authorities (Standing Orders) (England) Regulations 2001.
- 3.2 Where the [Cabinet](#) has submitted a draft plan or strategy to the Council for its consideration and, following consideration of that draft plan or strategy, the Council has any objections to it, the Council must take the action set out in Rule 3.3.
- 3.3 Subject to 3.6 below, before the Council:
 - 3.3.1 amends the draft plan or strategy;
 - 3.3.2 approves, for the purpose of its submission to the Secretary of State or any Minister of the Crown for their approval, any plan or strategy (whether or not in the form of a draft) of which any part is required to be so submitted; or

3.3.3 adopts (with or without modification) the plan or strategy,

it must inform the [Leader](#) of the Council of any objections which it has to the draft plan or strategy and must give to them instructions requiring the Cabinet to reconsider, in the light of those objections, the draft plan or strategy submitted to it.

3.4 Where the Council gives instructions in accordance with Rule 3.3, it must specify a period of at least five working days beginning on the day after the date on which the Leader of the Council receives the instructions on behalf of the Cabinet within which the Leader of the Council may:

3.4.1 submit a revision of the draft plan or strategy as amended by the Cabinet (the “revised draft plan or strategy”) with the Executive’s reasons for any amendments made to the draft plan or strategy, to the Council for the Council’s consideration; or

3.4.2 inform the Council of any disagreement that the Cabinet has with any of the Council’s objections and the Cabinet’s reasons for any such disagreement.

3.5 When the period specified by the Council, referred to in Rule 3.4 has expired, the Council must, when:

3.5.1 amending the draft plan or strategy or, if there is one, the revised draft plan or strategy;

3.5.2 approving, for the purpose of its submission to the Secretary of State or any Minister of the Crown for their approval, any plan or strategy (whether or not in the form of a draft or revised draft) of which any part is required to be so submitted; or

3.5.3 adopting (with or without modification) the plan or strategy;

take into account any amendments made to the draft plan or strategy that are included in any revised draft plan or strategy, the Cabinet’s reasons for those amendments, any disagreement that the Cabinet has with any of the Council’s objections and the Cabinet’s reasons for that disagreement, which the Leader of the Council submitted to the Council, or informed the Council of, within the period specified.

3.6 Where an amendment to a draft plan or strategy has been submitted, the Leader may indicate on behalf of the Cabinet that they accept the amendment. In these circumstances, the amendment will be regarded as incorporated in the draft strategy before Council and not (for the purposes of rule 3.2 to 3.5 above) as an objection to it.

4 PROCEDURE FOR CONFLICT RESOLUTION - REVENUE BUDGET

4.1 This procedure applies to estimates and calculations relating to the revenue budget and Council Tax. Rules 4.2 to 4.5 below have been incorporated into these Standing Orders as required by the Local Authorities (Standing Orders) (England) Regulations 2001. Those paragraphs do not apply to estimates and calculations submitted by the Cabinet to the Council where the estimates and calculations were drawn up by the Cabinet on or after 8th February in any financial year.

4.2 Where, in any financial year, the Cabinet submits to the Council for its consideration in relation to the following financial year:

4.2.1 estimates of the amounts to be aggregated in making a calculation (whether originally or by way of substitute) in accordance with any of sections 31A, 31B, 34 to 36A, 42A, 42B, 45 to 49, 52ZF, 52ZJ of the Local Government Finance Act 1992;

4.2.2 estimates of other amounts to be used for the purposes of such a calculation;

4.2.3 estimates of such a calculation; or

- 4.2.4 amounts required to be stated in a precept under s40 of the Local Government Finance Act 1992,

And, following consideration of those estimates or amounts, the Council has any objections to them, it must take the action set out in Rule 4.3.

- 4.3 Before the Council makes a calculation (whether originally or by way of substitute) in accordance with any of the sections referred to in Rule 4.2.1), or issues a precept under s40 of the Local Government Finance Act 1992, it must inform the Leader of any objections which it has to the Cabinet's estimates or amounts and must give to them instructions requiring the Executive to reconsider, in the light of those objections, those estimates and amounts in accordance with the Council's requirements.
- 4.4 Where the Council gives instructions in accordance with Rule 4.3, it must specify a period of at least five working days beginning on the day after the date on which the Leader receives the instructions on behalf of the Cabinet within which the Leader may:
- 4.4.1 submit a revision of the estimates or amounts as amended by the Cabinet ("revised estimates or amounts"), which have been reconsidered in accordance with the Council's requirements, with the Cabinet's reasons for any amendments made to the estimates or amounts, to the Council for the Council's consideration; or
- 4.4.2 inform the Council of any disagreement that the Cabinet has with any of the Council's objections and the Cabinet's reasons for any such disagreement.
- 4.5 When the period specified by the Council, referred to in paragraph 4.4 has expired, the Council must, when making calculations (whether originally or by way of substitute) in accordance with the sections referred to in Rule 4.2.1) take into account:
- 4.5.1 any amendments to the estimates or amounts that are included in any revised estimates or amounts;
- 4.5.2 the Cabinet's reasons for those amendments;
- 4.5.3 any disagreements that the Cabinet has with any of the Council's objections, and
- 4.5.4 the Cabinet's reasons for that disagreement,

which the Leader submitted to the Council, or informed the Council of, within the period specified.

- 4.6 Where estimates and calculations are drawn up by the Cabinet on or after 8th February in any financial year and are submitted to the Council for their consideration, the procedure in Rules 4.2 to 4.5 will not apply. In these circumstances the estimates and calculations will be submitted to the Overview & Scrutiny Committee, together with amendments submitted. Where the Overview & Scrutiny Committee has any objection to the estimates and calculations, it will report such objections to the Council, the Leader and the appropriate Cabinet Member. The Leader and/or the appropriate Cabinet Member will report to the Council whether they agree or disagree with any objection of the Overview & Scrutiny Committee.

5 DECISIONS OUTSIDE THE BUDGET OR POLICY FRAMEWORK

- 5.1 Subject to the provisions of Rules 6 to 8, the Cabinet, committees of the Executive, individual Cabinet Members and officers may only take decisions which are in line with the budget and policy framework. If any of these bodies or persons wishes to make a decision which is contrary to the policy framework, or contrary to or not wholly in accordance with the budget approved by Council, then that decision may only be taken by the Council.
- 5.2 If the Cabinet, committees of the Cabinet, individual Cabinet Members and officers want to make such a decision, they shall take advice from the [Monitoring Officer](#) and/or the [Chief](#)

[Finance Officer](#) as to whether the decision they want to make would be contrary to the policy framework, or contrary to or not wholly in accordance with the budget. If the advice of either of those officers is that the decision would not be in line with the existing budget and policy framework, then the decision must be referred by that body or person to the Council for decision.

6 URGENT DECISIONS OUTSIDE THE POLICY FRAMEWORK

- 6.1 The Cabinet, a committee of the Cabinet, an individual Cabinet Member or an officer may take a decision which is contrary to the Council's policy framework if the decision is a matter of urgency. However, the decision may only be taken if:
 - 6.1.1 Either the [Chief Executive](#), the Chief Finance Officer or the Monitoring Officer advise in writing that the legal or financial position of the Council or the interests of the Council and/or the Members of the Public of the District would be prejudiced if the matter were not determined before the next scheduled Council meeting;
 - 6.1.2 The Chair of the Overview & Scrutiny Committee (or in their absence the Chair of the Council or, in the absence of both, the Deputy Chair of the Council) agrees that the decision is a matter of urgency; and
 - 6.1.3 It is not practical to convene a quorate meeting of Council.
- 6.2 The advice of the Chief Executive, Chief Finance Officer or Monitoring Officer and the consent of the Chair of the Overview & Scrutiny Committee (or, if relevant, the Chair of the Council or Deputy Chair of the Council) to the decision being taken as a matter of urgency must be noted on the record of the decision.
- 6.3 Following the decision, the decision taker will provide a full report to the next available Council meeting explaining the decision, the reasons for it, why it was not practical to convene a quorate meeting of Council and why the decision was treated as a matter of urgency.

7 VIREMENT AND IN-YEAR CHANGES TO THE BUDGET

- 7.1 The Executive may not determine a matter that is contrary to, or not wholly in accordance with, the authority's budget or the plan or strategy for the time being approved or adopted by the authority in relation to their borrowing or capital expenditure if not authorised by these Rules or by a meeting of the Council
- 7.2 Steps taken by the Cabinet, a committee of the Cabinet an individual Cabinet Member or an officer to implement Council policy shall not exceed those budgets allocated to each budget heading, subject to Rules 7.3 to 7.5 below.
- 7.3 Such bodies or individuals shall be entitled to vire across budget headings as following limits
 - 7.3.1 Sums up to and including £250,000 (revenue or capital) may be vired upon the approval of the relevant Chief Officer in consultation with the Chief Finance Officer.
 - 7.3.2 Sums over £250,000 and up to and including £500,000 (revenue or capital) may be vired upon the approval of Cabinet on the recommendation of the relevant Chief Officer and advice of the Chief Finance Officer.
 - 7.3.3 For sums over (more than) £500,000 (revenue or capital) the approval of the Council is required upon recommendation of the Cabinet.

Further detail is set out in the [Finance Procedure Rules](#). Should the limits and provisions recorded above conflict in any way with those set out in the Finance Procedure Rules, these rules as set out in the Budget & Policy Framework Procedure Rules shall prevail.

- 7.4 The Chief Executive may exercise any of the powers of the Executive under 7.2 and 7.3, in consultation with the Leader, the Executive Councillor for Finance and the Chief Finance Officer where the legal or financial position of the Council or the interests of the Members of the Public of the Council's area would be prejudiced if the matter were not determined before the next scheduled Cabinet meeting. The Chief Executive will report any such decision to the Chair of Overview & Scrutiny and the next meeting of the Cabinet.

8 IN-YEAR CHANGES TO POLICY FRAMEWORK

- 8.1 The responsibility for agreeing the policy framework lies with the Council, and decisions by the Cabinet, a committee of the Cabinet an individual Cabinet Member or an officer must be in line with it. No changes to any policy and strategy which make up the policy framework may be made by those bodies or individuals except those changes which are necessary to ensure compliance with the law, ministerial direction or government guidance, or where the existing policy document is silent on the matter under consideration.

9 CALL-IN OF DECISIONS OUTSIDE THE BUDGET OR POLICY FRAMEWORK

- 9.1 Where the Overview & Scrutiny Committee is of the opinion that a Cabinet decision is, or if made would be, contrary to the policy framework, or contrary to or not wholly in accordance with the Council's budget, then it shall seek advice from the Monitoring Officer and/or Chief Finance Officer.
- 9.2 In respect of functions which are the responsibility of the Cabinet, the Monitoring Officer's report and/or Chief Finance Officer's report shall be to the Cabinet with a copy to every Councillor. Regardless of whether the decision is delegated or not, the Cabinet must consider the report of the relevant officer and decide what action to take in respect of the report. Where the advice concluded that there was a departure from the Budget or Policy Framework, the Cabinet must report to Council on the action it intends taking. Where there was no such departure, the Executive must report to the Overview & Scrutiny Committee on any action to be taken.
- 9.3 If the decision has yet to be made, or has been made but not yet implemented, and the advice from the Monitoring Officer and/or the Chief Finance Officer is that the decision is or would be contrary to the policy framework or contrary to or not wholly in accordance with the budget, the Overview & Scrutiny Committee may refer the matter to Council. In such cases, no further action will be taken in respect of the decision or its implementation until Council has met and considered the matter. At the meeting it will receive a report of the decision or proposals and the advice of the Monitoring Officer and/or the Chief Finance Officer. The Council may either:
- 9.3.1 endorse a decision or proposal of the Cabinet decision taker as falling within the existing budget and policy framework. In this case no further action is required, save that the decision of the Council be minuted and circulated to all Councillors in the normal way;
- 9.3.2 amend the Council's Finance Procedure Rules or policy concerned to encompass the decision or proposal of the body or individual responsible for that Cabinet function and agree to the decision with immediate effect. In this case, no further action is required save that the decision of the Council be minuted and circulated to all Councillors in the normal way; or
- 9.3.3 where the Council accepts that the decision or proposal is contrary to the policy framework or contrary to or not wholly in accordance with the budget, and does not amend the existing framework to accommodate it, require the Cabinet to reconsider the matter in accordance with the advice of either the Monitoring Officer and/or Chief Finance Officer.

8 REPORTS AND RECOMMENDATIONS – PARTNER AUTHORITIES

- 8.1 This rule applies where an Overview & Scrutiny Committee makes a report or recommendation to the Full Council or the Cabinet, and the report, or any of the recommendations, relates to a relevant partner authority.
- 8.2 The Overview & Scrutiny Committee may by notice in writing to the relevant partner authority (accompanied by the report/recommendations) require that authority to have regard to the report or recommendation in question in exercising their functions.
- 8.3 The relevant partner must comply with the requirement in the notice to have regard to the report/recommendations.
- 8.4 Publication of reports, Recommendations and Responses
- 8.5 Where a report or recommendation of an Overview & Scrutiny Committee or response of the Full Council or the Cabinet is published pursuant to Rule 7.2 or 7.3 and is provided to a Councillor or partner authority under Rules 6.6 or 8, any confidential information must be excluded and any relevant exempt information may be excluded in line with the provisions of the [Access to Information Procedure Rules](#).

9 RIGHTS OF THE OVERVIEW & SCRUTINY COMMITTEE MEMBERS TO DOCUMENTS

- 9.1 In addition to their rights as Councillors, members of Overview & Scrutiny Committee have the additional right to documents, and to notice of meetings as set out in the Access to Information Procedure Rules in Part 3 of this Constitution.
- 9.2 Nothing in this paragraph prevents more detailed liaison between the Cabinet and the Overview & Scrutiny Committee as appropriate depending on the particular matter under consideration.

10 RIGHTS OF CABINET MEMBERS

- 10.1 Subject to the provisions of the Access to Information Procedure Rules and without prejudice to the rights of [Cabinet members](#), Cabinet members may attend meetings of the Overview & Scrutiny Committee including parts of the meeting where exempt items are being discussed and shall be entitled to receive the agenda for the meeting (including exempt matters) and to speak, give evidence and answer questions at the invitation of the Committee.

11 COUNCILLORS AND OFFICERS GIVING ACCOUNT

- 11.1 An Overview & Scrutiny Committee may scrutinise and review decisions made or actions taken in connection with the discharge of any [executive function](#). As well as reviewing documentation, in fulfilling the scrutiny role, it may require any Cabinet member, the Chief Executive and/or any chief officer to attend before it to explain in relation to matters within their remit:
 - 11.1.1 any particular decision or series of decisions;
 - 11.1.2 the extent to which the actions taken implement Council policy; and/or
 - 11.1.3 their performance,
- and it is the duty of those persons to attend if so required.
- 11.2 Where, in exceptional circumstances, the Councillor or officer is unable to attend on the required date, then Overview & Scrutiny Committee shall in consultation with the Councillor or officer arrange an alternative date for attendance.

12 ATTENDANCE BY OTHERS

- 12.1 An Overview & Scrutiny Committee may invite people other than those people referred to in Rule 11 above to address it, discuss issues of local concern and/or answer questions. It may, for example, wish to hear from residents, stakeholders and members and officers in other parts of the public sector and may invite such people to attend.

13 CALL-IN

- 13.1 When a decision is made by the Cabinet, an individual Cabinet member or a committee of the Cabinet, or an executive decision is made by a Locality Board or a [key decision](#) is made by an officer with delegated authority from the Cabinet, or under joint arrangements, the decision shall be published, including where possible by electronic means, and shall be available at the Council's registered office, normally within three days of being made. All Councillors will be sent copies of the records of all such decisions within the same timescale, by the person responsible for publishing the decision.
- 13.2 The record of the decision will bear the date on which it is published and will specify that the decision will come into force, and may then be implemented, as from 4.00pm on the fifth day after the day on which the decision was published, unless within this time it is called in for scrutiny ("the call-in period").
- 13.3 Subject to 13.5 below, a decision may be called-in for scrutiny by the relevant Overview & Scrutiny Committee if the Chairman of the Overview & Scrutiny Committee or any 3 Members of the Council submit a notice in writing to the Chief Executive within the call-in period giving reasons why the decision should be scrutinised.
- 13.4 The Chief Executive shall then notify the decision-taker of the call-in. Any item which is called-in will be placed on the agenda for the next meeting of the relevant Overview & Scrutiny Committee. If the matter will not wait until the next scheduled meeting the Chief Executive will consider the need to call an additional meeting. The relevant chief officer and/or Cabinet member shall have the right to attend the meeting to explain the reasons for the decision and to respond to comments made at the meeting.
- 13.5 A decision may not be called-in if the Committee has already made recommendations to the decision-taker and those recommendations have been accepted by the decision-taker either in whole or without significant addition or modification.
- 13.6 Where a decision has been called-in by three Councillors and none of those Councillors attend, the Committee may, at its discretion, determine not to scrutinise the decision.
- 13.7 If, having considered the decision, (which consideration must be completed before the next scheduled meeting of the Cabinet) the Overview & Scrutiny Committee is still concerned about it, then it may refer it back to the decision making person or body for reconsideration, setting out in writing the nature of its concerns or refer the matter to Full Council. Matters should normally only be referred to Full Council if Overview & Scrutiny Committee consider the decision to be contrary to the policy framework of the Council or contrary to or not wholly in accordance with the budget.
- 13.8 If the decision is referred back to the decision maker they shall then reconsider the decision. The decision maker may amend the decision or not, before adopting a final decision which will come into force immediately.
- 13.9 If following an objection to the decision, the Overview & Scrutiny Committee does not either refer the matter back to the decision making person or body or refer the matter to Full Council or determines under 13.6 above not to scrutinise the matter, the decision shall take effect on the date of the Scrutiny meeting.
- 13.10 If the matter was referred to Full Council and the Full Council does not object to the decision which has been made, then no further action is necessary and the decision will be effective

in accordance with the provision below. However, if the Full Council does object, it has no power to make decisions in respect of [executive functions](#) unless the decision is contrary to the policy framework, or contrary to or not wholly consistent with the budget. Unless that is the case, the Full Council will refer any decision to which it objects back to the decision making person or body, together with the Full Council's views on the decision. That decision making body or person shall choose whether to amend the decision or not before reaching a final decision and implementing it.

- 13.11 If the Full Council does not refer the decision back to the decision making body or person, the decision will become effective on the date of the Full Council meeting.

14 CALL-IN AND URGENCY

- 14.1 The call-in procedure set out above shall not apply where the decision being taken by the [Cabinet](#) is urgent. A decision will be urgent if any delay likely to be caused by the call-in process would seriously prejudice the legal or financial position of the Council or the interests of the residents of Westmorland and Furness. The record of the decision, and the notice by which it is made public shall state whether in the opinion of the decision making person or body (having considered the advice of the [Chief Executive](#) and/or the [Monitoring Officer](#) and/or the [Chief Finance Officer](#)), the decision is an urgent one, and therefore not subject to call-in. The Chairman of the relevant Overview & Scrutiny Committee must agree both that the decision proposed is reasonable in all the circumstances and to it being treated as a matter of urgency.
- 14.2 In the absence of the Chair of the Overview & Scrutiny Committee, the Chair of the Council's consent shall be required. In the absence of both, the Chief Executive or their nominee's consent shall be required. Decisions taken as a matter of urgency must be reported to the next available meeting of the Full Council, together with the reasons for urgency.
- 14.3 The operation of the provisions relating to call-in and urgency shall be monitored annually by the Chief Executive, and a report submitted to Full Council with proposals for review if necessary.
- 14.4 Where a decision is exempted from call-in, it will become effective immediately or (if later) as soon as the agreement of the Chair of the Overview & Scrutiny Committee (or the Chair of the Council or the Chief Executive, if appropriate) has been obtained.

15 REFERENCE OF MATTERS TO OVERVIEW AND SCRUTINY COMMITTEE (COUNCILLOR CALL FOR ACTION)

- 15.1 Any member of an Overview and Scrutiny Committee may refer to the Committee any matter which is relevant to the functions of the Committee.
- 15.2 Any Councillor may refer to an Overview and Scrutiny Committee of which the Councillor is not a member any matter which is relevant to the functions of the committee and is not an excluded matter

- 15.2.2 In exercising the power which a Councillor has by virtue of this Rule 15.2 in any case, the Councillor, and the Committee in responding, must have regard to any guidance for the time being issued by the Secretary of State.
- 15.3 The referral by a Councillor is intended to be a process of last resort and therefore a councillor must demonstrate that reasonable steps have been taken to resolve the matter including a response from the Leader or appropriate Cabinet Member and the Head of Paid Service or their nominee. The Councillor referral (Call for Action) will be placed on the agenda of the relevant Overview and Scrutiny Committee.
- 15.4 It is for the Overview and Scrutiny Committee to determine how it wishes to respond to the Councillor Call for Action and, in the case of refusal to undertake a review, then reasons must be provided.

INTRODUCTION

1. Section 151 of the Local Government Act 1972 states that “every local authority shall make arrangements for the proper administration of their financial affairs and shall secure that one of their officers has responsibility for the administration of those affairs”.
2. The officer designated by the Council as having the statutory responsibility set out in Section 151 of the 1972 Act is the Assistant Director of Finance and references in these Rules to the [Chief Finance Officer](#) or Section 151 Officer are to this officer.
3. Finance Procedure Rules provide the framework for the financial administration of the Council with a view to ensuring that the Council's financial affairs are conducted in a sound and proper manner, constitute value for money and minimise the risk of legal challenge to the Council. Finance Procedure Rules are not intended to constitute a set of detailed rules to respond to every contingency. The Rules allow for variation in detailed controls between Directorates where justified by local circumstances.
4. All financial decisions and decisions with financial implications must have regard to proper financial control. Any doubt as to the appropriateness of a financial proposal or correctness of a financial action must be clarified in advance of the decision or action with the Chief Finance Officer.
5. Detailed Finance Procedure Notes (FPN's), Codes of Practice and other financial instructions (e.g. Financial Management System Business Process Procedures) may be issued from time to time by the Chief Finance Officer, where assistance is needed with the interpretation of Finance Procedure Rules.
6. Failure to observe Finance Procedure Rules, Financial Procedure Notes, Codes of Practice and financial instructions issued under Finance Procedure Rules, may result in action under the Council's disciplinary procedures.
7. All Chief Officers should ensure that any financial procedures/guidelines produced by their Directorate in support of financial control are fully compliant with these Finance Procedure Rules, Financial Procedure Notes, Codes of Practice and financial instructions.
8. These Finance Procedure Rules should be read in conjunction with the Contract Procedure Rules and the Delegation Scheme.
9. The Chief Finance Officer is responsible for maintaining a continuous review of the Finance Procedure Rules and submitting any additions or changes necessary to the full Council for approval. The Chief Finance Officer is also responsible for reporting, where appropriate, breaches of the Finance Procedure Rules to the Council and/or to the Cabinet Members. The Chief Finance Officer is authorised to temporarily suspend Finance Procedure Rules in exceptional circumstances, and where such a suspension is authorised, a written record shall be kept of the reasons for this.
10. A [Chief Officer](#) for the purpose of these Rules has the same meaning as in **Part 2** of this Constitution.

NOTE: The financial regulations do not apply to schools.

Please see the '**Westmorland and Furness LA scheme for the financing of schools**' (PDF 929kb) (including the detailed schools financial regulations) which provide the requirements for schools, relating to those matters where decisions have been delegated to school governing bodies.

- 13.6 Advances for travel and subsistence expenses will only be made in exceptional circumstances to be approved in advance by the Director of Enabler Services.

14 FPR14 – SECURITY AND CONTROL OF ASSETS

The objective of this Finance Procedure Rule is to ensure the proper use and safeguarding of assets owned by the Council or for which the Council has responsibility. This Rule applies to all assets,

Stores

- 14.4 Each Chief Officer shall be responsible for the care and custody of the stocks and stores in their Directorate; these shall not be in excess of normal business requirements.
- 14.5 On a regular basis, at not more than 12 monthly intervals, each Chief Officer shall organise a complete examination of all existing stocks with a view to reducing the number of slow-moving items and disposing of obsolete stock items.
- 14.6 Delivery notes must be obtained in respect of all goods received into store and goods must be checked with both the delivery note and the official order as regards quantity and compliance with specification as soon as practicable thereafter.

- 14.13 Except as agreed by Council, no officer may raise money by securing any legal charge or claim upon the buildings, land or any other asset or interest of the Council. Any contract or legal agreement involving a charge upon assets (of the Council or a contractor) will be forwarded to the Monitoring Officer and the Chief Finance Officer for approval and signature on behalf of the Council.
- 14.14 The Council has adopted a Corporate Landlord approach to the ownership and management of its operational property assets (excluding highways, for which the Director of Thriving Places is responsible). The Corporate Landlord approach means that the ownership of property assets and the responsibility for their management and maintenance is transferred from service directorates to the Corporate Landlord, which is a centralised corporate function.
- 14.15 In this way the Corporate Landlord approach:
 - 14.15.1 enables the Council to utilise its assets to deliver better, more efficient services to our communities;
 - 14.15.2 unlocks the value of assets, seeks efficiencies through joint arrangements with our public sector partners and maximises private sector investment;
 - 14.15.3 ensures the provision of a consistent, corporate and strategic approach to the management of the Council's property portfolio; and
 - 14.15.4 supports the delivery of the Asset Management Plan.

- 15.2 Prior to the award of a grant, Chief Officers in consultation with the Chief Finance Officer, must consider the need for a financial appraisal of the recipient organisation to ensure the company is financially viable.
- 15.3 The award of any loan or guarantee must be approved by the Chief Finance Officer and Chief Legal and Monitoring officer.
- 15.4 The approval of Cabinet (and with approval of the Chief Finance Officer) must be sought before Chief Officer's provide assistance to any third party by way of loan, grant or guarantee of over £150,000 to any one body in any one financial year where it is outside of the already approved budget.
- 15.5 Each Chief Officer shall provide a record justifying the award of the loan, grant or guarantee.
- 15.6 All claims must be correctly certified and submitted only if all conditions are met. The Chief Officer or designated officer is responsible for examining, verifying and certifying grant/benefit payments and certification shall mean that:

 - 15.6.2 the payment is lawful and is in accordance with the Council's policy;
 - 15.6.3 the payment is arithmetically correct;
 - 15.6.4 the grant is within budget provision.
- 15.7 Where grants are made to third parties who subsequently procure any part of the works or services covered by the grant, the grant conditions should require the procurement process to be broadly comparable to those contained with the [Contract Procedure Rules](#) (e.g. competitive process). The conditions in this regard are to be agreed by the Chief Finance Officer.
- 15.8 When making payments for which external funding can be claimed, Chief Officers must be aware of any conditions/obligations laid down by the external funder that the Council must meet (e.g. monitoring of spending) and be satisfied that these conditions/obligations can be and are being met. This includes retaining required records and asset registers as appropriate, and in accordance with FPR14.
- 15.9 Where funding is dependent upon achievement of outputs, such outputs must be evidenced and monitored accordingly.

16 FPR16 – RECORD OF CONTRACTS FOR CAPITAL WORKS

- 16.1 Each Chief Officer shall be responsible for maintaining proper records for all contracts in accordance with the [Contract Procedure Rules](#) and for informing the Chief Finance Officer and appropriate Portfolio Holder where the final cost is likely to exceed the financial provision.

Voluntary and Trust Funds

- 17.1 Voluntary funds and trust funds will be managed and administered in accordance with relevant statutory requirements and the requirements of the other parts of these financial regulations.
- 17.2 The responsible Director and/or trustee/fund managers will ensure that the [Chief Finance Officer](#) is notified of the establishment of any fund which the Council is to act as trustee or otherwise manage. The processes and information to be notified will be determined by the Chief Finance Officer.
- 17.3 If it is not apparent from the trust deeds or approved otherwise by the trustees, the Chief Finance Officer will act as Treasurer of that voluntary fund or trust fund.
- 17.4 Where the funds are external to the Council and the operating and/or provision of services and/or facilities involve the Council or its officers, [Chief Officers](#) will ensure that in advance of such arrangements that legal (from the Chief Legal and [Monitoring Officer](#)) and financial advice (from the Chief Finance Officer) is obtained, and the respective responsibilities of the Council and the trust are clarified and formally agreed.

Accountable Body arrangements

- 17.5 Cabinet is responsible for the approval of the Council to take on accountable body responsibilities. Accountable Body arrangements involve the Council accepting responsibility for the obligations set out in terms of any funding granted to a third party. Accountable Body arrangements are different to those where the Council acts as grant recipient of funding for an activity it is solely responsible for.
- 17.6 The following are the minimum requirements for the Cabinet to make a decision about taking on accountable body responsibilities:
 - 17.6.1 Terms of the funding agreement (where known)
 - 17.6.2 Description of arrangements for allocation of funding
 - 17.6.3 Description of applicable financial and audit procedures
 - 17.6.4 Risk assessment/management plan relevant to the Council acting as Accountable Body.
 - 17.6.5 Recovery of costs incurred by the Council acting as accountable body

External Funding

- 17.8 Where the Council bids for revenue or capital external funding (either directly or as the accountable body) the decision to apply / bid for the funding is the responsibility of the Chief Officer in consultation with the relevant Portfolio Holder, Leader of the Council, Finance Portfolio holder and Chief Finance / Section 151 Officer
- 17.9 Successful applications/bids will be reported to Cabinet and associated expenditure will be included in the revenue budget and/ or capital programme.
- 17.10 Where the Council is providing match funding to support projects / funding applications by other organisations, and these organisations request the Council's support for a project which they are pursuing, the responsibility for approving the Council's support is the relevant Chief Officer in consultation with the relevant [Portfolio Holder](#), [Leader](#) of the Council, Finance Portfolio holder and Chief Finance / Section 151 Officer.

- 17.11 In respect of any external funding arrangements, whether the Council is the accountable body or not, it is the responsibility of the relevant Chief Officer, in consultation with the Chief Finance Officer to ensure that adequate financial management arrangements are in place prior to entering the Council into an external funding arrangement. The processes to ensure adequate financial management arrangements will be determined by the Chief Finance Officer and must be consistent with the terms and conditions of the funding agreement.
- 17.12 The Chief Finance Officer is responsible for ensuring that all funding notified by external bodies is received and properly recorded in the Council's corporate financial systems, and Chief Officers are responsible for providing the Chief Finance Officer with all necessary information to enable this to be achieved.
- 17.13 Where the Council receives grants (revenue or capital) or external funding from outside bodies (usually, but not restricted to government departments) in the absence of a bidding process, the requirements of paras 17.8 – 17.10 do not apply. This grant income / external funding is usually subject to clear grant notifications and directions and will be included in the annual Budget Report to Council or reported in year to Cabinet through the regular budget monitoring reports as applicable.
- 17.14 Where external organisations bid for resources from the Council, in addition to the above, it is essential to ensure that the Council's resources are not committed to pursue the priorities of another body (which may not coincide with the Council's aims and priorities, approved by the policy framework) unless the matter has first been properly evaluated, considered and approved.
- 17.15 If any Elected Member or Officer is involved with an external organisation that is bidding for Council funding, they must declare their interest and withdraw from any involvement in the decision-making process.
- 17.16 It is the responsibility of Chief Officers, in consultation with Finance, to ensure that adequate financial management arrangements are in place prior to entering the Council into a strategic and commercial contract or partnership arrangements. The processes to ensure adequate financial management arrangements will be determined by the Chief Finance Officer

Note the [Contract Procedure Rules](#) at **Part 3 Section 7** of this Constitution should also be read in conjunction with this section.

Part 3 – Section 7 – Contract Procedure Rules

1 INTRODUCTION

- 1.1 This part of the Constitution sets out the Council's rules for buying goods, services and works on behalf of the Council and disposing of some types of property. In this document they are referred to as the "CPRs".
- 1.2 These CPRs meet the requirement that a local authority shall make standing orders with respect to the making by them or on their behalf of contracts (including Relevant Contracts as defined in these CPRs) for the supply of goods and materials or for the execution of works for the purposes of section 135 of the Local Government Act 1972.
- 1.3 The Council has a duty to secure continuous improvement in the way it delivers services, with a clear regard for the economy, efficiency, and effectiveness. The CPRs explain how the Council will deliver against these criteria and sets out the required approach for procurement and contracting with third parties on behalf of the Council, for the purchase of Supplies, Services and Works.
- 1.4 These CPRs are designed to assist the Council in complying with relevant legislation and to:
 - 1.4.1 Ensure the public purse is managed in a proper and responsible fashion and in a way which will promote value for money; and
 - 1.4.2 Act as a safeguard for the Council and its officers against any allegations of dishonesty and corruption.
- 1.5 Responsible Officers of the Council (also referred to in these CPRs as 'officers' or 'responsible officers') must have regard to the Council's Procurement Cycle, Procurement Strategy and Commissioning Strategy and/or any replacement of such strategies from time to time in force. In these CPRs this is referred to as "the Guidance".
- 1.6 A glossary of key terms is at section 8 of these CPRs

2 SCOPE OF THE CPRS

- 2.1 The Council is a Contracting Authority/Relevant Authority for the purposes of Procurement Legislation and is therefore legally bound to comply with certain practices and procedures in the award of Relevant Contracts to which the Procurement Legislation applies.
- 2.2 The CPRs apply whenever the Council is commissioning or procuring Supplies, Services or Works, or disposing of Assets.
- 2.3 These CPRs form part of the Council's Constitution and compliance with them by all officers is mandatory. The risk of non-compliance with the Procurement Legislation is significant and can include the award of damages against the Council and Relevant Contracts being set aside.

Officer Responsibilities

- 2.4 Subject to any overriding legal obligation, officers and any third parties instructed by the Council, must comply with the CPRs when commissioning and/or procuring Supplies, Services or Works, disposing of Assets and making decisions about these matters.
- 2.5 Officers who instruct third parties to procure Relevant Contracts must provide the third party with the Council's Code of Conduct for Employees and a copy of the CPRs.
- 2.6 Officers and relevant third parties responsible for commissioning, procurement and disposal of Assets must in addition comply with other relevant parts of the Constitution, such as the

[Access to Information Procedure Rules](#) and the [Finance Procedure Rules](#), and with all applicable laws.

- 2.7 Officers must take all legal, procurement, financial, technical and other advice that they need to ensure they comply with the law and the Council's rules and policies and that the procurement method and contract are fit for purpose.
- 2.8 Officers must comply with measures put in place by the Council to prevent, identify and remedy conflicts of interest which arise during the conduct of procurement. In particular:
- 2.9 Officers must comply with the [Officers' Code of Conduct](#) when conducting a procurement exercise.
- 2.10 Officers must comply with section 117 of the Local Government Act 1972 by declaring in writing any personal interest in a Relevant Contract to the Section 151 Officer.
- 2.11 Officers must not accept any gift or hospitality from any Candidate for any Relevant Contract being procured by the Council and to do so is a disciplinary offence. Officers must inform the Section 151 Officer if offered a gift or hospitality during a Tender Process.

Application of these CPRs

- 2.12 Unless subject to an Exemption, as set out below in section 3, these CPRs apply to all Relevant Contracts.
- 2.13 Every Relevant Contract made by or on behalf of the Council shall comply with the provisions and principles of Procurement Legislation and all other applicable principles and provisions, domestic legal requirements, and the CPRs and Financial Rules. In the event of any inconsistency between the provisions of the CPRs and any legal requirement then the legal requirement shall prevail.
- 2.14 Corruption is a criminal offence. All officers who procure, let, manage or supervise contracts must act in accordance with the highest standards of propriety and ensure adequate records are kept.
- 2.15 Failure to comply with any of these CPRs may be considered a breach of the Code of Conduct for Employees and may result in disciplinary action and legal proceedings against the officers or third parties concerned. No officer shall take any steps or fail to take steps to knowingly or recklessly seek to avoid the CPRs.
- 2.16 Any officer who fails to follow the CPRs may lose the protection of the indemnity given to employees of the Council and therefore may have personal liability for a Relevant Contract or any losses.
- 2.17 Where it becomes apparent that there is a potential failure to comply with the CPRs and, or, the Procurement Legislation, the requirements of paragraphs 16.1 to 16.11 are to be complied with.
- 2.18 A Relevant Contract includes a contract for the appointment of consultants.
- 2.19 A Relevant Contract procured on behalf of or by any organisation which is in receipt of funding for which the Council is the Accountable Body is also a Relevant Contract under these CPRs.
- 2.20 Local Authority Maintained Schools are expected to comply with these CPRs.

3. EXCEPTIONS TO THESE CPRs

- 3.1 The CPRs do not apply to Relevant Contracts or spend that are removed from the application of the Procurement Legislation. Examples of the following arrangements, to the extent that this complies with the law, are set out below:
 - 3.1.1 Contracts of employment which make an individual a direct employee of the Council.
 - 3.1.2 Agreements for the acquisition, disposal or transfer of land/buildings which do not form part of a wider transaction under which the Council also procures Supplies, Services or Works (for which see Appendix below).
 - 3.1.3 Grant Funding which the Council may receive or award, except as otherwise provided for in the Procurement Legislation.
 - 3.1.4 Contracts for an educational or care placement for a specific individual where the relevant Director considers such placement to be in the best interests of the individual.
 - 3.1.5 Contracts for care services to be provided to a specific individual household where the relevant Director considers such a contract to be in the best interests of an individual.

 - 3.1.7 Contracts for the provision of exempt legal services;
 - 3.1.8 Any contracts between the Council and a company that is controlled by it (sometimes referred to as a Teckal company);
 - 3.1.9 Any contracts between the Council and a company that is jointly controlled by the Council with another Contracting Authority; or
 - 3.1.10 Any arrangement entered into by two or more authorities with the aim of achieving objectives the authorities have in common in connection with the exercise of their public functions, which are solely in the public interest, in which no more than 20% of the activities contemplated by the arrangement intended to be carried out other than for the purposes of the authorities' public functions.
 - 3.1.11 Any contract of employment or loans or the sale, issue or purchase of any shares or other similar financial asset;

For the purposes of paragraphs 3.1.4 and 3.1.5 contracts are only exempt from these CPRs if the aggregate value of contracts awarded to a single provider does not exceed the relevant Procurement Threshold².

- 3.2 Advice must be sought from Legal Services and the Assistant Director Commissioning and Procurement where spend is considered to be exempted from the application of Procurement Legislation.
- 3.3 In addition to the above, the CPRs do not apply to:
 - 3.3.1 contracts below the relevant Procurement Threshold which are required in circumstances of extreme emergency such as an immediate danger to life or property; and
 - 3.3.2 Relevant Contracts above the relevant Procurement Threshold which are procured using the negotiated procedure without prior publication under Procurement Legislation except insofar as compliance is required.

² Procurement Policy Note 11/23 – New Thresholds (HTML) – GOV.UK – Supplies & Services £214,904, Works £5,372,609, Light Touch Regime for Services £663,540 (correct as at Feb 2025)

In both these circumstances relevant Director, following advice from the Chief Legal & Monitoring Officer and the Assistant Director Commissioning and Procurement is authorised to take appropriate action and must report such action and the expenditure incurred to the next meeting of the Cabinet.

4. PRINCIPLES OF PROCUREMENT

- 4.1 For all procurement exercises conducted by the Council, irrespective of value, the following objectives will be followed:
 - 4.1.1 The objectives as set out in the Guidance;
 - 4.1.2 The Council's contracts will deliver value for money.
 - 4.1.3 The Council will procure to maximise the public benefit.
 - 4.1.4 The Council will share information for the purpose of allowing suppliers and others to understand the Council's procurement policies and decisions.
 - 4.1.5 The Council will act, and be seen to act, with integrity, transparency and proportionality.
 - 4.1.6 The Council will treat suppliers the same, unless a difference between the suppliers justifies different treatment.
- 4.2 Where one or more of the above objectives cannot be followed, the justifications for this and any mitigations to be taken will be recorded in the Officer Decision Record or report.
- 4.3 The optimum use of the Council's purchasing power must be made by aggregating purchases and through the use of different Procurement routes to the market and Relevant Contracts. Where there is an existing approved contract or Procurement option in place then this should be used in the first instance for purchasing Works, Services and Supplies.

Social Value

- 4.4 Social value considers the wider economic, community or environmental benefits than can be generated through how the Council delivers its activity and services, including when procuring goods, works or services from the Council's suppliers. These benefits can be measured through financial and non-financial metrics and can encompass the entire supply chain.
- 4.5 All officers undertaking procurement activity shall have regard to the requirements of the Council's Social Value Statement. By leveraging how the Council procures goods and services, the Council can create the maximum benefits for administrative area of the Council. The Council's suppliers will not just be expected to deliver additional benefits, but to measure and report against these too.

5. TRANSITIONAL ARRANGEMENTS

- 5.1 There are a series of transitional and saving arrangements which determine which legislation applies to the Council's procurement activities.

- 7.2 The decision to commence a procurement exercise is not deemed to be a Key Decision unless the decision forms part of and is taken at the same time as a decision that will result in a change to service provision which will have a significant effect on two or more wards of the Council.
- 7.3 The award of a Relevant Contract which is a Key Decision must adhere to the [Access to Information Procedure Rules](#) relating to Key Decisions set out in Part 3, Section 3 of this Constitution.

- 7.4 Where contractual spend would not involve a Key Decision, the relevant delegated officer must approve the commencement of a Tender Process in accordance with the section 11 of these CPRs. It is the responsibility of the delegated officer to record the decision on the Council's Officer Decision Record or report system, where required by the Scheme of Delegation to Officers.
- 7.5 In accordance with section 13 of these CPRs, the delegated officer must approve the award of a Relevant Contract on the satisfactory completion of the Tender Process prior to entering into a Relevant Contract or notifying any person or organisation of the Council's intention to award a Relevant Contract. The same delegated officer shall ensure the relevant Cabinet Member is informed, where required in accordance with the Access to Information and Procedure Rules. The decision must be recorded in an Officer Decision Record or report.
- 7.6 In respect of Relevant Contract awards which are not Key Decisions, the Responsible Officer must comply with the requirements set out in section 21 of the Access to Information Procedure Rules at Part 3, Section 3 of the Council's constitution.
- 7.7 All ICT procurements must be undertaken with the involvement of ICT Services.

8 STEPS PRIOR TO PROCUREMENT / TENDER PROCESS

Common Requirements

- 8.1 The Responsible Officer must check whether there is a suitable existing contract, internal Framework Agreement or collaborative agreement before seeking to procure another contract. Where a suitable arrangement exists, this must be used unless there is a compelling legal or financial reason not to.
- 8.2 Subject to 8.1 the Responsible Officer may use any appropriate procurement procedure which is permitted by these CPRs or by The Procurement Legislation. Where The Procurement Legislation applies, the Responsible Officer must use a procurement procedure which complies with The Procurement Legislation, seeking advice from the Assistant Director Commissioning and Procurement.
- 8.3 The Responsible Officer must consider the implications of the public sector equality duty under the Equality Act 2010; and (in respect of Services) of the Public Contracts (Social Value) Act 2012; and whether the proposed Relevant Contract requires prior consultation under the "best value" requirements of the Local Government Act 1999 or for any other reason.
- 8.4 The Responsible Officer must consider whether, and if so how, social, economic or environmental issues could be addressed through the Relevant Contract. Social, economic and environmental issues may be addressed through procurement where what is sought to be achieved is relevant and proportionate to the subject matter of the Relevant Contract.

Contract Value

- 8.5 It is important to properly estimate the Total Value of a Relevant Contract on the basis that different rules apply depending on the nature and value of a Relevant Contract.
- 8.6 The estimated Total Value of a Relevant Contract shall be the Total Value of the Relevant Contract inclusive of VAT, unless VAT exempt or "zero rated". This is the total consideration estimated to be payable over the full term of the Relevant Contract by the Council to the supplier, including any extensions of the term, or where there are options to supply additional Works, Supplies or Services.
- 8.7 Where the Relevant Contract is one where the benefit to the supplier is made up entirely or in part from benefits other than simple monetary payment (such other benefits may include but are not limited to concessions, options, licences or more generally exposure to other opportunities or funding streams) from the Council, a best estimate of the total financial value should nonetheless be ascertained and this should be treated as the relevant Relevant

Contract value for the purposes of the application of the remainder of this section 8 and section 9 .

- 8.8 Where, in relation to Contracts for Services, the Contract period or Total Value of the Contract is indefinite or uncertain, it shall be assumed that the Contract will be above the Procurement Threshold.
- 8.9 Where the Contract has an option to extend, then the proposed extension period must be included in determining the Total Value and as recorded in the original decision record.
- 8.10 The estimated value of a Framework Agreement is the Total Value of all the Relevant Contracts which could be entered into by the Council (and other Contracting Authorities if appropriate) over the duration of the Framework Agreement. In the case of a Relevant Contract awarded under an Open Framework, the value of the Framework Agreement is to be treated as including the value of all of the Relevant Contracts awarded, or to be awarded under the Open Framework.
- 8.11 In the case of supply/goods Relevant Contracts which are regular in nature (i.e. a series of similar individual purchases throughout the year), there is a requirement to aggregate these and assess their value on the basis of spend over the preceding 12 months or, where such data is unavailable, the estimated value over the 12 months following the first delivery under the Contract to be procured; and this calculation is to be used as the Relevant Contract value for the purposes of the application of these CPRs.
- 8.12 Purchases of the same or similar nature must be aggregated wherever practicable and it is unlawful to deliberately disaggregate purchases so as to avoid the application of Procurement Legislation.
- 8.13 For Relevant Contracts above the Procurement Threshold, purchase requirements should be lotted where appropriate so as to attract the interest of SME and VCFS organisations. Where this is not practicable the justification for the decision must be recorded on any associated report and/or procurement plan.
- 8.14 Where purchase requirements are lotted, the estimated value of Relevant Contracts should be the estimated value of all lots envisaged for the total term.
- 8.15 Whatever method is used for the calculation of the estimated Relevant Contract value, this must not be made with the deliberate intention of excluding that Relevant Contract from the scope of the application of Procurement Legislation.
- 8.16 For the avoidance of doubt, Relevant Contracts relating to the leasing, hire, rental or hire purchase and Relevant Contracts for concessions are subject to the provisions of these PCRs.

Market Consultations

- 8.17 Before commencing a procurement exercise, in accordance with the Procurement Legislation, the Responsible Officer may consult with the market with a view to preparing the procurement exercise and informing contractors of the Council's procurement plans and requirements.
- 8.18 In carrying out market consultations, the Responsible Officer may seek advice from independent experts, authorities or from market participants and use this in planning and conducting the procurement exercise provided that it does not have the effect of distorting competition, result in discrimination or breach the principle of transparency. The prior written approval of the Assistant Director Commissioning and Procurement must be sought before seeking advice from anyone who may have a commercial interest in the Relevant Contract to which the procurement exercise relates.

9. ROUTES TO THE MARKET

Approved Lists

- 9.1 Approved Lists are lists of suppliers who meet the Council's minimum technical and financial standards for the types of Relevant Contract.
- 9.2 The Assistant Director Commissioning and Procurement, following consultation with the Chief Legal & [Monitoring Officer](#), may establish an Approved List of suppliers of Supplies, Services or Works, where the Council requires to make recurrent, low value, transactions of a similar type which must be priced individually and cannot be aggregated into a single procurement exercise.
- 9.3 Any request for approval must specify:
 - 9.3.1 The business case for establishing an Approved List;
 - 9.3.2 The proposed duration of the Approved List;
 - 9.3.3 The maximum spend using the Approved List; and
 - 9.3.4 The method of procurement of and from the Approved List.
- 9.4 All Approved Lists must be openly advertised to potential suppliers and must remain open for their duration to permit new suppliers to join. 9.5 An Approved List may not be used to procure Supplies, Works or Services with an aggregated value in excess of the Procurement Threshold.

Framework Agreements, Dynamic Purchasing Systems and Dynamic Markets

- 9.6 Framework Agreements are agreements with one or more suppliers for the provision of Supplies, Services or Works on agreed terms for a specified period, for estimated quantities against which orders may be placed if and when required. Once established "Call Offs" from the Framework Agreement may be conducted by mini competition or by direct call off, according to the terms of the Framework Agreement.
- 9.7 Where a Framework is established with a Total Value exceeding the Procurement Threshold, the Procurement Legislation must be followed and advice must be sought from Legal Services and the Assistant Director Commissioning and Procurement.
- 9.8 An Open Framework pursuant to the Procurement Act 2023 is a scheme of frameworks that provides for the award of successive frameworks on substantially the same terms. The Open Framework must provide for the award of a framework at least once during the first three-year period and each period of five years beginning with the day of award of the next. An Open Framework may only be concluded after 24 February 2025.
- 9.9 A Dynamic Market pursuant to the Procurement Act 2023 is a list of suppliers who have met the Council's conditions of membership and whom may be awarded an above Procurement Threshold contract via the competitive flexible procedure. New suppliers can join the Dynamic Market at any time during its operation. A Dynamic Market may only be established after 24 February 2025.
- 9.10 A Dynamic Purchasing System, procured pursuant to the Public Contracts Regulations 2015, is an electronic system of pre-qualified suppliers, for commonly used purchases from which Contracting Authorities can invite tenders. New suppliers can join the Dynamic Purchasing System at any time during its operation.
- 9.11 It may be the case that the applicable procurement option itself is not a Relevant Contract, but the procurement to establish this option will still be subject to Procurement Legislation, save where the subject matter of the procurement is exempt from their application. All procurement options established by the Council are required to be in writing.
- 9.12 The Council may set up its own contracting arrangements or may use contracting arrangements set up by other Centralised Procurement Authorities.

- 9.13 All purchases made via a Centralised Procurement Authority must have the prior approval of Legal Services and the Assistant Director Commissioning and Procurement. This is to ensure that the proposal has been compliantly procured in accordance with these CPRs and the Procurement Legislation, and the rules of use of the proposed contracting arrangement are adhered to.
- 9.14 Without prejudice to the requirements set out in section 11 of these CPRs, the use of Procurement options which have been approved in accordance with paragraph 9.13 are deemed to comply with these CPRs and no waiver will be required.
- 9.15 For the purposes of determining whether the value of a proposed Framework Agreement or Open Framework is such as to attract the application of Procurement Legislation, please refer to paragraph 8.5 above.
- 9.16 For the avoidance of doubt, the use of select lists, preferred providers or approved providers shall, for the purposes of these CPRs, be treated as a Procurement route to the market and shall therefore require compliance with these CPRs.

Duration

- 9.17 A Framework Agreement shall not exceed 4 years' duration without prior approval of the Assistant Director of Commissioning and Procurement in consultation with the Monitoring Officer, which will only be given in exceptional circumstances where justified by the subject matter of the Framework Agreement.
- 9.18 Framework Agreements set up for Light Touch Services and Dynamic Markets do not have a maximum term but must be set for an appropriate duration taking into account the subject matter.
- 9.19 The maximum duration of an Open Framework is 8 years.
- 9.20 Save as set out below, there is no restriction on the duration of a call-off Relevant Contract, but the duration must not be determined in a manner that distorts or restricts competition.
- 9.21 The transitional and saving regulations³ set out that any Dynamic Purchasing System established under the previous legislation must come to an end as set out when they were established, or by 23rd February 2029 (four years after the new regime comes into effect), whichever is earlier. Any Relevant Contract awarded under such an arrangement will continue until it comes to an end and be managed by the previous legislation (even if the Dynamic Purchasing System).
- 9.22 The regulations restrict the ability to extend a Dynamic Purchasing System awarded under the previous legislation (see, for example, as might arise under PCR regulation 34(28)) by providing that any dynamic purchasing system extended after the Procurement Act 2023 comes into force can only be extended in the first 12 (twelve) months after the Procurement Act 2023 comes into force and cannot be extended beyond 23rd February 2029.

Collaborative Procurement Arrangements

- 9.23 The Council may enter into collaborative procurement arrangements with other local authorities, government departments, public bodies or public service purchasing consortia and may use framework agreements or lists of pre-qualified contractors established by such bodies.
- 9.24 Responsible Officers proposing to use such arrangements must ensure that they have been established in a way which complies with the law. In particular where the Procurement

³ The Procurement Act 2023 (Commencement No.3 and Transitional and Saving Provisions) Regulations 2024

Legislation applies the collaborative agreement must comply with them, the Council must be among the bodies named in the Find a Tender notice as having access to the arrangements and there must be scope in the arrangement to permit its lawful use for the purposes proposed.

Partnership Arrangements including Shared Services and Joint Commissioning

- 9.25 Where the Council enters into a Partnership Arrangement with another organisation or other organisations, agrees to act as Accountable Body, or enters into a shared service arrangement, the governance arrangements must include procurement and contract arrangements if any procurement will be undertaken.
- 9.26 Where the Council is the Lead Body or the Accountable Body for any arrangements, these CPRs should be included in the arrangements and followed as a minimum.
- 9.27 Before the Council agrees to enter into a Relevant Contract on behalf of another organisation, the Responsible Officer must obtain written agreement from that organisation that it will provide sufficient funding and take any other action necessary for the Council to meet its obligations under the contract on behalf of that organisation.
- 9.28 Where the Council is not the Lead Body or the Accountable Body, the other organisation's tendering rules should be followed provided that they comply with the law.

Rolling Contracts

- 9.29 Where it is proposed to procure a Relevant Contract on terms which will provide for renewal on a "rolling" basis, the Responsible Officer must make a reasonable estimate of the term of the Relevant Contract in order to estimate the Total Value so as to ensure compliance with these CPRs and to obtain a decision to proceed to Procure and enter into the written agreement. .
- 9.30 If during the term of the Relevant Contract it appears that the estimated Total Value, or the value at which the decision to award was made, may be exceeded by anticipated further renewals the officer responsible for managing the contract must refer the matter to the Assistant Director Commissioning and Procurement who must review the position in consultation with the Chief Legal & Monitoring Officer so as to ensure compliance with these CPRs

10 EXEMPTIONS FROM THESE CPRs

- 10.1 The Assistant Director Commissioning and Procurement is authorised to approve Exemptions from the CPRs, following consultation with the Chief Legal & Monitoring Officer.
- 10.2 The Assistant Director Commissioning and Procurement may not approve a request for an Exemption that would result in a breach of the Procurement Legislation in respect of a Relevant Contract to which these CPRs apply.
- 10.3 The Exemption must be approved before any alternative procedure not wholly in accordance with these CPRs is followed.
- 10.4 The request for Exemption must state from which of the requirements of the CPRs Exemption is requested and give reasons for the request.
- 10.5 Examples of circumstances in which it may be appropriate to request an Exemption include but are not limited to:
 - 10.5.1 Supplies of goods where the Council's best interests will be served by purchase through auction and the Director has agreed an upper limit for bids.

- 10.5.2 There is only one contractor in the market relevant to the Supplies, Services or Works who is suitable to provide the Supplies, Services or Works required.
- 10.5.3 The Council's need for the Supplies, Services or Works is so urgent that compliance with these Rules would in the judgement of the Director prejudice the Council's interests. For example, extreme emergency would include an immediate danger to life or property.
- 10.6 Given the specialist nature of the roles and the market, these CPRs provide an exemption, in relation to the appointment of Independent Investment Advisers and Shareholder Advisers to the Pension Fund (where the Relevant Contract value is below the Procurement Threshold) from the requirement set out at section 11 (below).
- 10.7 The Assistant Director Commissioning and Procurement will keep a record of all Exemptions approved.

11 AUTHORISATION TO START PROCUREMENT

- 11.1 The persons or bodies authorised to approve the start of a procurement exercise are set out in the table below:

Estimated Total Contract Value	Decision Maker
£0 - £500,000	Assistant Director
Call offs of a value £0 - £500,000 from an approved Framework Agreement, DPS or Dynamic Market	Assistant Director

12 PROCUREMENT OF CONTRACTS

Common Requirements

- 12.1 In conducting any procurement exercise, the Council must treat all economic operators equally and without discrimination and must act in a transparent and proportionate manner.

12.2 Electronic procurement using the e-tendering portal (The Chest) must be used for all tenders and quotations unless authorisation to use an alternative method has been given by the Assistant Director Commissioning and Procurement.

12.3 The Responsible Officer must consult the Assistant Director Commissioning and Procurement on the appropriate procurement procedure and route to the market. The Responsible Officer must have regard to the Guidance.**Identifying Potential Candidates/Suppliers**

12.4 Where a Relevant Contract is being procured the minimum procurement process and rules for inviting Candidates are as follows.

Procurement type*	<i>De minimis</i> <u>One</u> verbal quotation to be confirmed in writing	Threshold 1 Seek a minimum of <u>two</u> written quotations	Threshold 2 Seek a minimum of <u>three</u> written quotations**	Threshold 3 Conduct an open competition
Supplies	Less than £2k	£2,001k - £50k	£50,001 to Procurement Threshold	Greater than Procurement Threshold
Services	Less than £2k	£2,001k - £50k	£50,001 to Procurement Threshold	Greater than Procurement Threshold
Works	Less than £2k	£2,001k - £50k	£50,001 to Services Procurement Threshold	Greater than Services Procurement Threshold***

* Where it is proposed to procure using an already established, whether by the Council or a Centralised Procurement Authority, Framework, Open Framework, DPS or Dynamic Market, the requirement to obtain the necessary oral or written quotation may be excluded subject to the Responsible Officer having satisfied a value for money process and complied with the reporting requirements as set out in these CPRs.

** In the event that a minimum of three legitimate quotes have been demonstrably sought but not received within a reasonable timescale it is considered that the CPRs have been complied with.

*** If seeking open competition is not feasible in the circumstances, where the Relevant Contract value is below the works Procurement Threshold in the Procurement Legislation, a three quote process may be undertaken, provided that the reasons for not undertaking an open competition are recorded by the relevant officer on the Council's central decision recording system.

12.5 The table below outlines the Council's requirements in terms of whom shall be responsible for undertaking the required procurement activity.

Threshold	Who Undertakes Procurement Activity
<i>De Minimis</i> and Threshold 1	The relevant commissioning service area.
Threshold 2	The Procurement and Contract Management Service under instruction from the commissioning service area, or The commissioning service area with prior agreement from the Procurement and Contract Management Service.
Threshold 3	The Procurement and Contract Management Service under instruction from the commissioning service area.

- 12.6 Where a Relevant Contract with a value above £30,000 is advertised the Responsible Officer must also publish information on Contracts Finder in accordance with the procedure in the Procurement Legislation, before it is advertised anywhere else. The responsible officer should provide the relevant details to the Assistant Director Commissioning and Procurement prior to advert to ensure this is complied with.
- 12.7 The Local Government Transparency Code requires the publication of details of any contract, commissioned activity, purchase order, framework agreement and any other legally enforceable agreement with a value that exceeds £5,000.
- 12.8 The Council's standard terms and conditions must be utilised for all contracting opportunities below £50,000, unless the Relevant Contract concerns an ICT requirement or relates to Works. Where the Relevant Contract concerns an ICT requirement on supplier terms and conditions, advice must be sought from Legal Services. Where the Relevant Contract is for Works or the value is £50,000 or more, advice must be sought from Legal Services as to the form of written agreement to be entered into.
- 12.9 The number of quotes indicated in the table above represent a minimum requirement. It is strongly recommended that more than the minimum number of quotes are obtained to enhance competition. Forward planning and engagement with the marketplace will help to ensure maximum value is achieved.
- 12.10 Unless the value of the procurement activity exceeds the relevant Procurement Threshold, the Council will endeavour to provide a minimum of 10 days for suppliers to respond to a Tender Process.
- 12.11 In setting the procurement timeframes, whether or not the Procurement Legislation applies, the Council will consider, amongst other factors:
- 12.11.1 The nature and complexity of the Relevant Contract being awarded;
- 12.11.2 The need for site visits, physical inspections and other practical steps;
- 12.11.3 The need for sub-contracting;
- 12.11.4 The nature and complexity of any amendments made to the Council's requirements during the procurement activity; and
- 12.11.5 The importance of avoiding unnecessary delay.

Selection and Award Criteria for Tenders

- 12.12 In accordance with the applicable Procurement Legislation, the Officer must use appropriate criteria to select Candidate/Suppliers (where a two- stage Tender Process is used) and also to award the Relevant Contract.
- 12.13 The Responsible Officer must ascertain the standards necessary to properly define the subject matter of the Relevant Contract, having regard to any relevant industry standards. 12.14 The Responsible Officer must define the award criteria that are appropriate to the procurement in order to secure value for money. The criteria must be one of the following:
 - 12.14.1 Lowest Price;
 - 12.14.2 Highest Price: where payment is to be received by the Council); or
 - 12.14.3 MEAT (Most Economically Advantageous Tender): where considerations other than price also apply in accordance with the Procurement Legislation.

Invitations to Tender

- 12.15 An invitation to tender must state that the Council reserves the right to reject a tender that is not received by the date and time stipulated in the invitation to tender. A tender which contravenes the requirements as to date and time for submission must not be considered without the prior approval of the Assistant Director Commissioning and Procurement and Chief Legal & Monitoring Officer.
- 12.16 All invitations to tender must include the following:
 - 12.16.1 A specification to describe the Council's requirements in clear sufficient detail to enable the submission of competitive offers.
 - 12.16.2 The Relevant Contract terms and conditions unless emphatic market practice is that supplier's terms are used, in which case the requirement is that they are supplied as part of the tender and Legal Services must be instructed prior to any agreement to contract on supplier terms.
 - 12.16.3 A requirement for tenderers to declare that the tender content, price or any other figure or particulars concerning the tender have not been disclosed by the Candidate/Supplier to any other party (except where the disclosure is made in confidence for a necessary purpose).

 - 12.16.6 A description of the Award Procedure and unless defined in a prior advertisement a definition of the Award Criteria. Where the criterion of MEAT or MAT is used, it must be further defined by reference to sub-criteria which may only refer to considerations relevant to the award of the Relevant Contract. Award criteria must be defined in objective terms and wherever possible in descending order of importance.
 - 12.16.7 A notice stating that the Council is not bound to accept any tender.
 - 12.16.8 A notice stating that the Council is not obliged to enter into a contract as a result of a tender.

Contract Documents

- 12.17 All Relevant Contracts must be in writing.

- 12.18 All Relevant Contracts must as a minimum specify in writing:
- 12.18.1 The Works, Supplies or Services to be supplied.
 - 12.18.2 The price and when it will be paid, including any arrangements for additional expenditure, disbursements etc.
 - 12.18.3 The time or times within which the Supply, Service or Works is to be performed or delivered.
 - 12.18.4 The provisions for the Council to terminate the agreement.

 - 12.19 All transactions must use an appropriate form of written agreement approved by the Chief Legal & Monitoring Officer.
 - 12.20 Legal Services must be instructed prior to the start of a procurement exercise to produce an appropriate form of written agreement where:
 - 12.20.1 The Total Value exceeds £50,000; or
 - 12.20.2 The Relevant Contract is for leasing arrangements; or
 - 12.20.3 The Responsible Officer is proposing to use a Contractor's own terms; or
 - 12.20.4 The Relevant Contract is unusual or complex in any other way.
 - 12.21 The Chief Legal & Monitoring Officer must also be consulted on the terms of any Collaborative agreement or external framework agreement in which the Council is proposing to participate with a view to procuring Supplies, Works or Services.

General

- 12.22 In the event that a low value Relevant Contract carries a disproportionate risk by means of concerning high risk services or service users, or carrying significant reputational, operational or financial risk, advice should be sought from Legal Services and the Assistant Director Commissioning and Procurement prior to any award.
- 12.23 No arrangements for payment in advance shall be entered into unless prior approval from Legal Services and Finance is obtained.
- 12.24 No Relevant Contract shall include an indemnity on behalf of the Council unless prior approval has been sought and obtained from Legal Services, in accordance with Part 3, Section 6 Finance Procedure Rules, any indemnity required to be provided by the Council must be approved by the Chief Legal and Monitoring Officer and Section 151 Officer before the Relevant Contract is entered into.

Further, it shall be a requirement for those Relevant Contracts to contain a minimum of 3 key performance indicators, unless it could be reasonably determined that the supplier's performance under the Relevant Contract could not be appropriately assessed by reference to key performance indicators.
- 12.27 When determining the appropriate duration of a Relevant Contract to be procured, or whether to utilise a valid extension option, it is essential that officers consider not only the immediate financial implications but also the longer-term internal and external costs associated with the potential switching of supplier(s) or solution(s) when the term of the agreement concludes. For the avoidance of doubt, the cost of changing supplier must not be used as a criterion in determining the award of a Relevant Contract.

Bonds and Parent Company Guarantees

- 12.28 The Officer must in consultation with the Assistant Director Finance determine whether any additional security such as a bond or parent company guarantee may be required from the contractor who is awarded the Relevant Contract. If additional security may be required, this must be highlighted in the tender documents, using an appropriate form of words approved by the Chief Legal & Monitoring Officer.

Submission, Receipt, and Opening of Quotes or Tenders

- 12.29 Candidates/Suppliers must be given an adequate period in which to prepare and submit a proper quotation or tender consistent with the complexity of the Relevant Contract requirement and the law. Officers should have regard to policy commitments made in relation to procurement including the Third Sector Compact. Where the Procurement Legislation lays down minimum timescales these must be complied with.
- 12.30 The Responsible Officer is responsible throughout the procurement process for safeguarding its security, confidentiality and integrity.

Evaluation

- 12.31 Apart from the debriefing required or permitted by these CPRs the confidentiality of tenders and quotations and the identity of Candidates/Suppliers must be preserved at all times.
- 12.32 Tenders must be evaluated strictly in accordance with the Award Criteria. During this process the Responsible Officer must ensure that submitted tender prices are compared with any pre-tender estimates and that any discrepancies in tenders are examined and resolved satisfactorily.

Clarification of Tenders

- 12.33 The advice of the Assistance Director of Commissioning and Procurement and Legal Services should be sought in respect of any clarifications during the procurement exercise which it is considered could impact on the integrity of the procurement process, the reputation of the Council or the outcome of the exercise, this includes at any stage of the procurement exercise.

Post Tender Discussions

- 12.34 Discussion with Candidates/Suppliers after the submission of tenders with a view to obtaining adjustments in price, delivery or content must only take place in exceptional circumstances and with the approval of the Assistant Director Commissioning and Procurement and following

consultation with the Chief Legal & Monitoring Officer. Discussion must be conducted by a team of at least two officers.

- 12.35 Post tender discussion of a Relevant Contract procured in accordance with the Procurement Legislation may only be undertaken on the grounds permitted in the Procurement Legislation.

Contract Management

14.4 [Directors](#) are responsible for ensuring that all Relevant Contracts relating to functions for which they are responsible are managed in accordance with a risk and contract management framework appropriate to the risk, value and impact of the contract. Directors are responsible for ensuring that these arrangements are kept up to date for the life of the Relevant Contract.

14.5 For every Relevant Contract managed in their directorate Directors are responsible for appointing a Responsible Officer, at an appropriate level for the risk, value and impact of the Relevant Contract, to manage it. .

14.6 In preparing the risk and contract management arrangements for a Relevant Contract, and managing the Relevant Contract, the Responsible Officer should follow the procedures set out in the Guidance.

14.8 Significant Contracts are defined as those few, but important agreements critical to the Council's business objectives, financial stability and/or reputation, such as:

14.8.1 Contracts critical to the Council's delivery of statutory duties;

15 MODIFICATION OF CONTRACTS DURING THEIR TERM

15.1 On the written application of a Director, the Assistant Director Commissioning and Procurement in consultation with the Chief Legal and Monitoring Officer is authorised to approve modifications to Relevant Contracts during their term. For the avoidance of doubt, a

modification includes an extension to the term or any other variation to the Relevant Contract that has been provided for in the terms and conditions.

- 15.2 Where the Relevant Contract has been procured under the Procurement Legislation it may only be modified if the modification may be made under the Procurement Legislation and is made in compliance with the Procurement Legislation.
- 15.3 Such modifications, changes, awards or amendments that are not compliant with the relevant Procurement Legislation may result in a legal challenge, which if upheld, could result in the termination of the Relevant Contract as well as reputational and financial harm for the Council. Prior to modifying any Relevant Contract, whether in terms of value, duration, scope or otherwise, advice must first be sought from the Assistant Director Commissioning and Procurement and the Chief Legal Services & Monitoring Officer.
- 15.4 Relevant Contracts may only be modified, changed or amended in very limited circumstances and regard should be had to:

- 15.6 The direct award of any contract exceeding the relevant Procurement Threshold must be made in accordance with the justifications set out in the relevant Procurement Legislation.

16. WAIVING THE CONTRACT PROCEDURE RULES

- 16.1 These CPRs are mandatory and must be adhered to at all times. A waiver to these CPRs must only be sought in exceptional circumstances, where it is demonstrated that adherence to these rules would be impractical or would cause a significant impediment to the fulfilment of an urgent or essential need. Such circumstances are rare and must be justified with clear, compelling, and documented evidence that all other procurement avenues have been exhausted or are unviable.
- 16.2 The request for a waiver must be presented in a detailed and structured manner to the relevant officer(s) as determined by the table below, paragraph 16.6, outlining the specific rule from which a waiver is sought, the exceptional circumstances warranting such a waiver, and the anticipated benefits of granting the waiver versus adhering to the established rules.
- 16.3 The decision to grant a waiver will not be taken lightly. The Officer(s) must assess the potential impact on competition, value for money, transparency, and fairness of the procurement process. A waiver may only be granted if it is in the public interest and complies with all relevant laws and regulations, including those pertaining to anti-corruption and fair trading and the Procurement Legislation.
- 16.4 A departure from these CPRs, whether by explicit reference or in principle, will require a waiver. Advice must be sought from Legal Services and the Assistant Director Commissioning and Procurement concerning any request for a waiver.

16.5 A decision to waive these CPRs must be recorded on the Council's central decision recording system and, if applicable, an appropriate notice under the relevant Procurement Legislation issued.

16.6 The table below sets out which officers are authorised to approve a waiver of the CPRs:

Non-compliance

ANNEX

CONTRACT PROCEDURE RULES RELATING TO LAND AND PROPERTY

Introduction

The sale and acquisition of property by the Local Authority will always have a high profile. This is partly because the property in question is often located in the heart of communities and is therefore of considerable importance to those communities.

These Procedure Rules relate to the acquisition and disposal of land and property including freehold interests, leases (and the assignment of leases) and the granting of easements and licences. These Rules must be read and applied in conjunction with the Council's Officer's Scheme of Delegation, the Directors Local Scheme of Authorisation to Officers, the Property Disposal Policy and Community Asset Transfer Policy. The Property Disposal Policy only applies to freehold disposals and long leasehold disposals.

ESTABLISHING AND MANAGING THE SALES PROGRAMME

This will be undertaken in accordance with the Property Disposal Policy.

URGENCY

Sometimes property transactions are urgent.

Where it is considered that it is not reasonably practicable to delay a decision (which is not a key decision) until the transaction has appeared in a plan, other means of informing the relevant Overview and Scrutiny Committee in advance of the decision wherever possible will be followed.

Where it is not possible to involve the Overview and Scrutiny Committee in advance of the transaction, then in these circumstances a record of the decision, including the reasons for urgency, will be provided to the Committee as soon as is reasonably practicable. The Overview and Scrutiny Committee will, by these means, be able to hold the Cabinet Member/Portfolio Holder to account for their judgement in relation to urgency.

If a matter which is likely to be key decision has not been included in the Forward Plan, relevant General Exception and Special Urgency Procedures are set out in the Access to Information Procedure Rules in this Constitution.

SPECIAL PURCHASER STATUS

The status of 'Special Purchaser' will be determined having regard to the definition set out within the RICS Valuation Standards (relevant edition) by a Member of the Royal Institute of Chartered Surveyors (MRICS) within the council's Corporate Assets Team.

When such a transaction is proposed the bid of a special purchaser will either be above the market value because landed interests are being merged or the Council will be better able to pursue a particular policy objective. In either case a negotiated settlement is to be pursued rather than a tender or other competitive process. For special purchase transactions in which the Assistant Director Corporate Assets Fleet and Capital Programme is not minded to accept the special purchaser bid because it is considered to represent an undervalue the section below on Undervalue applies.

Where there is known to be a special purchaser and where the special value of such special purchaser transaction is £250,000 or more:

- A report proposing the use of the special purchaser regime will be submitted to the Cabinet Member/Portfolio Holder with oversight of land and buildings. The Cabinet will take decisions in relation to the special purchase transaction.

- For special purchaser transactions where the special value of such special purchaser transaction is below £250,000, the decision to dispose and its terms will be delegated to the Assistant Director Corporate Assets, Fleet and Capital Programme in consultation with the Cabinet Member/Portfolio Holder with oversight of Assets and Property.

These provisions relating to special purchasers should be read in conjunction with the Property Disposal Policy. This provides, in part, that “In the event that the interested party is a special purchaser the valuation report should clearly set out the value on that basis making it clear that this would be the best price obtainable”.

INTERESTS

The Members' Code of Conduct in relation to declaration of interest applies to property transactions. Members taking decisions (or engaging in policy development or scrutiny) will wish to consider whether the nature of the transaction, the identity of the other party to the transaction and/or the location of the property gives rise to a disclosable pecuniary or other registrable interest..

Interests may arise due to the location of the property being in the area where the elected member resides, being in the electoral division which the member represents, or for some other reason to do with the private or public life of the member.

The Cabinet Member/Portfolio Holder will not use delegated powers in relation to property transactions in their own ward.

LOCAL MEMBER

The programme of sales and property transfers will be forwarded to the three Locality Managers and Locality Board chairs for information and communication to Local Members.

TOWN/PARISH COUNCILS

A copy of the surplus assets for current service needs will be sent to all Town and Parish Councils. The local council where a property transaction is proposed will be informed prior to any public marketing taking place.

VALUATIONS FOR ACQUISITION AND DISPOSAL

All valuations and negotiations shall be the responsibility of the relevant Director responsible for land and buildings (or as delegated). Anyone undertaking the negotiations on their behalf must have appropriate written delegation and must be a qualified Member of the Royal Institution of Chartered Surveyors.

All valuations prepared for the purpose of a transaction must be accompanied by evidence of the values or comparable properties in the locality, or if possible evidence of recent, similar transactions carried out by the Council.

ACQUISITIONS

These Procedure Rules supplement existing arrangements to plan and report proposed acquisitions through the capital programme.

Where a property acquisition is proposed which, for any reason, has not appeared on the capital programme, the relevant Overview and Scrutiny Committee will be given the opportunity to consider the proposal, or if genuine urgency prohibits this, to subsequently receive a report outlining the details of the acquisition.

No purchase of land or property (freehold or leasehold) may be made without the prior approval of an officer delegated to do so by the Council's Constitution and the Director's Local Scheme Financial Scheme of Delegation. In order to do this the information detailed below must be provided for by this officer (reference to purchase includes the acquisition of a licence):

- (a) a complete description of the land or property that is being considered for purchase;

- (b) a full business case (where appropriate and determined by the relevant officer in consultation with the relevant Cabinet Member for land and property) or similar report detailing the reasons for the purchase;
- (c) any information that may affect the value of the property or land, including structural and environmental reports;
- (d) the proposed purchase price or rental value together with evidence of the prices for similar properties in the location (where comparables are available);
- (e) evidence of local member consultation;
- (f) evidence of consultation with the Cabinet Member with oversight of Assets and Property and
- (g) any other terms and conditions (to be determined by the Assistant Director for Corporate Assets, Fleet and Capital Programme).

The officer must retain all of this evidence for six financial years after the acquisition has been completed.

Where a company introduces an investment opportunity to the Council for a fee, this does not require a competitive exercise and is exempt from the Public Contracts Regulations 2015. In this situation the Council is not seeking offers or scoping or specifying a service. The Council is responding to an offer that would otherwise not be available to them.

Disposals

The Council's Disposal Policy sets out the principles and approach by which the Council will dispose of property assets. Disposals for this purpose means those property assets declared surplus to current service needs and to be sold on the open market (excluding service devolution and [disposals of the school estate], housing portfolio and highways infrastructure). The detailed process to be followed for property disposals (and the preliminary steps involved in each decision to dispose) is contained within the Open Market Sales Procedure that is stated in the Council's Property Disposal policy.

If the estimated value (combined value where more than one property is to be disposed of) of the property is greater than £500,000, disposal capital value or aggregate rental value over the term of the lease, a decision on the sale or transfer must be made following the key decision process.

Upon the approval of the Surplus Asset List for current service needs by Cabinet and inclusion in the Capital Programme for approval by Full Council the decision to dispose has been delegated to the Director of Thriving Places.

For disposals under £100,000 these will be classed as operational decisions with a record of the decision being taken.

For all disposals of £100,000 or more an Officer Delegated Decision is required and the rules for publication must be followed

For anything of over £500,000 or anything which has a significant effect on 2 or more wards a key decision will be required and the rules for publications must be followed.

Delegated decisions must take account of the Special Purchaser requirements described above.

The authorisation and granting of leases of over 125 years is reserved to the Cabinet (with the exception of academy leases which will be granted in accordance with statutory requirements).

Prior to a disposal being authorised, the following must be considered:

- a) a complete description of all the land and/or property to be included in the disposal;
- b) confirmation that the title of the land is owned by the Council (or in the case of licences that the Licence is still extant and capable of transfer);
- c) the legal status of the land and the basis on which it was acquired and is now held;
- d) any procedural requirements that may be necessary to dispose of the land and any impediments to development of the land (if relevant);
- e) confirmation that the Council has power to dispose of the land;
- f) the reason for the disposal and any restrictions which this may impose;

- g) a report on any information which is held by the Council on the previous use of the land which may affect its value (e.g. if the site was contaminated);
- h) a report of a professionally qualified valuer as to current market valuation;
- i) evidence of local Member consultation;
- j) recommendations on the following:
 - i) issues that need to be resolved before marketing the land and/or property can commence;
 - ii) the preferred method of disposal (for example, private treaty/public auction/formal or informal tender);
 - iii) the title to be transferred;
 - iv) steps that need to be undertaken to maximise the value of the asset prior to disposal e.g. planning applications;
 - v) a guide price;
 - vi) any other appropriate terms and conditions.

Where it has been decided that the disposal of the land and/or property will be by formal tender, the requirements of the Council's Disposal Policy will be complied with.

Undervalue

Under section 123 Local Government Act 1972, the Council may dispose of Council land subject to a duty to obtain best consideration (other than a tenancy the term of which does not exceed 7 years). However, there may be circumstances where the Council considers it appropriate to dispose of assets at an undervalue (i.e. less than the best consideration that can reasonably be obtained).

Section 128(1) of the Local Government Act 1972 (1972 Act) confers on the Secretary of State power to give a general consent (Consent) for the purposes of land disposals by local authorities carried out under their powers in Part 7 of the 1972 Act. The terms of the Consent mean that specific consent is not required for the disposal of any interest in land which the Council considers will help it to secure the promotion or improvement of the economic, social or environmental well-being of its area. In all cases, disposal at less than best consideration is subject to the condition that the undervalue does not exceed £2,000,000 (two million pounds).

In determining whether or not to dispose of land for less than the best consideration reasonably obtainable, and whether or not any specific proposal to take such action falls within the terms of the Consent, the Council should ensure that it complies with normal and prudent commercial practices, including obtaining the view of a professionally qualified valuer as to the likely amount of the undervalue evidenced by an RICS Red Book compliant valuation. When disposing of land at an undervalue, the Council must fulfil its legal and fiduciary duty in a way which is accountable to local people.

All disposals must also comply with the Subsidy Control Act 2022.

A disposal at an undervalue of £250,000 or more will be a key decision taken by Cabinet, will appear on the Forward Plan.

With the exception of Community Asset Transfers (below) a disposal at an undervalue of below £250,000 is delegated to the Assistant Director Corporate Assets, Fleet and Capital Programme in consultation with the Cabinet Member/Portfolio Holder with oversight of Assets and Property.

Community Asset Transfers (CAT)

When the Council proposes to make a disposal by way of community asset transfer, a RICS Red Book compliant valuation will be carried out to establish the open market value of the land. A community asset transfer will usually involve a disposal of land at an undervalue and a Cabinet decision will be required.

The Assistant Director (Corporate Assets, Fleet and Capital Programme) has delegated authority subject to consultation with the relevant Cabinet Member for Assets to authorise the extension of previously approved leasehold CATs to provide for the furtherance of the Council's CAT objectives or to secure grant funding.

A Community Asset Transfer Group will be established which will include the Assistant Director for Corporate Assets, Fleet and Capital Programme, the Assistant Director for Safe & Strong Communities and the Assistant Director for Community Infrastructure and where required officers from other relevant directorates.

The Community Asset Transfer Group will:

- 8.10.1.1.1 Carry out an assessment of all Community Asset Transfer applications.
- 8.10.1.1.2 Be responsible for declining any applications which do not meet the criteria and making recommendations to Cabinet in respect of any applications which do meet the criteria such recommendations to be made in consultation with the Leader, Cabinet Member for Highways and Assets and Cabinet Member for Sustainable Communities and Localities.

Each application for a Community Asset Transfer will be assessed on its own merits in the context of the framework set out in the CAT policy.

Any decision to approve a Community Asset Transfer will be reserved for Cabinet with exception to the extension of previously approved leasehold CATS to provide for the furtherance of the Council's CAT objectives or to secure grant funding.

 - (iii) any representations from the relevant officer.

Part 4 – Section 1 – Code of Conduct for Councillors

Definitions

For the purposes of this Code of Conduct, a “councillor” means a member or co-opted member of a local authority or a directly elected mayor. A “co-opted member” is defined in the Localism Act 2011 Section 27(4) as “a person who is not a member of the authority but who

- a) is a member of any committee or sub-committee of the authority, or;
- b) is a member of, and represents the authority on, any joint committee or joint sub- committee of the authority;

and who is entitled to vote on any question that falls to be decided at any meeting of that committee or sub-committee”.

For the purposes of this Code of Conduct, “local authority” includes county councils, district councils, London borough councils, parish councils, town councils, fire and rescue authorities, police authorities, joint authorities, economic prosperity boards, combined authorities and National Park authorities.

Purpose of the Code of Conduct

The purpose of this Code of Conduct is to assist you, as a councillor, in modelling the behaviour that is expected of you, to provide a personal check and balance, and to set out the type of conduct that could lead to action being taken against you. It is also to protect you, the public, fellow councillors, local authority officers and the reputation of local government. It sets out general principles of conduct expected of all councillors and your specific obligations in relation to standards of conduct. The LGA encourages the use of support, training and mediation prior to action being taken using the Code. The fundamental aim of the Code is to create and maintain public confidence in the role of councillor and local government.

General principles of councillor conduct

Everyone in public office at all levels; all who serve the public or deliver public services, including ministers, civil servants, councillors and local authority officers; should uphold the Seven Principles of Public Life, also known as the Nolan Principles.

Building on these principles, the following general principles have been developed specifically for the role of councillor.

In accordance with the public trust placed in me, on all occasions:

- I act with integrity and honesty
- I act lawfully
- I treat all persons fairly and with respect; and
- I lead by example and act in a way that secures public confidence in the role of councillor.

In undertaking my role:

- I impartially exercise my responsibilities in the interests of the local community
- I do not improperly seek to confer an advantage, or disadvantage, on any person
- I avoid conflicts of interest
- I exercise reasonable care and diligence; and
- I ensure that public resources are used prudently in accordance with my local authority's requirements and in the public interest.

Application of the Code of Conduct

This Code of Conduct applies to you as soon as you sign your declaration of acceptance of the office of councillor or attend your first meeting as a co-opted member and continues to apply to you until you cease to be a councillor.

This Code of Conduct applies to you when you are acting in your capacity as a councillor which may include when:

- you misuse your position as a councillor
- Your actions would give the impression to a reasonable member of the public with knowledge of all the facts that you are acting as a councillor;

The Code applies to all forms of communication and interaction, including:

- at face-to-face meetings
- at online or telephone meetings
- in written communication
- in verbal communication
- in non-verbal communication
- in electronic and social media communication, posts, statements and comments.

You are also expected to uphold high standards of conduct and show leadership at all times when acting as a councillor.

Your Monitoring Officer has statutory responsibility for the implementation of the Code of Conduct, and you are encouraged to seek advice from your Monitoring Officer on any matters that may relate to the Code of Conduct. Town and parish councillors are encouraged to seek advice from their Clerk, who may refer matters to the Monitoring Officer.

Standards of councillor conduct

This section sets out your obligations, which are the minimum standards of conduct required of you as a councillor. Should your conduct fall short of these standards, a complaint may be made against you, which may result in action being taken.

Guidance is included to help explain the reasons for the obligations and how they should be followed.

General Conduct

1 RESPECT

As a councillor:

- 1.1 **I treat other councillors and members of the public with respect.**
- 1.2 **I treat local authority employees, employees and representatives of partner organisations and those volunteering for the local authority with respect and respect the role they play.**

Respect means politeness and courtesy in behaviour, speech, and in the written word. Debate and having different views are all part of a healthy democracy. As a councillor, you can express, challenge, criticise and disagree with views, ideas, opinions and policies in a robust but civil manner. You should not, however, subject individuals, groups of people or organisations to personal attack.

In your contact with the public, you should treat them politely and courteously. Rude and offensive behaviour lowers the public's expectations and confidence in councillors.

In return, you have a right to expect respectful behaviour from the public. If members of the public are being abusive, intimidatory or threatening you are entitled to stop any conversation or interaction in person or online and report them to the local authority, the relevant social media provider or the police. This also applies to fellow councillors, where action could then be taken under the Councillor Code of Conduct, and local authority employees, where concerns should be raised in line with the local authority's councillor- officer protocol.

2 BULLYING, HARASSMENT AND DISCRIMINATION

As a councillor:

- 2.1 I do not bully any person.**
- 2.2 I do not harass any person.**
- 2.3 I promote equalities and do not discriminate unlawfully against any person.**

The Advisory, Conciliation and Arbitration Service (ACAS) characterises bullying as offensive, intimidating, malicious or insulting behaviour, an abuse or misuse of power through means that undermine, humiliate, denigrate or injure the recipient. Bullying might be a regular pattern of behaviour or a one-off incident, happen face-to-face, on social media, in virtual meetings, emails or phone calls, happen in the workplace or at work social events and may not always be obvious or noticed by others.

The Protection from Harassment Act 1997 defines harassment as conduct that causes alarm or distress or puts people in fear of violence and must involve such conduct on at least two occasions. It can include repeated attempts to impose unwanted communications and contact upon a person in a manner that could be expected to cause distress or fear in any reasonable person.

Unlawful discrimination is where someone is treated unfairly because of a protected characteristic. Protected characteristics are specific aspects of a person's identity defined by the Equality Act 2010. They are age, disability, gender reassignment, marriage and civil partnership, pregnancy and maternity, race, religion or belief, sex and sexual orientation.

The Equality Act 2010 places specific duties on local authorities. Councillors have a central role to play in ensuring that equality issues are integral to the local authority's performance and strategic aims, and that there is a strong vision and public commitment to equality across public services.

3 IMPARTIALITY OF OFFICERS OF THE COUNCIL AS A COUNCILLOR:

- 3.1 I do not compromise, or attempt to compromise, the impartiality of anyone who works for, or on behalf of, the local authority.**

Officers work for the local authority as a whole and must be politically neutral (unless they are political assistants). They should not be coerced or persuaded to act in a way that would undermine their neutrality. You can question officers in order to understand, for example, their reasons for proposing to act in a particular way, or the content of a report that they have written. However, you must not try and force them to act differently, change their advice, or alter the content of that report, if doing so would prejudice their professional integrity.

4 CONFIDENTIALITY AND ACCESS TO INFORMATION AS A COUNCILLOR:

- 4.1 I do not disclose information:**
 - 4.1.1 given to me in confidence by anyone**
 - 4.1.2 acquired by me which I believe, or ought reasonably to be aware, is of a confidential nature, unless**
 - (a) I have received the consent of a person authorised to give it;**

- (b) I am required by law to do so;
- (c) the disclosure is made to a third party for the purpose of obtaining professional legal advice provided that the third party agrees not to disclose the information to any other person; or
- (d) the disclosure is:
 - (i) reasonable and in the public interest; and
 - (ii) made in good faith and in compliance with the reasonable requirements of the local authority; and
 - (iii) I have consulted the Monitoring Officer prior to its release.

4.2 I do not improperly use knowledge gained solely as a result of my role as a councillor for the advancement of myself, my friends, my family members, my employer or my business interests.

4.3 I do not prevent anyone from getting information that they are entitled to by law.

Local authorities must work openly and transparently, and their proceedings and printed materials are open to the public, except in certain legally defined circumstances. You should work on this basis, but there will be times when it is required by law that discussions, documents and other information relating to or held by the local authority must be treated in a confidential manner. Examples include personal data relating to individuals or information relating to ongoing negotiations.

5 DISREPUTE

As a councillor:

5.1 I do not bring my role or local authority into disrepute.

As a councillor, you are trusted to make decisions on behalf of your community and your actions and behaviour are subject to greater scrutiny than that of ordinary members of the public. You should be aware that your actions might have an adverse impact on you, other councillors and/or your local authority and may lower the public's confidence in your or your local authority's ability to discharge your/its functions. For example, behaviour that is considered dishonest and/or deceitful can bring your local authority into disrepute.

You are able to hold the local authority and fellow councillors to account and are able to constructively challenge and express concern about decisions and processes undertaken by the council whilst continuing to adhere to other aspects of this Code of Conduct.

6 USE OF POSITION

As a councillor:

6.1 I do not use, or attempt to use, my position improperly to the advantage or disadvantage of myself or anyone else.

Your position as a member of the local authority provides you with certain opportunities, responsibilities and privileges, and you make choices all the time that will impact others. However, you should not take advantage of these opportunities to further your own or others' private interests or to disadvantage anyone unfairly.

7 USE OF LOCAL AUTHORITY RESOURCES AND FACILITIES

As a councillor:

7.1 I do not misuse council resources.

7.2 I will, when using the resources of the local authority or authorising their use by others:

7.2.1 act in accordance with the local authority's requirements; and

7.2.2 ensure that such resources are not used for political purposes.

You may be provided with resources and facilities by the local authority to assist you in carrying out your duties as a councillor.

Examples include:

- office support
- stationery
- equipment such as phones, and computers
- transport
- access and use of local authority buildings and rooms.

These are given to you to help you carry out your role as a councillor more effectively and are not to be used for business or personal gain. They should be used in accordance with the purpose for which they have been provided and the local authority's own policies regarding their use.

8 COMPLYING WITH THE CODE OF CONDUCT

As a Councillor:

8.1 I undertake Code of Conduct training provided by my local authority.

8.2 I cooperate with any Code of Conduct investigation and/or determination.

8.3 I do not intimidate or attempt to intimidate any person who is likely to be involved with the administration of any investigation or proceedings.

8.4 I comply with any sanction imposed on me following a finding that I have breached the Code of Conduct.

It is extremely important for you as a councillor to demonstrate high standards, for you to have your actions open to scrutiny and for you not to undermine public trust in the local authority or its governance. If you do not understand or are concerned about the local authority's processes in handling a complaint you should raise this with your Monitoring Officer.

Protecting your reputation and the reputation of the local authority

9 INTERESTS

As a councillor:

9.1 I register and disclose my interests.

Section 29 of the Localism Act 2011 requires the Monitoring Officer to establish and maintain a register of interests of members of the authority.

You need to register your interests so that the public, local authority employees and fellow councillors know which of your interests might give rise to a conflict of interest. The register is a public document that can be consulted when (or before) an issue arises. The register also protects you by allowing you to demonstrate openness and a willingness to be held accountable. You are personally responsible for deciding whether or not you should disclose an interest in a meeting, but it can be helpful for you to know early on if others think that a potential conflict might arise. It is also important that the public know about any interest that might have to be disclosed by you or other councillors when making or taking part in decisions, so that decision making is seen by the public as open and honest. This helps to ensure that public confidence in the integrity of local governance is maintained.

You should note that failure to register or disclose a disclosable pecuniary interest as set out in Table 1, is a criminal offence under the Localism Act 2011.

Appendix B sets out the detailed provisions on registering and disclosing interests. If in doubt, you should always seek advice from your Monitoring Officer.

10 GIFTS AND HOSPITALITY

As a councillor:

- 10.1 I do not accept gifts or hospitality, irrespective of estimated value, which could give rise to real or substantive personal gain or a reasonable suspicion of influence on my part to show favour from persons seeking to acquire, develop or do business with the local authority or from persons who may apply to the local authority for any permission, licence or other significant advantage.**
- 10.2 I register with the Monitoring Officer any gift or hospitality with an estimated value of at least £50 within 28 days of its receipt.**
- 10.3 I register with the Monitoring Officer any gift or hospitality with an estimated value of at least £50 that I have been offered but have refused to accept.**

In order to protect your position and the reputation of the local authority, you should exercise caution in accepting any gifts or hospitality which are (or which you reasonably believe to be) offered to you because you are a councillor. The presumption should always be not to accept significant gifts or hospitality. However, there may be times when such a refusal may be difficult if it is seen as rudeness in which case you could accept it but must ensure it is publicly registered. However, you do not need to register gifts and hospitality which are not related to your role as a councillor, such as Christmas gifts from your friends and family. It is also important to note that it is appropriate to accept normal expenses and hospitality associated with your duties as a councillor. If you are unsure, do contact your Monitoring Officer for guidance.

APPENDIX A – THE SEVEN PRINCIPLES OF PUBLIC LIFE

The principles are:

Selflessness

Holders of public office should act solely in terms of the public interest.

Integrity

Holders of public office must avoid placing themselves under any obligation to people or organisations that might try inappropriately to influence them in their work. They should not act or take decisions in order to gain financial or other material benefits for themselves, their family, or their friends. They must disclose and resolve any interests and relationships.

Objectivity

Holders of public office must act and take decisions impartially, fairly and on merit, using the best evidence and without discrimination or bias.

Accountability

Holders of public office are accountable to the public for their decisions and actions and must submit themselves to the scrutiny necessary to ensure this.

Openness

Holders of public office should act and take decisions in an open and transparent manner. Information should not be withheld from the public unless there are clear and lawful reasons for so doing.

Honesty

Holders of public office should be truthful.

Leadership

Holders of public office should exhibit these principles in their own behaviour. They should actively promote and robustly support the principles and be willing to challenge poor behaviour wherever it occurs.

APPENDIX B – REGISTERING INTERESTS

Within 28 days of becoming a member or your re-election or re-appointment to office you must register with the Monitoring Officer the interests which fall within the categories set out in **Table 1 (Disclosable Pecuniary Interests)** which are as described in “The Relevant Authorities (Disclosable Pecuniary Interests) Regulations 2012”. You should also register details of your other personal interests which fall within the categories set out in **Table 2 (Other Registerable Interests)**.

“Disclosable pecuniary interest” means an interest of yourself, or of your partner if you are aware of your partner's interest, within the descriptions set out in Table 1 below.

"Partner" means a spouse or civil partner, or a person with whom you are living as husband or wife, or a person with whom you are living as if you are civil partners.

- 1 You must ensure that your register of interests is kept up-to-date and within 28 days of becoming aware of any new interest, or of any change to a registered interest, notify the Monitoring Officer.
- 2 A ‘sensitive interest’ is as an interest which, if disclosed, could lead to the councillor, or a person connected with the councillor, being subject to violence or intimidation.
- 3 Where you have a ‘sensitive interest’ you must notify the Monitoring Officer with the reasons why you believe it is a sensitive interest. If the Monitoring Officer agrees they will withhold the interest from the public register.

“Standard Dispensation” means a dispensation that has been granted by the Authority relieving the member or co-opted member from the restrictions or obligations under this Code as detailed in **Table 3** below.

Non participation in case of disclosable pecuniary interest

- 4 Where a matter arises at a meeting which directly relates to one of your Disclosable Pecuniary Interests as set out in **Table 1**, you must disclose the interest, not participate in any discussion or vote on the matter and must not remain in the room/meeting unless you have been granted a dispensation. In addition, you may speak on the matter only if members of the public are also allowed to speak and having spoken you must leave the room/meeting. If it is a ‘sensitive interest’, you do not have to disclose the nature of the interest, just that you have an interest. Dispensation may be granted in limited circumstances, to enable you to participate and vote on a matter in which you have a disclosable pecuniary interest.
- 5 Where you have a disclosable pecuniary interest on a matter to be considered or is being considered by you as an Executive member in exercise of your executive function, you must notify the Monitoring Officer of the interest and must not take any steps or further steps in the matter apart from arranging for someone else to deal with it

Disclosure of Other Registrable Interests

- 6 Where a matter arises at a meeting which **directly relates** to one of your Other Registrable Interests (as set out in Table 2), you must disclose the interest. If you have such an interest you must consider whether a reasonable member of the public, knowing all the facts, would think the interest such that it may influence the way you vote. If the ordinary person would think that the interest may influence your vote then you should not participate in the matter. In these circumstances you may speak on the matter only if members of the public are also allowed to speak at the meeting but otherwise must not take part in any discussion or vote on the matter. If it is a ‘sensitive interest’, you do not have to disclose the nature of the interest

Disclosure of Non-Registrable Interests

- 7 Where a matter arises at a meeting which **directly relates** to your financial interest or well-being (and is not a Disclosable Pecuniary Interest set out in Table 1) or a financial interest or well-being of a relative or close associate, you must disclose the interest. You may speak on the matter only if

members of the public are also allowed to speak at the meeting but otherwise must not take part in any discussion or vote on the matter unless you have been granted a dispensation. If it is a 'sensitive interest', you do not have to disclose the nature of the interest.

- 8 Where a matter arises at a meeting which **affects** –
 - 8.1 your own financial interest or well-being;
 - 8.2 a financial interest or well-being of a friend, relative, close associate; or
 - 8.3 a financial interest or wellbeing of a body included under Other Registrable Interests set out in Table 1

you must disclose the interest. In order to determine whether you may participate in the meeting after disclosing your interest the following test should be applied:

- 9 Where a matter **affects** your financial interest or well-being so that a reasonable member of the public knowing all the facts would believe that it may affect your view of the wider public interest you may speak on the matter only if members of the public are also allowed to speak at the meeting but otherwise must not take part in any discussion or vote on the matter.

If it is a 'sensitive interest', you do not have to disclose the nature of the interest.

- 10 Where you have a personal interest in any business of your authority and you have made an executive decision in relation to that business, you must make sure that any written statement of that decision records the existence and nature of your interest.

Table 1: Disclosable Pecuniary Interests

Contracts	Any contract made between the councillor or his/her spouse or civil partner or the person with whom the councillor is living as if they were spouses/civil partners (or a firm in which such person is a partner, or an incorporated body of which such person is a director* or a body that such person has a beneficial interest in the securities of*) and the council — (a) under which goods or services are to be provided or works are to be executed; and (b) which has not been fully discharged.

'Land' excludes an easement, servitude, interest or right in or over land which does not give the councillor or his/her spouse or civil partner or the person with whom the councillor is living as if they were spouses/ civil partners (alone or jointly with another) a right to occupy or to receive income.

Table 2: Other Registrable Interests

<p>You have a personal interest in any business of your authority where it relates to or is likely to affect:</p> <p>a) Any unpaid directorships</p>

- b) any body of which you are in general control or management and to which you are nominated or appointed by your authority
- c) any body
 - (i) exercising functions of a public nature
 - (ii) any body directed to charitable purposes or
 - (iii) one of whose principal purposes includes the influence of public opinion or policy (including any political party or trade union)

of which you are a member or in a position of general control or management

The requirement to disclose an Other Registerable Interest and not participate in a decision directly relating to or affecting it, shall be applied in such a manner as to recognise that this Code should not obstruct a member's service on more than one local authority. For the avoidance of doubt, participation in discussion and decision making at one local authority will not by itself normally prevent you from taking part in a discussion and decision making on the same matter at another local authority. This is on the basis that a reasonable member of the public will see no objection in principle to such service or regard it as prejudicing a member's judgement of the public interest and will only regard a matter as giving rise to bias in exceptional circumstances.

Table 3: Standard Dispensations

1. You will not be regarded as having a prejudicial interest in any business of your authority in respect of any Other Registerable Interest:
 - (a) where that business relates to:
 - (i) another local authority of which you are also a member;
 - (ii) another public authority or body exercising functions of a public nature in which you hold a position of general control or management;
 - (iii) a body to which you have been elected, appointed or nominated by your authority, but only in the circumstance where the sole purpose of participating is to make representations, answer questions or give evidence relating to the business at the request of the Committee meeting;
 - (iv) your role as a school governor, unless it relates particularly to the school of which you are a governor; or
 - (v) your role as a member of a National Health Service board or governing body;
 - (b) except that no dispensation described in sub-paragraph (a) above will apply where the business to be transacted at the meeting is the determination of any regulatory approval, consent, licence, permission or registration (for example, determination of an application for planning permission or consent or licence under the Licensing Act 2003).
2. You will not be regarded as having a prejudicial interest in any business where that business relates to:
 - (a) the housing functions of your authority where you hold a tenancy or lease with your authority, provided that you do not have arrears of rent with your authority of more than two months, and provided that those functions do not relate particularly to your tenancy or lease;
 - (b) the functions of your authority in respect of school meals, transport and travelling expenses, where you are a guardian, parent, grandparent or have parental

responsibility (as defined in section 3 of the Children Act 1989) of a child in full time education, unless it relates particularly to the school which that child attends;

- (c) the functions of your authority in respect of statutory sick pay under Part XI of the Social Security Contributions and Benefits Act 1992, where you are in receipt of, or are entitled to the receipt of such pay from your authority;

Part 4 – Section 2 – Officer Code of Conduct

1 INTRODUCTION

- 1.1 The public are entitled to expect the highest standards of conduct from all officers who work within local government. This Code of Conduct outlines existing laws, regulations and conditions of service, and provides officers with guidance to assist them in their day-to-day work.
- 1.2 The purpose of the Code is to help ensure that the Council's activities, through the actions of its officers, are conducted to the highest standards, as expected of Local Government, by:
 - 1.2.1 detailing existing laws, regulations and conditions of service;
 - 1.2.2 providing further guidance to assist officers in their day-to-day work; and
 - 1.2.3 specifying standards and procedures which will help protect both the Council and its officers from misunderstanding and undue criticism.
- 1.3 The Council's values support this code, by providing further guidance in relation to how officers need to conduct themselves in the workplace. Further information on these values is in a number of policies, procedures, guidelines and service standards which the Council has developed, to be read in conjunction with this Code.
- 1.4 The adopted Code applies as part of the conditions of service of all officers working under a contract of employment with the Council. It also applies to staff in schools where the Code has been adopted by the Governing Body as the employer. All officers are expected to read, understand and accept the Code, and abide by the standards of behaviour expressed within it. The standards specified in the Code should also be adhered to by officers in any activities undertaken as members of companies, voluntary organisations or any other body and in their personal lives generally.
- 1.5 The Code does not replace, negate or remove any of the conduct issues set out in the various national terms and conditions, or in legislation such as the Local Government and Housing Act 1989 and the Local Government Act 1972 and Local Government Act 2000, but seeks to clarify and consolidate all such conduct issues within a locally adopted code.
- 1.6 This Code sets out the minimum standards that apply to officers. It may be supplemented and clarified by Directorate or other corporate guidance as appropriate.
- 1.7 The following core principles underpin the concept of public service and apply to all officers of the Council regardless of the nature of the job they do:
 - 1.7.1 **Selflessness:** Holders of public office should take decisions solely in the terms of the public interest.
 - 1.7.2 **Integrity:** Holders of public office should not place themselves under any obligation to people or organisations that might try inappropriately to influence them in their work. They should not act or take decisions in order to gain financial or other material benefits for themselves, their family, or their friends. They must declare and resolve any interests and **relationships**.
 - 1.7.3 **Objectivity:** Holders of public office must act and take decisions impartially, fairly and on merit, using the best evidence and without discrimination or bias.
 - 1.7.4 **Accountability:** Holders of public office are accountable to the public for their decisions and actions and must submit themselves to the scrutiny necessary to ensure this.

- 1.7.5 **Openness:** Holders of public office should act and take decisions in an open and transparent manner. Information should not be withheld from the public unless there are clear and lawful reasons for so doing.
- 1.7.6 **Honesty:** Holders of public office should be truthful.
- 1.7.7 **Leadership:** Holders of public office should exhibit these principles in their own behaviour. They should actively promote and robustly support the principles and be willing to challenge poor behaviour wherever it occurs.
- 1.7.8 **Duty:** You must uphold the law and act in accordance with the council's constitution and the public trust placed in you. You have a duty to act in the interests of the council as a whole and all communities served by the council.
- 1.7.9 **Respect:** You must respect all other officers, members, partners and the public. You must not act in a disrespectful way towards any individual because of a protected characteristic or for any other reason.
- 1.8 Officers are expected to follow the standards of behaviour set out in the Code, and should be aware that failure to meet these standards may lead to action being taken by the Council under its Disciplinary and / or Capability Procedure. This Code supplements, and does not replace any code or recognised standards of conduct endorsed by any professional body of which an officer is a member. If officers have any queries or are uncertain about its content, they should contact their line manager for advice.

2 GENERAL PRINCIPLES

- 2.1 Where it is part of their duties to advise, officers must provide any advice impartially. This includes advice to Councillors, colleagues, customers, contractors and the public.
- 2.2 If an officer becomes aware of activities which they consider to be illegal, improper, unethical or otherwise inconsistent with this Code, they must report it to their manager (or next appropriate manager) as soon as possible. Information on whistleblowing is also available on the Council's website.
- 2.3 Responsibility is placed on every employee to disclose to an appropriate manager any potential conflict of interest which may affect them in their job role.
- 2.4 Officers must not misuse their position, council information or any Council resources or equipment to further their own or others personal interests.
- 2.5 It is not enough for officers to simply avoid a breach of this Code. At all times, officers must act in such a way to avoid any occasion for suspicion and any appearance of improper conduct. This includes activities both in and outside of the normal place of work, and includes work related functions e.g. leaving celebrations. It also includes occasions outside of work where an employee makes themselves identifiable as an employee of this Council e.g. social media activities, wearing a uniform, driving a Council vehicle etc.

3 DISCLOSURE AND CONFIDENTIALITY OF INFORMATION

- 3.1 The Council is required by law to make certain types of information available to Councillors, auditors, government departments, service users, regulators and the general public. However, prior to the release of any data or information an employee must consider and be confident that this is not in breach of data protection legislation, or other legal or Council requirements for confidentiality. If in any doubt, officers must check with their manager prior to the release of the information.
- 3.2 Personal data obtained in the course of employment should always be treated confidentially and only be disclosed in accordance with data protection legislation or other legal or Council requirements.

- 3.3 Officers must comply with all current legislation, such as the Data Protection Act and Freedom of Information Act regarding the disclosure of information and the Council's associated policies and procedures. Further information and advice on responsibilities under the Act are available from the Council's Data Protection Officer.
- 3.4 Officers should not use any information obtained in the course of their work for personal gain or benefit, nor should they pass it on to others who might use it in such a way. If officers receive specific information, from whatever source, in the course of carrying out their duty, they should not divulge it, except where such disclosure is required or sanctioned by the law.
- 3.5 Officers should not disclose, without express permission, information relating to exempt agenda items and reports. No reports relating to staffing, financial, commercial, disciplinary, political or other confidential matters should be disclosed to any unauthorised person without the prior express permission of the Council, or the Chief Executive.
- 3.6 Officers should be aware that in the course of their work, they may have access to personal or otherwise confidential information, some of which may fall within the scope of the Data Protection Legislation. The Council expects officers to respect the confidentiality of all information, both during and subsequent to a period of employment with the Council, in accordance with its Data Protection Policy.
- 3.7 The leaking of confidential or exempt information to a third party may be viewed as a disciplinary matter, and may also result in legal action being taken.

4 POLITICAL NEUTRALITY

- 4.1 Officers serve the Council as a whole, and must serve all Councillors equally and ensure that the individual rights of Councillors are respected. Officers must not allow their personal or political opinions to interfere with their work or their behaviour at work.
- 4.2 Where an employee is requested to advise a full meeting of a political group or its executive, the Chief Executive must be informed by the employee in advance of the meeting. In providing the advice, political neutrality must be maintained. In addition, any advice given should be made available to all political groups, if requested.
- 4.3 Certain officers hold politically restricted posts. If your job is politically restricted, you will be notified, and you will be prevented from taking up certain roles, for example becoming a member of a local authority (other than parish councils); becoming an MP or MEP; holding office in a political party, and canvassing, speaking in public or writing on party political matters.

5 RELATIONSHIPS AT WORK

- 5.1 Officers must declare to their manager any situation where their impartiality, objectivity, or honesty may be compromised due to them being related to, or having a close personal relationship with someone at work.

Councillors

- 5.2 Mutual respect between officers and Councillors is essential. Some officers work closely with Councillors, and all communication should be dealt with in a polite, impartial and efficient manner. Officers are expected to inform elected members on relevant issues in a timely manner. Close personal familiarity between officers and individual Councillors must be avoided at all times to prevent damage to the relationship and embarrassment to individuals and the Council.

The Local Community and Service Users

- 5.3 Officers should always remember their responsibilities to the community and ensure a polite, impartial and efficient service delivery to all groups and individuals within that community.

Contractors / Suppliers / Procurement / Tendering

- 5.4 All relationships of a business or personal nature with external contractors or suppliers must be declared to the employee's line manager at the earliest opportunity. Arrangements for any appropriate steps to be taken to manage any conflict of interest will then be made.
- 5.5 Orders and contracts must be awarded in accordance with the Council's procedures and no special favour must be shown to businesses or individuals.
- 5.6 Officers whose work involves the procurement, appointment or supervision of contractors must disclose any former or current private or official relationships with contractors to their Line manager.
- 5.7 Officers must not make official professional decisions about matters in which they have a personal involvement. Officers must not misuse their official position or information acquired in the course of their employment to further their private interests, or the interests of others.
- 5.8 When a conflict of interest is disclosed, the Council reserves the right to remove the employee from any areas of direct or indirect involvement in the matter concerned.

6 APPOINTMENTS AND OTHER EMPLOYMENT MATTERS

- 6.1 Appointment and employment decisions must be made in accordance with Council policies and procedures.
- 6.2 To avoid accusations of bias, officers must not be involved in appointment processes where they are related to or have a close personal relationship with an applicant.
- 6.3 All officers are required to disclose to their Assistant Director any relationship known to exist between them and any person who they know is a candidate for an appointment with the Council.
- 6.4 Officers should not be involved in other employment related decisions for officers who are a relative or with whom they have a close personal relationship, nor should they attempt to influence such decisions. This includes decisions on matters such as discipline, promotion or pay adjustments.

7 OUTSIDE COMMITMENTS

- 7.1 Officers must not allow their personal interests to conflict with or be detrimental to their duties or Council business.
- 7.2 All Officers, irrespective of hours worked, must not engage in any other business or take up any additional employment or other appointments without the agreement of the Council. Officers requesting such agreement should contact their line manager who will discuss and seek agreement with the Assistant Director or individual nominated within the service area.
- 7.3 The Council will not unreasonably prevent officers from taking additional employment, but in accordance with their obligations as an employer, however, the Council will not approve any additional employment that, in the view of the Council, has the potential to conflict with, or be detrimental to the Council's interest or in any way weaken public confidence in the conduct of its business or is contrary to any legal provision or obligation on the part of the Council as employer including ensuring compliance with Working Time Regulations.
- 7.4 Officers are not permitted to carry out private trading in relation to goods, services or any form of intellectual property on the Council's premises nor may they do so elsewhere whilst on Council duties.

8 PERSONAL INTERESTS

- 8.1 All officers, regardless of their SCP, must declare to their Assistant Director, any financial or non-financial interests which they consider could bring about conflict with the Council's interests.
- 8.2 It is a legal requirement for officers to formally declare any contracts with the Council in which they have a pecuniary interest. Such declarations should be sent to their relevant Executive Director. It is a criminal offence to fail to comply with the provision.
- 8.3 Officers must not make official professional decisions on behalf of the Council about matters in which they have a personal involvement.

9 EQUALITY

- 9.1 All members of the community, customers and officers have the right to be treated with fairness and equality. Officers must behave in a way that supports equality, dignity and respect and must observe the Council's Equality Scheme and other employment policies outlined in the Employee Handbook.
- 9.2 Unlawful discrimination, harassment and victimisation on any basis including age, disability, gender reassignment, marriage and civil partnership, pregnancy and maternity, race, religion or belief, sex; and sexual orientation will not be tolerated and will be dealt with through disciplinary procedures.

10 SEPARATION OF ROLES DURING TENDERING

- 10.1 Officers involved in a tendering process and/or dealing with contractors must ensure they carry out their duties in a clear, transparent and fair way.
- 10.2 There must be a clear separation of client and contractor roles. Senior officers who have both a client and contractor responsibility must ensure clear accountability, transparency and openness.
- 10.3 Officers in contractor or client services must exercise fairness and impartiality when dealing with all customers, suppliers, other contractors and subcontractors.
- 10.4 Officers who have access to confidential information on tenders or costs relating to either internal or external contractors must not disclose that information unless there is clear and specific authorisation to do so.
- 10.5 Officers must declare any relationship which may have the potential to conflict with the tendering process or could be perceived by others as a potential reason for bias.

11 FRAUD OR CORRUPTION

- 11.1 It is a serious criminal offence for officers to corruptly receive or give any gift, loan, fee, reward or advantage for doing, or refraining from doing something, or to show favour or disfavour to any person in their official capacity. If an allegation is made it is for the employee to demonstrate that any such rewards have not been corruptly given or received. This applies equally to bodies already holding contracts as to those seeking to secure contracts.
- 11.2 Officers must declare any personal or pecuniary interests in contracts which the Council is proposing to enter into, in accordance with the procedures set out in Sections 7 and 8, and observe the procedures for dealing with gifts and hospitality in Section 13.
- 11.3 Officers should be aware that any departure from these standards will be treated as a most serious matter, both under the terms of the Council's disciplinary procedures, and where necessary, through the processes of law.

12 USE OF FINANCIAL RESOURCES

- 12.1 Officers must ensure that they use public funds entrusted to them in a responsible and lawful manner. Officers should always strive to ensure value for money to the local community and to avoid legal challenge to the Council.
- 12.2 To support officers in this, the Council has developed financial rules and procedures, and information is also set out in the Finance Procedure Rules set out in this Constitution.

13 HOSPITALITY AND GIFTS

- 13.1 A potential source of conflict between officers' private and public interests is the offer of gifts, hospitality or benefits in kind to officers in connection with their official duties. At all times an employee must consider whether the gift or offer of hospitality would lead a member of the public to question whether their dealing with a matter may be prejudiced by a gift.

Gifts

- 13.2 An employee should refuse any personal gift offered to him or her, or to any family member, by any person or organisation who has dealings with the Council. There is a limited number of exceptions to this, as set out in paragraph 13.6 below. Any offer of such a gift should be reported to their Assistant Director. An employee should show tact and courtesy when refusing a gift, including explaining why they are unable to accept.
- 13.3 If the gift is delivered to an employee's place of work there may be a problem returning it, in which case it should be reported to the appropriate Chief Officer immediately using the Employees' Code of Conduct form. The gift should not be used unless specific authorisation is received.
- 13.4 Particular issues can be encountered by officers in a "caring" role or delivering a direct personal service. For example, it is not unusual for people receiving support at home from paid staff or their relatives to wish to express their thanks and gratitude to care staff by offering gifts, money or even by making an employee a beneficiary in their Will. It is essential that officers avoid any suggestion of improper motives or conduct. The general principle must be that gifts or money should be politely and tactfully refused with an appropriate explanation. If it is not possible to return a gift, the details of the gift and the reason why it is not returned must be reported immediately to the manager who will give further guidance. The gift must not be utilised unless explicit authorisation is received.
- 13.5 If an employee becomes aware that they have been made a beneficiary in an individual's will, they must immediately report this to their manager. The manager will then visit the individual to ensure that the bequest represents the genuine wishes of the individual and has not been improperly influenced by the employee. Following this, the manager will notify the Chief Officer who will determine the appropriate course of action. In some cases an employee may be unaware that they are a beneficiary until after the death of the client. As soon as an employee is made aware of such a bequest they must notify their Chief Officer who will determine the appropriate course of action.
- 13.6 The following are exceptions, and do not need to be declared to the Chief Officer (however, if there is any cause for concern, an employee is responsible for discussing the matter with their line manager):
 - 13.6.1 A modest gift of a promotional nature given to a wide range of people, such as calendars, diaries, pens and other such articles which are common in the office and can be considered to form part of the general mailings of a company.
 - 13.6.2 A modest gift where refusal would cause needless offence and the giver is not seeking a business decision, but it is merely an expression of thanks for service e.g. box of chocolates or a standard bottle of wine.
- 13.7 An employee must not on any occasion accept the offer of money.

Hospitality

- 13.8 The guiding principle is that it is important not to create an appearance of improper influence which can then undermine public confidence. In general terms, it will often be more acceptable to join in hospitality offered to a group than to accept something on an individual basis.
- 13.9 Hospitality is sometimes offered and accepted by officers where it is reasonable in all the circumstances, and there is a legitimate requirement to attend. Approval by an appropriate manager is required. Caution is needed where the host is seeking to do business with the Council or to obtain a decision from it. It is important to avoid any suggestion of improper influence.
- 13.10 Care must be taken when considering attending exhibitions, seminars or visiting manufacturers, etc. Such visits can be linked to a major sporting events, shows, concerts etc. and can be an attempt to legitimise offers of hospitality in the guise of business activities.
- 13.11 When a particular person or body has a matter currently in issue with the Council, e.g. an arbitration arising from a contract or ongoing planning application, then clearly common sense dictates that offers of hospitality be refused even if in normal times they would be regarded as acceptable.
- 13.12 All offers of hospitality should be reported to the Chief Officer concerned or, if the offer is made to a Chief Officer or Deputy Chief Officer, to the Chief Executive on Employees' Code of Conduct form.
- 13.13 The following checklist of questions may help to determine if an offer of hospitality or gift should be accepted or tactfully rejected.
 - 13.13.1 Is the donor or event significant in the community or in your Council's area?
 - 13.13.2 Is there an expectation that a Council representative attends because of their role?
 - 13.13.3 Will the event be attended by others of a similar standing in the community or in other communities?
 - 13.13.4 What is the motivation behind the invitation?
 - 13.13.5 Would acceptance of the invitation be, in any way, inappropriate or place an employee under pressure in relation to any current or future issue?
 - 13.13.6 Could the decision to attend be justified to the Council, press and public?
 - 13.13.7 What is the hospitality or the nature of the gift and is it reasonable and appropriate in all of the circumstances to accept?
 - 13.13.8 What are the concerns about accepting the hospitality?

14 SPONSORSHIP – GIVING AND RECEIVING

- 14.1 If an organisation wants to sponsor a local government activity, whether by invitation, tender, negotiation or voluntarily, the basic rules about accepting gifts or hospitality apply. Particular care must be taken when dealing with contractors or potential contractors.
- 14.2 If the Council sponsors an event or service, you or anyone connected with you may not benefit from the sponsorship. Similarly, if the council gives financial support in the community, please ensure that impartial advice is given and that you have no conflict of interest.

Part 4 – Section 3 – Councillor/Officer Protocol

1 INTRODUCTION AND PRINCIPLES

- 1.1 The purpose of this Protocol is to guide Members and Officers of the Council in their relations with one another; to define their respective roles, and to provide guidance for dealing with particular issues that may most commonly arise or cause concern.
- 1.2 Given the variety and complexity of such relations, the Protocol does not seek to be prescriptive and it may not cover all situations. It is hoped, however, that the general approach set out in this Protocol will serve as a guide in dealing with other issues that may not be specifically covered.
- 1.3 This Protocol also seeks to reflect the principles underlying the respective Codes of Conduct which apply to Members and Officers. The shared object of these Codes is to enhance and maintain the integrity of local government by demanding very high standards of personal conduct.
- 1.4 Mutual respect between Members and Officers is essential to good local government. It is important in all dealings between Members and Officers that both should observe reasonable and consistent standards of courtesy and that neither party should seek to take advantage of their position. Close personal familiarity between individual Members and Officers can damage this relationship and prove embarrassing to other Members and Officers.
- 1.5 The relationship has to function without compromising the ultimate responsibilities of Officers to the Council as a whole, and with due regard to such technical, financial, professional and legal advice that employees can legitimately provide to Members. This Protocol seeks to set a framework that assists the working relationships between Members and Officers.

2 ROLE OF MEMBERS AND OFFICERS

Members

- 2.1 The roles of Members and Officers are different, but complementary. Both Members and Officers are servants of the public and they are indispensable to one another, but their responsibilities are distinct. Members are responsible to the electorate and serve only so long as their term of office lasts. Officers are responsible to the Council as a whole, and they are accountable to the Chief Executive. Their job is to give advice to Members and the Council, and to carry out the Council's work under the direction and control of the Council and Cabinet and the various Committees (including Locality Boards) .
- 2.2 There are a number of crucial roles for Members. Four, in particular, can be summarised as follows:
 - 2.2.1 to provide strong leadership for communities and to contribute to policy and budget decisions of the full Council, suggest policy improvements and scrutinise the Cabinet's policy proposals and their implementation;
 - 2.2.2 to monitor and review the Council's performance in implementing approved policy and in delivering services and projects;
 - 2.2.3 to represent their constituents, promoting and communicating the interests of the electorate within the Council decision making processes and dealing with their day to day problems and concerns as they arise;
 - 2.2.4 to represent the Council externally on joint committees, and on key partner and other outside bodies.
- 2.3 Members should not get involved in the day to day operational management of services. Equally, Officers should not get involved in politics.

Officers

- 2.4 Officers serve the whole Council. Officers support and advise the Council, and the constituent parts of its decision-making machinery; implement Council decisions and may themselves take decisions formally delegated to them through the approved Scheme of Delegation. All Officers are required to be politically neutral, and for senior Officers this is enforced through the political restrictions of the Local Government and Housing Act 1989. This position is also enshrined in the Council's Officers' Code of Conduct which forms part of the Council's Constitution.
- 2.5 Within this context, it is important to recognise the differing roles of certain Officers:
- 2.5.1 The Chief Executive and Corporate Directors form the Corporate Management Team, which provides a formal interface between Members and Officers, and which has a leading role in relation to policy co-ordination and performance management.
 - 2.5.2 Assistant Directors and other Chief Officers are directly responsible for the day to day delivery of services within the Council's established policy and decision-making framework.
 - 2.5.3 Officers within services themselves are primarily accountable to their Directors and when assisting Members should always do so within the parameters of whatever authority they have been given by their Director.
- 2.6 In particular, it should be recognised that Members do not, as elected or co-opted members, have any special immunity from civil or criminal wrongs that they may commit against fellow Members, Officers or members of the public. Members must ensure that they do not, therefore, for example, bully, harass, slander or libel another person. During public meetings of the Council, the Cabinet and Committees, statements made by Members may attract "legal privilege" which may be a defence to an action for defamation. Unlike Parliament and the Courts, local authorities only benefit from "qualified", rather than "absolute", privilege. As such there are conditions that must be met before qualified privilege will attach to a statement (including that Members should generally believe that statements they make are true and they should be made without malice).
- 2.7 Any member of the public (including Officers) can complain to the Council's Monitoring Officer about a Member's alleged breach of the Council's Members' Code of Conduct and / or bring private, civil action against a Member.

Members' Expectations

- 2.8 Members can expect from Officers:
- 2.8.1 A commitment to the Council as a whole, and not to any political group.
 - 2.8.2 A working partnership based on an understanding of and support for respective roles, workloads and pressures.
 - 2.8.3 Reasonable and timely response to enquiries and complaints.
 - 2.8.4 Professional advice, not influenced by political views or preference, which does not compromise the political neutrality of Officers.
 - 2.8.5 Regular, up to date information on matters that can reasonably be considered appropriate and relevant to Members' needs, having regard to any individual responsibilities that they have and positions that they hold.
 - 2.8.6 Awareness of and sensitivity to the political environment.
 - 2.8.7 Respect, dignity and courtesy and not acting in a discriminatory way through behaviour or speech.
 - 2.8.8 Relevant training and development in order to carry out their role effectively.

- 2.8.9 Integrity, mutual support and appropriate confidentiality.
- 2.8.10 That Officers will not use their relationship with Members to advance their personal interests or to influence decisions improperly.
- 2.8.11 That Officers will at all times comply with the relevant Code of Conduct.
- 2.8.12 Support for the role of Members as the local representatives of the Council, within the parameters of support approved by the Council.
- 2.8.13 That Officers will promote equality of opportunity in all Council matters.
- 2.8.14 That Chief Officers keep Members informed both about the major issues concerning the Council and, more specifically ,about issues and events affecting their ward.

Officers' Expectations

2.9 Officers can expect from Members:

- 2.9.1 A working partnership based on an understanding of and support for respective roles, workloads and pressures.
- 2.9.2 Political leadership and direction.
- 2.9.3 Respect, dignity and courtesy and not acting in a discriminatory way through behaviour or speech.
- 2.9.4 Integrity, mutual support and appropriate confidentiality.
- 2.9.5 Not to be subject to bullying or harassment or to be put under undue pressure. Members should have regard to the seniority of Officers in determining what reasonable requests are, having regard to the relationship between Members and Officers, particularly at junior levels.
- 2.9.6 That Members will not use their position or relationship with Officers to advance their personal interests or those of others or to influence decisions improperly.
- 2.9.7 That Members will at all times comply with the Members' Code of Conduct.
- 2.9.8 That Members will promote equality of opportunity in all Council matters.

Limitations on Behaviour

- 2.10 The distinct roles of Members and Officers necessarily impose limitations upon behaviour. By way of illustration, and not as an exhaustive list:
 - 2.10.1 Close personal, as opposed to working, relationships between Members and Officers can confuse these separate roles and detrimentally affect the proper discharge of the Council's functions, not least by creating the perception in others that a particular Member or Officer may be securing advantageous treatment.
 - 2.10.2 The need to maintain the separate roles means that there are limits to the matters on which Members may seek the advice of Officers, both in relation to personal matters and party-political issues.
 - 2.10.3 Relationships with a particular individual or party groups should not be such as to create public suspicion that an Officer favours that Member or group above others. The issue of Officer attendance and advice to political groups is specifically covered at paragraphs 3.1 to 3.4 of this Protocol.

3 OFFICER ADVICE TO GROUPS OF MEMBERS

- 3.1 It is common practice for political groups to give preliminary consideration to matters of Council business in advance of such matters being considered. As an example, the Council's monthly Notice of Forthcoming Key Decisions will identify the Key Decisions that the Cabinet will be considering. Individual Members and/or groups of Members may properly call upon Officers to support and provide factual advice to their deliberations. The support provided by Officers can take many forms, ranging from a briefing meeting prior to a committee meeting, to a presentation to a full group meeting. Briefing of political groups should only be undertaken by the Chief Executive or Directors, or otherwise with the approval of the Chief Executive.
- 3.2 Certain points must, however, be clearly understood by all those participating in this type of process, Members and Officers alike. In particular:
- 3.2.1 Officer support in these circumstances must not extend beyond providing information and advice in relation to matters of Council business. Officers must not be involved in advising on matters of a 'political' nature. Officers are not expected to be present at meetings, or parts of meetings, where matters of political business are to be discussed.
- 3.2.2 Similarly, where Officers provide information and advice to a group of Members meeting in relation to a matter of Council business, this cannot act as a substitute for providing all necessary information and advice to the Cabinet, Overview and Scrutiny or other Committee meeting when the matter in question is considered.
- 3.3 Officers must respect the confidentiality of any group discussions at which they are present in the sense that they should not relay the content of any such discussion to another group of Members, unless specifically asked to do so by a member of the group to whom the duty of confidentiality is owed.
- 3.4 Any particular cases of difficulty or uncertainty in this area of Officer advice to groups of Members should be raised with the Chief Executive or, in their absence, the Council's Monitoring Officer, who will discuss them with the relevant Group Leader(s).

4 OFFICER / MEMBER RELATIONSHIPS

- 4.1 It is clearly important that there should be a close working relationship between Cabinet members and Committee members, including their Chairs, and the relevant Chief Officers. However, such relationships should never be allowed to become so close, or appear to be so close, as to bring into question an Officer's ability to deal impartially with other Members.
- 4.2 Whilst Cabinet Members will routinely be consulted as part of the process of drawing up agenda items for a forthcoming meeting, it must be recognised that in some situations an Officer will consider it their duty to submit a report on a particular matter. In these circumstances, an Officer will always be fully responsible for the contents of any report submitted in their name. Similarly, a Member will also be fully responsible for that part of any report submitted in their name. Any issues arising between a Member and an Officer in this area should be referred to the Chief Executive for their resolution. Where individual Members wish to place an item on a Cabinet agenda, they should notify the Chief Executive in accordance with **Part 3** of the Constitution.
- 4.3 It must be remembered that Officers within a Service are accountable to their Director and ultimately to the Chief Executive, and that whilst Officers should always seek to assist any Member, they must not, in so doing, go beyond the bounds of whatever authority they have been given by their Director. Officers should also refer to **Part 3** (Responsibility for Functions) and Part 4, Section 2 ([Officers' Code of Conduct](#)) in the Council's Constitution for clarification about the bounds of their responsibility.

5 UNDUE PRESSURE

- 5.1 A Member should not apply undue pressure on an Officer to do anything which they are not empowered to do, or which is against the Officer's professional judgement, or to undertake work outside normal duties or normal hours.

- 5.2 Similarly, an Officer must not seek to influence an individual Member to make a decision in their favour, nor raise personal matters relating to their job, nor make claims or allegations about other Officers, except in accordance with any agreed Council procedure or in accordance with law. Members who receive any such approach from an Officer should advise the Chief Executive immediately.

6 GRIEVANCES OR COMPLAINTS

Procedure for Officers

- 6.1 From time to time the relationship between Members and Officers may break down or become strained. Whilst it will always be preferable to resolve matters informally, through conciliation by an appropriate senior manager or Member, Officers will have recourse to the Grievance Procedure where the matter concerns their employment, or to the Council's Monitoring Officer as appropriate in the circumstances. In the event of a grievance or complaint being upheld, the matter will be referred to the Chief Executive who, having advised the Leader of the Council and the appropriate group leader, will decide on the course of action to be taken.

Procedure for Members

- 6.2 In the event that a Member is dissatisfied with the conduct, behaviour or performance of an Officer, they should not raise the matter in public or before the press, as Officers have no means of responding to the same in public. The matter should be raised with the appropriate Corporate Director. Where the Officer concerned is a Director, the matter should be raised with the Chief Executive. Where the Officer concerned is the Chief Executive, the matter should be raised with the Monitoring Officer. If the matter cannot be resolved informally, it may be necessary to invoke the Council's disciplinary procedure.

7 MEMBERS' ACCESS TO INFORMATION AND TO COUNCIL DOCUMENTS

- 7.1 Subject to the Access to Information Procedure Rules, Members are free to approach the appropriate Service to provide them with such information, explanation and advice as they may reasonably need in order to assist them in discharging their role as members of the Council. This can range from a request for general information about some aspect of a Service's activities to a request for specific information on behalf of a constituent. Such approaches should be directed to the Corporate Director, Assistant Director or other nominated representative. If Members wish to visit Officers, they should contact the Corporate Director or Assistant Director to make arrangements whenever possible.
- 7.2 With respect to the legal rights of Members to inspect Council documents, these are covered partly by statute and partly by the common law, and are subject to the [Access to Information Procedure Rules](#).
- 7.3 The exercise of the common law right depends upon a Member's ability to demonstrate a "need to know". In this respect a member has no right to "a roving commission" to examine any documents of the Council. Mere curiosity is not sufficient.
- 7.4 The information sought by a Member should be provided in a timely manner. It should only be provided by the respective Directorate as long as it is within the limits of the Directorate's resources. For their part, Members should seek to act reasonably in the number and content of the requests they make.
- 7.5 It is important for Chief Officers to keep Members informed both about the major issues concerning the Council and, more specifically, about issues and events affecting the areas that they represent. It is expected that Members will be kept informed about proposals that affect their ward and should also be invited to attend Council initiated events within their ward.
- 7.6 If a Member asks for specific information relating to the work of a particular Department, and it appears possible or likely that at a subsequent meeting an issue could be raised or question asked on the basis of the information provided, then the appropriate Cabinet Member or Committee Chair concerned should be advised about the information provided.
- 7.7 Any Member may apply in confidence to the Chief Executive or appropriate Chief Officer for procedural advice or information to address a constituency issue.

- 7.8 The Code of Conduct provides that a Member must not disclose information given to the Member in confidence by anyone, or information which the Member believes, or ought reasonably to be aware, is of a confidential nature except where:
- 7.8.1 the Member has the consent of a person authorised to give it;
 - 7.8.2 the Member is required by law to do so;
 - 7.8.3 the disclosure is made to a third party for the purposes of obtaining professional advice provided that the third party agrees not to disclose the information to any other person; or
 - 7.8.4 the disclosure is reasonable and in the public interest and made in good faith and in accordance with the law.
- 7.9 In order to safeguard against possible breaches of the Data Protection Legislation (which applies to all information of a personal nature) a member should always seek advice from the Chief Executive or Monitoring Officer before disclosing confidential information. Generally personal information cannot be released without the consent of the person to whom it relates. Improper disclosure of confidential information can put the member and the Council at legal and financial risk.

8 ATTENDANCE OF OFFICERS AND MEMBERS AT OVERVIEW AND SCRUTINY COMMITTEES

- 8.1 The Local Government Act 2000 empowers an Overview and Scrutiny Committee to require Cabinet Members and Officers to attend meetings of the committee and answer questions. It is the statutory duty of Members and Officers to comply with such requests. This statutory position is reflected in the [Overview and Scrutiny Procedure Rules](#) and, in general, should only need to be exercised in relation to senior Officers, namely Corporate Directors, Assistant Directors, third tier or other appropriate senior Officers.
- 8.2 It is important for the reputation of the Council that Overview and Scrutiny Committees use this power in a responsible and constructive manner which will assist the Committee in its work.
- 8.3 The [Overview and Scrutiny Procedure Rules](#) contain requirements relating to the giving of proper notice to the Member or Officer concerned. It is important that care is taken to identify the relevant Officer who is best equipped to help the committee in its work. That will not necessarily be the Chief Officer. Where there is any doubt the Chairman of the Overview and Scrutiny Committee concerned should consult with the relevant Chief Officer to identify the appropriate Officer.
- 8.4 Overview and Scrutiny Committees must always treat a Member or Officer appearing before it with respect and courtesy. The Member or Officer is there to help the Committee with its work and a positive and constructive approach should be taken by all parties. Committees should in particular refrain from any personal criticism. Chairs of Overview and Scrutiny Committees have a particular responsibility in setting the tone of the meeting to ensure this protocol is followed.
- 8.5 Overview and Scrutiny Committees should always bear in mind that when Officers appear to answer questions their evidence should, so far as possible, be confined to questions of fact and explanation relating to policies and decisions.
- 8.6 Officers may explain: what the policies are; the justification and objectives of those policies as the Cabinet sees them; the extent to which those objectives may have been met; and how administrative factors may have affected both the choice of policy measures and the manner of their implementation.
- 8.7 Officers may be asked to explain and justify advice they have given to Cabinet Members prior to decisions being taken and they may also be asked to explain and justify decisions they themselves have taken under delegated powers.
- 8.8 Officers should not be drawn into discussion of the merits of alternative policies where this is politically contentious. Any comment by Officers should always be consistent with the requirement to be politically impartial.

9 SUPPORT SERVICES TO MEMBERS AND PARTY GROUPS

- 9.1 The only basis on which the Council can lawfully provide support services (e.g. stationery, typing, printing, email, internet, photocopying, transport, etc.) to Members is to assist them in discharging their role as Members of the Council. Such support services must therefore only be used on Council business. They should never be used in connection with party political or campaigning activity or for private purposes.

10 CORRESPONDENCE

Official letters entering into formal commitments on behalf of the Council should be sent in the name of the appropriate employee, rather than over the name of a Member. Letters which, for example, create obligations or give instructions on behalf of the Council should never be sent out in the name of a Member. It may be appropriate in some circumstances for a letter to be sent in the name of a member, for example in response to a letter of complaint sent direct to that member. But this should be the exception rather than the norm and it should only be done following consultation with the Chief Executive or appropriate Corporate Director.

11 MEDIA

- 11.1 Communication with the media can be an important part of a Member's workload. In general, Members provide comment and views, as appropriate to their role, while employees provide factual information. If a Member has any queries regarding liaison with the media, they should contact the appropriate officer concerned or the Press Office.
- 11.2 Members are reminded that they must not use Council resources to publish any material that (in whole or in part) appears to be designed to affect public support for a political party.

12 WARD MEMBERS

Whenever a public meeting is organised by the Council to consider a local issue, all the Members representing the Ward or Wards affected should, as a matter of course, be invited to attend the meeting. Similarly, whenever the Council undertakes any form of consultative exercise on a local issue, the Ward Members should be notified at the outset of the exercise. More generally, Officers should consider whether other policy or briefing papers or other topics being discussed with a Cabinet Member should be discussed with relevant Ward Members. Officers should seek the views of the appropriate Cabinet Member(s) as to with whom and when this might be done.

Cabinet Briefings

- 13 Cabinet members meet occasionally with Officers to discuss agendas and items of business to be considered at Cabinet meetings. These meetings are Informal meetings which are outside formal procedures for decision making as set out in the Council's Constitution.

14. CONCLUSION

It is hoped that, by following good practice and securing sensible and practical working relationships between Members and Officers, we can provide one of the cornerstones of a successful Local Authority and thereby enhance the delivery of high value quality services to the people within the Council's area. Mutual understanding, openness and respect are the greatest safeguard of the integrity of the Council, its Members and Officers.

Part 4 – Section 4 – Planning Code of Conduct for Councillors

MODEL COUNCIL

COUNCILLORS' PLANNING CODE or PROTOCOL

Background

The Members' Planning Code of Good Practice was originally prepared in response to a series of successful court challenges concerning local planning authorities and the members' conduct or conflicts of interests. It replaced what was a number of individual and sometimes haphazard approaches in individual councils at the time. The drafting of the Model Code was subject to consultation and comment from a number of local authorities through the machinery of LLG as well as with the Local Government Ombudsman and from firms of solicitors or counsel. LLG then worked with the Local Government Association to publish the Code as part of a suite of guidance.

The Model Planning Code and Protocol was first published in 2003, was refreshed in 2007. Following the Localism Act 2011's introduction of the new law on members' conduct, the clarification in the law on bias and predetermination in that Act and in the courts¹ and commentary from the Committee on Standards in Public Life in better defining the Nolan Principles, it was reviewed and updated in 2014.

In 2017, the UK Supreme Court stated that the Code and Protocol "*offers sound practical advice*"².

The Model Council Planning Code and Protocol has thus now become a central plank of the guidance used by local authorities to give their members and others advice and to direct the business of the planning decisions to ensure fairness and legality. Many councils have incorporated it into their constitutional documents and a number have turned its provisions into standing orders to provide binding rules of procedure. The ability to do this was confirmed by the Court of Appeal in 2023³.

As we approach ten years since that last update, we have looked again at the Code and Protocol for use by local authorities. In doing this we would wish to thank Bevan Brittan and in particular Philip McCourt, together with Sharon Bridglalsingh, Director of Law and Governance at Milton Keynes City Council.

This refresh will help in having clarified some of the points concerning consistency and reasoning in decision making and underscores the potential impact of social media interactions upon proceedings.

The successful operation of the planning system relies on mutual trust and understanding of Member and officer roles. It also relies on the important legal principle that a decision-maker must not only ask themselves the right question, but to obtain the relevant information to enable them to answer it correctly and to be able and willing to understand it and then take it properly into account when making their decision. All of this requires Members and their officers ensuring that they act in a way which that is fair and impartial and is clearly seen to be so.

In reproducing the Model Council Planning Code and Protocol in 2023, we are seeking to endorse and ensure that those principles continue to be upheld.

Introduction

The aim of this code of good practice: to ensure that in the planning process there are no grounds for suggesting that a decision has been biased, partial or not well founded in any way.

One of the key purposes of the planning system is to regulate the development and use of land in the public interest. **Your role as a Member of the Planning Authority is** to make planning decisions openly, impartially, with sound judgement and for justifiable reasons. You are also a democratically accountable decision-taker who had been elected to provide and pursue policies. You are entitled to be predisposed to make planning decisions in accordance with your political views and policies **provided** that you have considered all material considerations and have given fair consideration to relevant points raised.

When the Code of Good Practice applies: this code applies to Members at all times when involving themselves in the planning process. (This includes when taking part in the decision making meetings of the Council in exercising the functions of the Planning Authority or when involved on less formal occasions, such as meetings with officers or the public and consultative meetings). It applies as equally to planning enforcement matters or site specific policy issues as it does to planning applications.

If you have any doubts about the application of this Code to your own circumstances you should seek advice early, from the Monitoring Officer or one of his or her staff, and preferably well before any meeting takes place.

1. Relationship to the Members' Code of Conduct

- **Do** apply the rules in the Authority's Code of Conduct first, which must be always be complied with. This is both the rules on disclosable pecuniary interests (and other interests if included in your authority's code) and the general rules giving effect to the seven principles of public life: selflessness, integrity, objectivity, accountability, openness, honesty and leadership.
- **Do** then apply the rules in this Members' Planning Code, which seek to explain and supplement the Members' Code of Conduct for the purposes of planning and development control. If you do not abide by this Members' Planning Code, you may put:
 - the Council at risk of proceedings on the legality or maladministration of the related decision; and
 - yourself at risk of either being named in a report made to the Standards Committee or Council or, if the failure is also likely to be a breach of the Localism Act 2011, a complaint being made to the police to consider criminal proceedings.
- **Do** be aware that, like the Authority's Code of Conduct, this Planning Code is a reflection and summary of the law on decision making and not a direct replication of it. If in doubt, seek the advice of your monitoring officer or their staff advising at the meeting.

2. Development Proposals and Interests under the Members' Code

- **Do** disclose the existence and nature of your interest as required by your members Code of Conduct.
- **Do take into account when approaching a decision that** the Principle of integrity is defined, by the Committee on Standards in Public Life in 2013, in terms that "*Holders of public office must avoid placing themselves under any obligation to people or organisations that might try inappropriately to influence them in their work. They should not act or take decisions in order to gain financial or other material benefits for themselves, their family, or their friends. They must declare and resolve any interests and relationships*". It is therefore advisable that you:
 - **Don't** seek or accept any preferential treatment, or place yourself in a position that could lead the public to think you are receiving preferential treatment, because of your position as a councillor. This would include, where you have a disclosable or other personal conflict of interest in a proposal, using your position to discuss that proposal with officers or Members when other members of the public would not have the same opportunity to do so.

- **Do** note that you are not prevented from seeking to explain and justify a proposal in which you may have a conflict of interest to an appropriate officer, in person or in writing, but that the Members' Code of Conduct may place additional limitations on you in representing that proposal
- **Do** notify the Monitoring Officer in writing where it is clear to you that you have a disclosable pecuniary interest or other personal conflict of interest and note that:
 - you should send the notification no later than submission of that application where you can;
 - the proposal will always be reported to the Committee as a main item and not dealt with by officers under delegated powers;
 - you must not get involved in the processing of the application; and
 - it is advisable that you employ an agent to act on your behalf in respect of the proposal when dealing with officers and in public speaking at Committee.

3. Fettering Discretion in the Planning Process

(natural justice, predisposition and predetermination)

- **Don't** fetter your discretion and therefore your ability to participate in planning decision making at this Council by approaching the decision with a closed mind. Fettering your discretion in this way and taking part in the decision will put the Council at risk of a finding of maladministration and of legal proceedings on the grounds of bias, pre-determination or a failure to take into account all of the factors enabling the proposal to be considered on its merits.
- **Do** be aware that in your role as an elected Member you are entitled, and are often expected, to have expressed views on planning issues and that these comments have an added measure of protection under the law. Your prior observations, apparent favouring or objections in respect of a particular outcome will not on their own normally suffice to make a decision unlawful and have it quashed, but you must never come to make a decision with a closed mind.
- **Do** keep at the front of your mind that, when you come to make the decision, you
 - must keep an open mind and hear all of the evidence before you, both the officers' presentation of the facts and their advice and the arguments from all sides;
 - are not required to cast aside views on planning policy you held when seeking election or when otherwise acting as a Member, in giving fair consideration to points raised;
 - are only entitled to take account a material consideration and must disregard considerations irrelevant to the question and legal context at hand; and
 - are to come to a decision after giving what you feel is the right weight to those material considerations.
- **Do** be aware that you can be biased where the Council is the landowner, developer or applicant and you have acted as, or could be perceived as being, a chief advocate for the proposal. (This is more than a matter of membership of both the proposing and planning determination committees, but that through your significant personal involvement in preparing or advocating the proposal you will be, or perceived by the public as being, no longer able to act impartially or to determine the proposal purely on its planning merits.)
- **Do** consider yourself able to take part in the debate on a proposal when acting as part of a consultee body (where you are also a member of the parish council, for example, or both a district/borough and county councillor), provided:
 - the proposal does not substantially effect the well being or financial standing of the consultee body;
 - you make it clear to the consultee body that:
 - your views are expressed on the limited information before you only;
 - you must reserve judgement and the independence to make up your own mind on each separate proposal, based on your overriding duty to the whole community and not just to the people in that area, ward or parish, as and when it comes before the Committee and you hear all of the relevant information; and

- you will not in any way commit yourself as to how you or others may vote when the proposal comes before the Committee.

- **Do** explain that you do not intend to speak and vote as a member of the Committee because you will be perceived as having judged (or you reserve the right to judge) the matter elsewhere, so that this may be recorded in the minutes. (*Use the disclosure form provided for disclosing interests.*)
- **Do** take the opportunity to exercise your separate speaking rights as a Ward/Local Member (*where this is granted by the authority's standing orders or by the consent from the Chair and Committee*) where you have represented your views or those of local electors and fettered your discretion, but do not have a disclosable or other personal conflict of interest. Where you do:
 - advise the proper officer or Chair that you wish to speak in this capacity before commencement of the item;
 - remove yourself from the seating area for members of the Committee for the duration of that item; and
 - ensure that your actions are recordedin accordance with the Authority's committee procedures.

4. Contact with Applicants, Developers and Objectors

- **Do** refer those who approach you for planning, procedural or technical advice to officers.
- **Don't** agree to any formal meeting with applicants, developers or groups of objectors where you can avoid it. Where you feel that a formal meeting would be useful in clarifying the issues, you should seek to arrange that meeting yourself through a request to the [*relevant Development Control Manager*] to organise it. The officer(s) will then ensure that those present at the meeting are advised from the start that the discussions will not bind the authority to any particular course of action, that the meeting is properly recorded on the application file and the record of the meeting is disclosed when the application is considered by the Committee.
- **Do** otherwise:
 - follow the rules on lobbying;
 - consider whether or not it would be prudent in the circumstances to make notes when contacted; and
 - report to the [*relevant Development Control Manager*] any significant contact with the applicant and other parties, explaining the nature and purpose of the contacts and your involvement in them, and ensure that this is recorded on the planning file [a profoma has been supplied to you for this purpose].

In addition in respect of presentations by applicants/developers:

- **Don't** attend a planning presentation without requesting an officer to be present.
- **Do** ask relevant questions for the purposes of clarifying your understanding of the proposals.
- **Do** remember that the presentation is not part of the formal process of debate and determination of any subsequent application, this will be carried out by the appropriate Committee of the planning authority.
- **Do** be aware that a presentation is a form of lobbying and, whilst you may express any view on the merits or otherwise of the proposal presented, you should never state how you or other Members would intend to vote at a committee.

5. Lobbying of Councillors

- **Do** explain to those lobbying or attempting to lobby you that, whilst you can listen to what is said, it may subsequently prejudice your impartiality, and therefore your ability to participate in the Committee's decision making, to express an intention to vote one way or another or such a firm point of view that it amounts to the same thing.

- **Do** remember that your overriding duty is to the whole community not just to the people in your [ward][division][particular interest or area] and, taking account of the need to make decisions impartially, that you should not improperly favour, or appear to improperly favour, any person, company, group or locality.
- **Don't** accept gifts or hospitality from any person involved in or affected by a planning proposal. If a degree of hospitality is entirely unavoidable, ensure it is of a minimum, its acceptance is declared as soon as possible, including its addition to your register of interests where relevant.
- **Do** copy or pass on any lobbying correspondence you receive to the [*relevant Development Control Manager*] at the earliest opportunity.
- **Do** promptly refer to the [*relevant Development Control Manager*] any offers made to you of planning gain or constraint of development, through a proposed s.106 Planning Obligation or otherwise.
- **Do** inform the Monitoring Officer where you feel you have been exposed to undue or excessive lobbying or approaches (including inappropriate offers of gifts or hospitality), who will in turn advise the appropriate officers to follow the matter up.
- **Do** note that, unless you have a disclosable or overriding other personal conflict of interest, you will not have fettered your discretion or breached this Planning Code through:
 - listening or receiving viewpoints from residents or other interested parties;
 - making comments to residents, interested parties, other Members or appropriate officers (making clear that you must keep an open mind);
 - seeking information through appropriate channels; or
 - being a vehicle for the expression of opinion of others in your role as a [Ward][Division] Member.

6. Lobbying by Councillors

- **Don't** become a member of, lead or represent an organisation whose primary purpose is to lobby to promote or oppose planning proposals. If you do, you will be seen to have fettered your discretion on the grounds of bias.
- **Do** join general interest groups which reflect your areas of interest and which concentrate on issues beyond particular planning proposals, such as the Victorian Society, CPRE, Ramblers Association or a local civic society, but you should normally disclose that interest on the grounds of transparency where the organisation has made representations on a particular proposal and make it clear to that organisation and the Committee that you have reserved judgement and the independence to make up your own mind on each separate proposal
- **Don't** excessively lobby fellow councillors regarding your concerns or views nor attempt to persuade them that they should decide how to vote in advance of the meeting at which any planning decision is to be taken
- **Do** be aware of the power of social media posts or re-posting and be careful to not to give the impression that you will definitively vote in a certain way or act with a closed mind if you intend to participate in the decision making on behalf of the authority.
- **Don't** decide or discuss how to vote on any application at any sort of political group meeting, or lobby any other Member to do so. Political Group Meetings should never dictate how Members should vote on a planning issue.

7. Site Visits/Inspections

- **Do** try to attend site visits organised by the Council where possible.
- **Don't** request a site visit unless you feel it is strictly necessary because:
 - particular site factors are significant in terms of the weight attached to them relative to other factors or the difficulty of their assessment in the absence of a site inspection; or

- there are significant policy or precedent implications and specific site factors need to be carefully addressed.
- **Do** ensure that you report back to the Committee any information gained from the site visit that you feel would benefit all Members of the Committee
- **Do** ensure that you treat the site visit only as an opportunity to seek information and to observe the site.
- **Do** ask the officers at the site visit questions or seek clarification from them on matters which are relevant to the site inspection.
- **Don't** hear representations from any other party, with the exception of the [Ward][Division] Member(s) whose address must focus only on site factors and site issues. Where you are approached by the applicant or a third party, advise them that they should make representations in writing to the authority and direct them to or inform the officer present.
- **Don't** express opinions or views.
- **Don't** enter a site which is subject to a proposal other than as part of an official site visit, even in response to an invitation, as this may give the impression of bias unless:
 - you feel it is essential for you to visit the site other than through attending the official site visit,
 - you have first spoken to the [*relevant Development Control Manager*] about your intention to do so and why (which will be recorded on the file) and
 - you can ensure you will comply with these good practice rules on site visits.

8. Public Speaking at Meetings

- **Don't** allow members of the public to communicate with you during the Committee's proceedings (orally, in writing or by social media) other than through the scheme for public speaking or through the Chair, as this may give the appearance of bias.
- **Don't** participate in social media or exchanges by texting as a member of the committee during the committee's proceedings as this may give the impression of undue external influence and may give the appearance of bias.
- **Do** ensure that you comply with the Council's procedures in respect of public speaking.

9. Officers

- **Don't** put pressure on officers to put forward a particular recommendation. (This does not prevent you from asking questions or submitting views to the Development Control Manager, which may be incorporated into any committee report).
- **Do** recognise that officers are part of a management structure and only discuss a proposal, outside of any arranged meeting, with a Head of Service or those officers who are authorised by their Head of Service to deal with the proposal at a Member level.
- **Do** recognise and respect that officers involved in the processing and determination of planning matters must act in accordance with the Council's Code of Conduct for Officers and their professional codes of conduct, primarily the Royal Town Planning Institute's Code of Professional Conduct. As a result, planning officers' views, opinions and recommendations will be presented on the basis of their overriding obligation of professional independence, which may on occasion be at odds with the views, opinions or decisions of the Committee or its Members.

10. Decision Making

- **Do** ensure that, if you request a proposal to go before the Committee rather than be determined through officer delegation, that your planning reasons are recorded and repeated in the report to the Committee.

- **Do** come to meetings with an open mind and demonstrate that you are open-minded.
- **Do** comply with section 38(6) of the Planning and Compulsory Purchase Act 2004 and make decisions in accordance with the Development Plan unless material considerations indicate otherwise.
- **Do** come to your decision only after due consideration of all of the information reasonably required upon which to base a decision. If you feel there is insufficient time to digest new information or that there is simply insufficient information before you, request that further information. If necessary, defer or refuse.
- **Don't** vote or take part in the meeting's discussion on a proposal unless you have been present to hear the entire debate, including the officers' introduction to the matter. (Where a matter is deferred and its consideration recommences at a subsequent meeting, only Members who were present at the previous meeting will be able to vote. If this renders the Committee inquorate then the item will have to be considered afresh and this would include public speaking rights being triggered again).
- **Do** have recorded the reasons for Committee's decision to defer any proposal [and that this is in accordance with the Council's protocol on deferrals].
- **Do** make sure that if you are proposing, seconding or supporting a decision contrary to officer recommendations or the development plan that you clearly identify and understand the planning reasons leading to this conclusion/decision. These reasons must be given prior to the vote and be recorded (it will help to take advice from officers when and where necessary to do this and, if there are no indications allowing you to do this in advance of the meeting, it may be helpful to request a short adjournment for these purposes). Be aware that you may have to justify the resulting decision by giving evidence in the event of any challenge.

11. Training

- **Don't** participate in decision making at meetings dealing with planning matters if you have not attended the mandatory planning training prescribed by the Council.
- **Do** endeavour to attend any other specialised training sessions provided, since these will be designed to extend your knowledge of planning law, regulations, procedures, Codes of Practice and the Development Plans beyond the minimum referred to above and thus assist you in carrying out your role properly and effectively.
- **Do** participate in the annual review of a sample of planning decisions to ensure that Members' judgements have been based on proper planning considerations.

Where a Councillor undertakes a journey by car then reimbursement will not exceed **the mileage rates specified in Schedule 1**.

Travel by Air will only be authorised and paid on the conditions and rates set out **in Schedule 1**.

10. Travel Abroad

When travelling beyond the United Kingdom, the Councillor in consultation with the organising department and the Democratic Services Manager should ensure as far as practical that the arrangements are made for accommodation to be provided on a fully inclusive basis as a direct charge to the Council. Where this is not practical, the Democratic Services Manager will determine an appropriate scale of allowance having regard to the nature of the event, the location, and any published scales relating to Senior Civil Servants undertaking duties abroad in the location concerned.

11. Parental Leave

Councillors will be eligible to take maternity, paternity, shared parental leave and adoption leave in accordance with the guidance set out in **Schedule 1**.

- (ii) If an amendment to this Scheme changes the amount to which a Councillor is entitled by way of a Basic Allowance or a Special Responsibility Allowance, or if a Councillor accepts or relinquishes a Special Responsibility Allowance, then the entitlement to the allowance will be in proportion to the number of days entitlement to each allowance relative to the number of days in that year.
- (iii) If an amendment to this Scheme changes the amount payable by way of a Dependant Carer's or Subsistence Allowance or to the rates of travel entitlement, the entitlement to such an allowance or payment will be to the amount under the scheme as it has effect when the duty was carried out.

A Councillor may by notice, in writing given to the Democratic Services Manager forego any part of their entitlement to an allowance under this Scheme.

14. Annual Review of Allowances

The Local Authorities (Members' Allowances) (England) Regulations 2003 enables Councils to make provision for the annual adjustment of allowances by reference to an index, which may apply for a period of no longer than four years.

Accordingly, the allowances payable under this scheme will be adjusted annually from 1st April 2024 and thereafter 1st April 2025, 1st April 2026 and 1st April 2027 in line with the Pay Award (if any) for staff on salary scale 44 of the Westmorland and Furness Pay Scale, and any percentage increase applied automatically.

In addition the Independent Remuneration Panel may undertake a review of the scheme to assess whether any further recommendations are required in relation to any of the allowances paid under the scheme.

- (c) Where a payment of the amount specified in this Scheme in respect of a Basic Allowance or a Special Responsibility Allowance would result in a Councillor receiving more than the amount to which he or she is entitled, the payment will be restricted to such an amount as will ensure that no more is paid than the amount to which he or she is entitled. In the event

of a Councillor no longer holding a Special Responsibility, or ceasing to be a Councillor, the amount of any allowance which has been overpaid will be recovered.

16. Pensions

On the 1 April 2014 the Local Government Pension Scheme was closed to Councillors.

Councillors are therefore recommended to make their own Pension Provision as appropriate to their own individual circumstances and should note that the Council is unable to make any contribution to any such arrangements.

- 2.1 a duty to report to the Council or executive in any case where the Monitoring Officer is of the opinion that any proposal or decision has given rise to or is likely to or would give rise to

2.1.1 a contravention of any enactment or rule of law; or

2.1.2 maladministration

and these matters are referred to in this Protocol as "reportable incidents";

- 2.2 a range of functions relating to Members' conduct relating to the statutory duty to promote and maintain high standards of conduct under the Localism Act 2011; and

- 2.3 as proper officer and for specific functions under the Council's Constitution.

The Monitoring Officer may themselves choose to nominate an officer to act as Deputy Monitoring Officer to undertake the role should the Monitoring Officer be absent or ill.

3 Working Arrangements

- 3.1 In order to ensure the effective undertaking of these duties, the Monitoring Officer will:-

3.1.1 have regular meetings with each of the Head of Paid Service and Chief Finance (S.151) Officer in order to review current and likely future issues with legal, constitutional or ethical implications.

3.1.2 maintain good liaison and working relations with the Head of Internal Audit and the external audit service.

3.1.3 ensure that the Council is kept up to date on new legislation and changes in the law which are relevant to the carrying out of the Council's activities. This will generally take the form of reports to Members and briefing notes to Chief Officers but where appropriate will involve training sessions for relevant Members and officers.

These activities will be carried out in consultation and conjunction with relevant Chief Officers.

- 3.2 In addition, Chief Officers will ensure that:-

3.2.1 The Monitoring Officer or their Senior Staff are consulted at an early stage on new policy proposals and on matters which have potentially significant legal implications. Where there is any doubt, the Chief Officer should always consult.

- 3.2.2 All draft reports to the Council and Committees should as a matter of routine be cleared with the Monitoring Officer or their senior staff.
- 3.2.3 The Monitoring Officer is informed of all emerging issues of concern of a legal, ethical or constitutional nature. Similarly, Members should ensure that the Monitoring Officer is routinely informed and consulted in respect of new policy proposals. The Monitoring Officer will always seek to resolve any potential illegality by identifying alternative and legitimate means of achieving the objective of the purpose. (See also para. 3.5(a)).
- 3.3 Also, in cases where external lawyers are acting for the Council, it will be necessary for the Monitoring Officer to appoint a client officer from within Legal Services and to agree with the relevant Chief Officer arrangements for ensuring that vires and constitutional issues are satisfactorily addressed.
- 3.4 These working arrangements will mean that:
 - 3.4.1 The Monitoring Officer will seek to resolve potential reportable incidents (as defined in para 2(a)) by avoiding the illegality, etc., or by identifying alternative and legitimate means of achieving the objective of the proposal. Accordingly, and given that Council officers and Members are encouraged to consult the Monitoring Officer in respect of any proposal, the Monitoring Officer will only need to make a public report on the matter if the proposal were to be a potential reportable incident and the officer or Member subsequently took any action to progress that proposal despite being advised to the contrary by the Monitoring Officer.
 - 3.4.2 Where the Monitoring Officer receives a complaint of a potential reportable incident, he/she must in appropriate cases seek to resolve the matter amicably, by securing that any illegality or failure of process is rectified. However, it is recognised that the Monitoring Officer may decide that the matter is of such importance that a statutory report is the only appropriate response.
 - 3.4.3 In appropriate cases, and to secure the rapid resolution of a potential reportable incident or avoid a separate statutory report, the Monitoring Officer will be entitled to add his/her written advice to the report of any other Council officer.
 - 3.4.4 Notwithstanding the above, the Monitoring Officer retains the right to make a statutory report where, after consultation with the Head of Paid Service and the S.151 Officer, when the Monitoring Officer is of the opinion that such is necessary in order to respond properly to a reportable incident.
- 3.5 In pursuance of his or her duties, and to assist in effective and efficient undertaking of these working arrangements, the Monitoring Officer will have the right:-
 - 3.5.1 To receive advance notice of meetings, whether formal or informal between Chief Officers and Members of the Council or Committee Chairs where any procedural, vires or other constitutional issues are likely to arise, together with the right to attend such meetings.
 - 3.5.2 To receive advance notice of meetings of the Senior Leadership Team and the agenda and reports together with the right to attend and speak.
 - 3.5.3 To see all documents and information held by or on behalf of the Council, including documents and information held by any Council officer or Member. However, this right does not extend to documents and information held by or on behalf of any political party represented on the Council.
 - 3.5.4 To attend any meetings of officers or Members (or both), whether or not such meetings include any other persons. However, this right does not extend to any meetings held by or on behalf of any political party represented on the Council.
 - 3.5.5 To require any Council officer or Member, or any contractor to provide an explanation of any matter under investigation. (f) To report to the Council, and its Committees, including a right to present a written report and to attend and advise orally.

- 3.5.6 To have access to the Chief Executive (Head of the Paid Service) and to the S.151 Officer.
- 3.5.7 After consultation with the Chief Executive and the S.151 Officer, to notify the Police, the Council's Auditors and other regulatory agencies of concerns in respect of any matter and to provide them with information and documents in order to assist them with their statutory functions.
- 3.5.8 To obtain, at the Council's expense, legal advice, either internally or from an independent external solicitor, barrister or forensic consultant, on any matter which it is believed may be a reportable incident.

4 Conflicts

Where the Monitoring Officer is in receipt of a complaint or is aware of a potential reportable event relating to a matter upon which he/she has previously advised the Council, he/she must consult the Head of the Paid Service who may then either refer the matter to the Deputy Monitoring Officer for investigation and report back to the Head of the Paid Service or request a neighbouring authority to make their Monitoring Officer available to the Council to investigate the matter and report to the Head of the Paid Service and/or the Council as appropriate.

5 Insurance and indemnity arrangements

The S.151 Officer will ensure adequate insurance and indemnity arrangements are in place for the same to protect and safeguard the interests of the Council, and the proper discharge of the Monitoring Officer role.

6 Sanctions for breach of the Council's Codes of Conduct and this Protocol

Complaints relating to any breach of the Council's Code of Conduct for Members must be dealt with in accordance with the arrangements adopted by Council. Complaints relating to any breach of this Protocol by a Member may be referred to the relevant leader and/ or whip of the political party group and as a breach of the members Code of Conduct to the Standards and Governance Committee. Complaints relating to any breach of this Protocol by an officer may be referred for disciplinary action.

7 Procedure for dealing with complaints regarding councillors and parish and town councillors and co-opted members

- 7.1 There is a formal procedure for dealing with complaints that a Councillor or a town or parish councillor or a co-opted member has failed to comply with the Members' Code of Conduct.
- 7.2 The Monitoring Officer reserves the right to deal with any issues arising in the course of business that concerns the conduct or alleged conduct of a Member in the absence of a complaint if the Monitoring Officer deems it reasonable and appropriate to do so.

3.19. All Petitions must be submitted in writing. If you submit a petition in writing your petition will be acknowledged within 2 working days, with confirmation of what the Council will do with the petition and when you can expect a response. The Council's response will depend on what the petition is about and how many people have signed it.

3.20. Before you submit a petition the Council recommends that you contact your local elected member to see if the Council is already acting on your concerns and to ensure that the Council is the most appropriate body to receive your petition. All Petitions must be received by the Council in accordance with 3.9 above and within 9 clear working days of the meeting. If your Petition has 1000 signatures or more it will be scheduled for debate at the Council meeting. If this is the case we will communicate the date of the meeting to you.

The Monitoring Officer's decision is final.

Arrangements for the Strategic Planning Committee and Area Planning Committees and Licensing Sub Committees

Many Local Planning Authorities permit members of the public to address the Committee about a particular proposal prior to the consideration of the application. Procedures vary across the country but all are designed to provide as fair an opportunity as possible for a balance of views to be provided between those supporting and those opposing an application.

Members of the public are permitted to address the Planning Committee and the following protocols relate to the procedures adopted.

Protocols

- in accordance with the Council Procedure Rules, any person (including Councillors, Parish representatives, applicants, objectors and supporters) may seek to address the Planning Committee by making representations in relation to any matter which appears on the agenda for that meeting.
- any person who wishes to address the Committee should request to do so in writing to the Committee Services team no later than 0:01am (one minute past midnight) three working days before the date of the Planning Committee, providing a written summary of the issues they intend to raise (together with copies of any illustrative material). A person registering to speak is required to supply their name, address, contact phone number and the planning application or agenda item they wish to speak on
- Committee Services will acknowledge all requests to speak within two working days of receipt of that request. If your request is received outside of the Council's office hours, the date of receipt will be taken as the next working day. If you do not receive an acknowledgement either within this time frame or before the Planning Committee if sooner, please call Committee Services who will be pleased to help. Anyone who has registered to speak on a specific planning application or enforcement agenda item should try to arrive at least 15 minutes before the start of the meeting.

The following procedure will apply

- the Planning Officer will present the application outlining what the proposal is about and identifying the issues relevant to the application and concluding with a recommendation
- for the area committees public speakers will then address the committee. The public participation element will allow up to three objectors and three supporters to speak on a particular item. The supporters will speak first followed by the objectors. Furthermore, each speaker will be allowed up to five minutes, therefore this will result up to a maximum of 15 minutes for objectors and 15 minutes for supporters, resulting a maximum public participation time limit of up to 30 minutes for each item. If a ward member or a parish / town councillor wishes to speak on an item this will be in addition to the three objectors/supporters
- for the strategic committee public speakers will address the committee. The public participation element will allow up to five objectors and five supporters to speak on a particular item. The supporters will speak first followed by the objectors. Furthermore, each speaker will be allowed up to five minutes, therefore this will result up to a maximum of 25 minutes for objectors and 25 minutes for supporters, resulting a maximum public participation time limit of up to 50 minutes for each item. If a ward member or a parish / town councillor wishes to speak on an item this will be in addition to the three objectors/supporters
- if more than 3 (or 5 for the Strategic committee) people apply to speak either as a supporter or opponent, places will be allocated on a first come first served basis. In exceptional cases the Chair of the Committee will have discretion to decide the maximum number of speakers. (A larger group should consider electing spokespersons) However other neighbour comments will be reported in the normal way in the officer's committee report. The Chairman may refuse an individual's application to speak if it becomes clear that they would be doubly represented at the meeting

- with respect to the content of the public presentations they should be limited to purely planning considerations and should not make statements of a personal or slanderous nature, be abusive or interrupt other speakers, or the Committee, during their debate. If a speaker fails to abide by this requirement, they will not be permitted to address the Committee any further and will be required to leave the Chamber
- Information on how to apply can be obtained by contacting the Planning Business Support Team by telephone on 0300 373 3300. Please refer to the Agenda for each meeting for the relevant Committee Services contact details
- if an application is deferred after an Objector/ Supporter has spoken they will not be allowed to speak again when the matter is referred back to Committee for a decision, unless any new information has been submitted. The objector/supporter would be limited to speak only in respect of the new information
- planning officers will be given the opportunity to respond to any of the public speaker's comments
- the opportunity will then be given for the officer to be questioned by the Committee
- if a member of the Committee has a question, that is materially relevant to the determination of the application, where the officer does not hold the information requested, but a person who has spoken on the application may do so. The Chair may use his/her discretion to ask the relevant speaker to provide the information requested if he or she is able to do so. , or allow a short recess to allow the officer to research the matter
- the Committee will then debate the proposals and come to a decision.

Images provided by an objector/supporter will not normally be allowed to be presented.

If, due to unforeseen circumstances, a speaker is unable to attend or address the Committee then they may appoint someone to speak on their behalf, subject to the approval of the Chairman of the Planning Committee and the relevant authority being provided to the representative

Please note: an agenda item will not be deferred if someone who has registered to speak fails to arrive in time for the item to be considered. Where a speaker is not present in the room when it is their time to speak they may lose their right to speak on the application.

Part 10

Protocol for Notifying Local Members of Key Issues

1. Introduction

- 1.1 Members carry out a number of different roles, but it is their role in their local community that is arguably the most important. Members are often the first point of contact, especially if local people, stakeholders and other community groups are concerned about an issue or have queries about services or plans for the area.
- 1.2 It is critical that Members are informed about all significant developments affecting their electoral ward before other groups and always before the Council makes public **announcements**.
- 1.3 The purpose of this Protocol for Notifying Local Members of Key Issues ('Protocol') is to help officers make sure that Members are kept properly informed about local issues. Local issues are issues which impact on a particular ward or only a small number of wards (usually no more than 3 wards). Responsibility for implementing the Protocol rests with Chief Officers and Assistant Directors, and the specific arrangements to do this are the responsibility of individual Directorates.
- 1.4 Existing arrangements already require local members to be consulted before Cabinet or a Locality Board takes a formal decision. However, many issues of great importance to local Members do not require formal decisions, are taken by officers under delegated powers as part of their management responsibilities or are initiated by residents/local groups. This protocol should be applied in these circumstances.
- 1.5 The principle of "no surprises" for Members underpins the Protocol. Officers must aim to avoid situations where a Member is contacted by a resident or by the press, for a comment/assistance on a Council issue affecting their electoral ward of which they were unaware. Wherever possible, Members should be the first to know of events and issues affecting their constituents.
- 1.6 Whilst much information is made available electronically through the Council's intranet and through members' briefing; officers must not rely on this as the primary method of informing a Member of a matter that specifically affects a Member's electoral ward. Contact must be made directly with the Member.
- 1.7 The following paragraphs describe more fully how the arrangements should work in practice.

Protocol

2. The Local Member Role

2.1 Members have been elected to represent their electoral wards and have a detailed knowledge of the local area. Members will act on behalf of individual constituents on specific issues or may represent the Council on local bodies in their ward, such as school governing bodies. Members will monitor the quality and effectiveness of service provision and are an important communication link between the Council and local people.

2.2 The local press will often contact local Members for their views on local issues, particularly where the Council's or partners' proposals are likely to be controversial or have a major impact locally. The views of local Members are a key dimension of policy-making and it is important that their views are heard and taken into account by decision-makers, whether that be the Cabinet, Locality Boards, or officers.

2.3 Members need to be kept fully informed and briefed on significant issues affecting the locality so that there are "no surprises" at formal meetings and in members' dealings with constituents, partners and other stakeholders.

2.4 Members are also encouraged to inform the relevant officers of significant issues of which they become aware and which will have an impact on the Council and its services.

3. Definition of Significant Issues

3.1 A "significant issue" is deemed to be something that is likely to result in a Member being approached by the press or a constituent. It is not possible to cover everything in a list but the following are examples of the kinds of issues which are usually regarded as significant. This applies whether or not the matter will come before Members under the Council's formal decision making process.

(a) **Changes to services** provided or maintained by the Council (directly or by commission/in partnership) such as:

- (i) Changes to opening hours/admission arrangements
- (ii) Changes to the type of service provided
- (iii) Introduction of or changes to fees and charges
- (iv) Closures - partial, temporary or permanent
- (v) Expansions of facilities
- (vi) Planned or programmed highways works
- (vii) Planned or programmed building/maintenance works
- (viii) Changes to 'catchment' areas/service areas
- (ix) Changes to rules on financial or professional assistance
- (x) Communications with parish or town, councils
- (xi) School closures or amalgamations

(b) Council **decisions** on:

- (i) Planning applications
- (ii) Traffic management
- (iii) Trading standards
- (iv) Housing
- (v) Aspects of social care (subject to exclusions below)
- (vi) Licencing matters
- (vii) Bins, recycling and street cleaning
- (viii) Local transport matters

(c) **Sensitive** issues such as:

- (i) Where a local campaign is developing
 - (ii) Where multiple letters on the same subject have been received
 - (iii) Where you are responding to an article or letter in the press or media
 - (iv) Where the local MPs has become involved
 - (v) Issues where there are concerns about the performance of a Council service, especially where externally assessed.
- (d) **Corporate** issues such as:
- (i) Formal representations on the part of the Council on significant issues, that are regional or national
 - (ii) Formal responses to consultations from government at regional or national levels or from quangos and other public bodies.

4. Cross Ward Involvement of Local Members

- 4.1 Most notifications will relate to a matter within a specific area and generally will only affect a single electoral ward. However, some proposals will be more broadly based and officers will exercise judgement in these cases as to which local members should be consulted or informed. The closure of a secondary school, for example, will clearly affect more than one electoral ward because of the wide catchment area of the school. Road closures, bus routes and library opening times are other examples where more than one electoral ward may be affected.
- 4.2 Consideration should also be given to whether a proposal which on the face of it would only affect a single electoral ward would actually have implications for a wider area.

5. Local Member involvement in official visits and formal events

- 5.1 Local Members should be involved in, or at least informed of, official visits or formal openings of premises or facilities in their electoral ward. Consideration should be given at the outset to whether local Members should be invited to events and, if not, officers should be in a position to explain the adopted course of action if asked by the local Member. Where the event or function involves the Chair or Vice-Chair of the Council, the Communications Team will advise on protocols.

6. Particular Requirements in relation to Agenda Despatch and Democratic Services' Role

- 6.1 Relying solely on formal agenda papers as the method for notification is not acceptable as this is unlikely to provide information sufficiently in advance of an issue being discussed. Local Members must be told about an issue much earlier so that they are able to deal with constituents' concerns, influence through appropriate channels, and advise constituents, for example on the Council's Public Participation Scheme.
- 6.2 The responsibility for notifying local Members rests with the relevant directorate before the formal processes are reached. Although earlier notification may have been given, Democratic Services will notify local Members when an agenda is despatched (sending them a copy of the report) based on the advice given by your directorate or service as to the areas affected. This will be the electoral wards listed under the "Implications" Section of reports.

7. Responsibility for Notifying Local Members

- 7.1 Identifying issues that affect local Members is the responsibility of the relevant directorate or service dealing with the matter. This refers not only to items coming before the Cabinet, a Locality Board, or other bodies; but also significant issues that arise outside the formal processes.
- 7.2 Each directorate may have its own arrangements in place about who is authorised to contact Members and at what stage in relation to specific proposals and issues. Some services may have an agreed notification procedure which follows the spirit of this Protocol but is designed for the service's particular

circumstances. Officers should only notify a local Member in accordance with this Protocol and any procedure or guidance issued by their service. If officers are unsure about notifying a local Member at an early stage on a particular matter, advice should be sought from their Senior Manager or Assistant Director / Director before approaching the Member.

- 7.3 Officers should consider carefully whether the Cabinet member with responsibility for the service should also be advised of a particular local proposal or issue as they too might be asked by the press or others to comment.
- 7.4 How contact is made with Members will depend to a large extent on the importance of the issues and the urgency. Usually it is better to email the Member so that Members have a clear description of the issue but in urgent cases Members can be contacted by telephone. Numbers are given on the Council's intranet.
- 7.5 Area Managers are often able to support the process of notifying local Members of issues, and as a point of focus for council services in each local area should also be kept informed of significant issues; however the lead should come from the directorate/ service to instigate notification and responsibility for notification does not lie with the relevant Area Manager(s).

8. Information and Advice About Local Members and Their Wards

- 8.1 Details of Members and electoral wards are available on the intranet. Where the information is not clear, the Democratic Services team can be contacted for advice.

9. Monitoring and Review of the Protocol

- 9.1 Where a Member believes that this Protocol is not being followed they should inform the Chief Legal and Monitoring Officer of their specific concerns. The matter will be registered and referred to the appropriate Chief Officer for investigation. The Chief Officer will advise the local Member and the Monitoring Officer of the outcome of the investigation and any action taken. This will be recorded to show that the matter has been resolved.

10. Data Protection

- 10.1 The present law on data protection allows personal data to be disclosed to Members, without having to obtain the consent of the data subject, where disclosure is necessary for the Member to carry out their official duties. Officers must carefully consider their obligations under the data protection legislation before disclosing personal data to Members. In particular:-

- (a) they must only give the Member access to the personal data they need to carry out their duties;

- (b) they must specify the purposes for which that information may be used or disclosed;

- (c) where the Member is able to take a copy of the personal data away from the premises or is able to access the data remotely they should specify the steps necessary to keep the information secure.

If in doubt, officers should contact the Chief Legal and Monitoring Officer for further advice on disclosure of information to Members.

11. Confidentiality

- 11.1 Members are required by the Member Code of Conduct not to breach confidentiality. Therefore, the fact that an issue is confidential does not in itself prevent the sharing of it with the local Member, but the confidentiality must be made clear to the local Member.

11.2 Exceptions:

The following issues should not be shared with the local Member

- (a) Where the issue is about the provision of a personal service from the Council to an individual or a dependent, unless the individual or person in receipt of the service has expressly asked for the involvement of the local Member and has agreed that correspondence can be shared, or where the issue is already public, such as in the press or media.
- (b) Where it involves the personal circumstances of an officer.
- (c) Where it involves politically sensitive corporate issues, such as communication with Members of Parliament, Government, Local Government Association on provisional or early draft proposals.
- (d) Where it involves corporate issues of a sensitive nature such as commercially sensitive information relating to issues of procurement and contracts; or confidential legal advice

12. Monthly Members' Briefings

- 12.1 Where an issue is of interest to all Members of the Council, the monthly Members' Briefings can be used to draw attention to significant corporate issues or matters which affect all Members. Providing information through this route does not remove the requirement on directorates to notify local Members directly of issues which relate to their electoral ward.
